What do you love most about living in the Shire of Dardanup? For my partner & I, it's walking my kelpie through our peaceful parks, chatting with locals in everyday life and enjoying events like the Bull & Barrel Festival, Eaton Foreshore Festival & Arts Trail. I'm proud to call this place home and passionate about helping it grow in ways that support families, small businesses & our residents. I've coached startups and businesses - including job seekers, disability service participants, agricultural enterprises & stay-at-home parents - to use opportunity and build confidence. With a strong financial background and involvement in housing solutions, I understand the pressures facing our community and can advocate for practical solutions. I help lead the Fight MND committee and help deliver events like the Bunbury Sea Shanty Festival; and sing in the Anchormen. I respect the Shire's long-term planning and believe in listening and acting to make sure every voice in this shire is heard.
