District	Shire of Dardanup
Nominating for	Councillor for Shire of Dardanup
Election type	Ordinary
Enrolment status	O'BRIEN, Jarred is eligible to stand for election as a resident of the Shire of Dardanup.

I have lived in the Shire for the past seven years and in the South West my entire life. Together with my partner and our three young children, I am proud to call this community our home.

I value our strong sense of community, the beautiful environment we are fortunate to enjoy, and the opportunities our region provides for families, businesses, and future generations.

My background is in radio, where I've worked both on-air and in management. Recently, I returned to broadcasting, using my passion for community to share local news, events, and issues that matter most to our region.

Why I Am Running

I believe in building a strong, sustainable, and inclusive future for all residents. As our community grows, we face both opportunities and challenges.

I believe that councillors must listen carefully to residents, advocate strongly for local needs, and have a clear vision for both today and the future, and if elected, I will bring that commitment to representing the people of Dardanup shire.
