Election type	Ordinary
Enrolment status	GILLESPIE, Stacey is eligible to stand for election as a resident of the Shire of Dardanup.

I am seeking re-election to continue to be a representative on Council for the community of the Shire of Dardanup. My husband's family are long term residents of Eaton, having lived in the area for over 50 years and our own family have called Eaton home for over 15 years.

As a current sitting councillor, I am aware of the time and dedication needed to genuinely represent electors and make informed decisions for the betterment of our community. Over the last 4 years I have served on several council committees, advisory groups, the Australian Local Government Women's Association and have completed training courses to have a better understanding of Local Government processes and how to help serve our community.

If re-elected, I look forward to continuing as an honest independent councillor, unbiased, committed and focused on the job at hand. I am ready to continue to represent residents and rate payers so that our community receive the outcomes they deserve.
