	District	Shire of Dardanup
	Nominating for	Councillor for Shire of Dardanup
	Election type	Ordinary
	Enrolment status	WEBSTER, Annette is eligible to stand for election as a resident of the Shire of Dardanup.

I am standing for a position as councillor in the Dardanup Shire.

I have lived here since 1972 and have worked and volunteered in this community.

After raising 2 children on my own over the past 20 years, now they are both working, I have time to give back to the community.

I moved to Wellington Mills in the nineties, during their centenary celebrations. While living in the Valley, I served as a member of the original tourism committee and helped set up Gnomesville.

I am very passionate about working as a team with a diverse range of people. Councillors should be approachable and be ready to listen to any issue residence have concerns about.

I would support a police Substation to be set up in Eaton.

We have a large number of retired residence, they deserve to be able to move around safely and enjoy all the shire has to offer.

I would like to also help introduce to the shire some Pathway programs to help assist our youth transition into the work force.
