

Schedule 7 – Concessions to English language requirement

In this Schedule, **IELTS** means the International English Language Testing System or the equivalent in another accepted English language test.

Other accepted English language tests are:

- Occupational English Test (OET);
- Test of English as a Foreign Language internet-based test (TOEFL iBT);
- Pearson Test of English (PTE) Academic test; or

The English language requirements may be met if a visa applicant would be regarded as an 'exempt applicant' for the purpose of the legislative instruments applicable to TSS/SID, SESR and ENS visas.

For any Occupations that are not listed in **Table 10** below, the Overseas Worker is required to meet the minimum standard English language requirements applicable to the TSS/SID, SESR and ENS non-labour agreement visa streams under the Migration Regulations.

For the Occupations listed in **Table 10** below, the following English language concessions apply:

- **SID, SESR:** average score of IELTS 5.0 with no minimum component score (unless registration or licensing requires a higher level of English).
- **ENS:** The minimum standard English language requirements applicable to the ENS non labour agreement visa streams under the Migration Regulations apply.
