Local Emergency Management Arrangements (LEMA) Review workshop

WALGA and the State Emergency Management Committee (SEMC) Business Unit are working in partnership to deliver a project to review and reshape Local Emergency Management Arrangements (LEMA). The LEMA Review was initiated in response to reports that WA Local Governments face several challenges in maintaining effective and current LEMA.

WALGA is delivering a series of LEMA Review workshops with Local Governments to inform the design of a more streamlined, scalable, and fit-for-purpose LEMA model. The outcomes of the workshops will inform a LEMA Improvement Plan that will be prepared by the SEMC Business Unit.

Shire Officers participated in a recent workshop held at the City of Bunbury on the 14th September and will be kept up to date with the findings that emerge.

More information can be found in the [Local Emergency Management Arrangements \(LEMA\) Review Issues Paper](#).

Local Bush Fire Response Support Plan

Following a recent review by Shire Officers in conjunction with the Department of Fire & Emergency Services (DFES), the Shire of Dardanup Local Bush Fire Response Support Plan (LBRSP) was presented and subsequently adopted at the Bushfire Advisory Committee Meeting held 12 October 2022 [BFAC 15-22]. The aim of the LBRSP is to ensure a strong bush fire response capability for the protection of lives and property within the Shire as well as to guide the brigades in bush fire operations and ensure the response is coordinated to enhance community safety and an environment in which residents can feel safe. The LBRSP is a support plan for the Local Emergency Management Arrangements.

Rural Urban Interface (RUI) Exercise – West Dardanup

The Rural-Urban Interface (RUI) exercise planned in the community of Dardanup West between Shire of Dardanup local bushfire brigades and the Department of Fire and Emergency Services (DFES) has been postponed.

The aim of the exercise was for the local and neighbouring fire brigades to gain a better understanding of the West Dardanup community, which may assist in better protection of the community in the event of a bushfire. The exercise will also provide information to the individual members of the community on the level of preparedness of their properties and assist them in the works required to maximize the defendability of their property in the event of a Bushfire.

The exercise will now be planned for Spring 2023.

Wellington Mills Bushfire Ready Community Exercise

The Wellington Mills Bushfire Ready Community Exercise is planned for the 12 November 2022. The aim of the exercise is to test the Bushfire Ready Communications Plan. The whole of the Wellington Mills Community is invited to participate.

Wellington Mills New Resident Briefing

The Wellington Mills New Resident Briefing was held on 15 October 2022. Anyone new to the area was invited to the Wellington Mills Volunteer Bushfire station for a sausage sizzle lunch followed by a briefing from Haley Hibbitt – DFES Community Preparedness Advisor (CPA), about bushfire risk and planning, focussing mostly on the Australian Warning System (AWS), Australian Fire Danger Rating System (AFDRS) and Emergency WA. This was followed by a briefing from brigade member Brigitte Milligan about how the Bushfire Ready program works in the area.

8.1.10. Funding Opportunities**AWARE Grant**

The Shire was successful in its application to the AWARE grant program to enable the Shire to create and promote internal emergency support arrangements and processes for opening up Dardanup local emergency welfare centre(s).

The proposed Local Emergency Welfare Support Plan (LEWSP) will guide internal preparedness by enhancing capacity, capability, knowledge and understanding of Local Government officers' responsibilities for opening an emergency welfare centre for an impacted community.

By undertaking this project that incorporates the development of the LEWSP and a functional exercise with Shire of Dardanup staff, it is anticipated the following benefits will be achieved, including;

- Support for the Local Emergency Management Arrangements and Department of Communities Local Emergency Welfare Plan in the coordination of opening an emergency welfare centre(s).
- Define roles and responsibilities for Shire staff in the coordination of opening an emergency welfare centre(s) for impacted residents.
- Provide useable tools and templates to assist in the management of impacted persons presenting at a Welfare Centre(s) in an emergency.
- Increased staff understanding of Local Governments role and responsibilities in opening a Welfare Centre(s) for evacuating community members in an emergency.

The project will run throughout 2023.

If successful, the new Bushfire Risk Mitigation Coordinator (BRMC) will be responsible for the management and implementation of the MAF and identified treatments.
