12 REPORTS OF OFFICERS AND COMMITTEES

12.1 Title: Consideration of Extraordinary Election – Resignation of Cr. Danny Harris

Reporting Department: Executive

Reporting Officer: Mrs Cathy Lee – Manager Governance & HR

Legislation: Local Government Act 1995

Overview -

With the recent resignation of Cr Danny Harris it is proposed that Council write to the Electoral Commissioner requesting that the vacant office remain unfilled until the 2019 ordinary election.

Background -

Cr Danny Harris tendered his resignation in writing, effective immediately, following the Special Council meeting held 20 June 2018. Cr. L D Harris was elected to Council in October 2011 and current term is due to expire in October 2019.

Legal Implications -

Local Government Act 1995 Sections 2.32 and 4.17:

2.32. How extraordinary vacancies occur in offices elected by electors

The office of a member of a council as an elector mayor or president or as a councillor becomes vacant if the member —

- (2) *If a member's office becomes vacant under section 2.32 —*
- (a) *after the third Saturday in January in the election year in which the term of the office would have ended under the Table to section 2.28; but*
 - (b) *before the third Saturday in July in that election year,*
- the council may, with the approval of the Electoral Commissioner, allow the vacancy to remain unfilled and, in that case, the term of the member who held the office is to be regarded in section 4.6 as ending on the day on which it would have ended if the vacancy had not occurred.*
- (3) *If a councillor's office becomes vacant under section 2.32 and under subsection (4A) this subsection applies, the council may, with the approval of the Electoral Commissioner, allow* the vacancy to remain unfilled and, subject to subsection (4), in that case, the term of the member who held the office is to be regarded in section 4.6 as ending on the day on which it would have ended if the vacancy had not occurred.*

- (4) *If an ordinary or an extraordinary election is to be held in a district then an election to fill any vacancy in the office of councillor in that district that was allowed to remain unfilled under subsection (3) is to be held on the same election day and Division 9 applies to those elections as if they were one election to fill all the offices of councillor for the district or ward that need to be filled.*

[Section 4.17 amended by No. 49 of 2004 s. 31; No. 66 of 2006 s. 8; No. 17 of 2009 s. 12.]

Strategic Community Plan -

Outcome 1.1 and 1.2 of the Strategic Community Plan

Environment - None.

Precedents - None.

Budget Implications

If Council chooses to hold an extraordinary election, the cost of running the election is subject to confirmation of the form the election will take, that is, in house or postal. If a postal election is agreed then a quote will be sought from the WA Electoral Commission.

No funds are allocated in the 2018/19 budget for an election however, funds could be allocated from the Election Reserve Fund.

Budget – Whole of Life Cost - None.

Council Policy Compliance - None.

Risk Assessment - Low

Officer Comment -

The resignation of Cr. L D Harris requires the Council or the Shire President to consider holding an extraordinary election as required by the Local Government Act 1995, Section 4.9, within one month of the vacancy occurring.

If the President or Council fails to meet the deadline to set a date, the date can be set by the Electoral Commissioner.

Councillor Harris's term of office expires in October 2019.

It is recommended that Council consider a further option, that being to request that the office remain vacant [Local Government Act 1995 S4.17 (3) & S4.17 (4A)(a)] until October 2019 for the following reasons:

- i) The process for writing to the Electoral Commissioner, receiving a response and initiating the election procedures may result in the election occurring in October 2018, leaving only 12 months until the next ordinary election.
- ii) Delaying the election until October 2019 will not create adverse issues for Council.
- iii) As Council has no wards, the people of Dardanup and surrounds are not adversely affected by leaving the office vacant; and
- iv) The additional cost of running an extraordinary election that is not budgeted for.

The WA Electoral Commission has confirmed that the Chief Executive Officer will need to write to the Electoral Commissioner advising of the resignation of Cr Danny Harris and requesting to defer filling the vacancy until the October 2019 ordinary elections, citing section 4.17 (4A)(a) of the LGA 1995.

Council Role - Executive/Strategic.

Voting Requirements - Absolute Majority.

Change to Officer Recommendation

No Change. **OR:**

As per Local Government (Administration) Regulations 1996 11(da) Council records the following reasons for amending the Officer Recommended Resolution:

THAT Council:

- 1. Advise the Electoral Commission of the resignation of Councillor L D Harris;**
- 2. Request the WA Electoral Commissioner that the office vacated by the resignation of Cr. L D Harris remain vacant and Council be authorised to defer filling the vacancy until the October 2019 ordinary elections for the following reasons:**
 - a) The process for writing to the Electoral Commissioner, receiving a response and initiating the election procedures may result in the election occurring in October 2018, leaving only 12 months until the next ordinary election;**
 - b) Delaying the election until October 2019 will not create adverse issues for Council;**
 - c) As Council has no wards, the people of Dardanup and surrounds are not adversely affected by leaving the office vacant; and**

SECRETARIAT COMMENT

This item proposes a number of amendments to WALGA’s Constitution that have been raised or identified since the last governance review and amendments to WALGA’s Constitution in 2016.

Amendment of the Constitution involves a two-step process, as detailed in Clause 29 of the Constitution, as follows:

The Constitution of the Association may be altered, added to or repealed by:

- (1) A resolution at any meeting of the State Council on the receipt of a special majority of not less than 75% of representatives as, being entitled to do so, vote in person or by their deputy representatives; and*
- (2) A resolution at an Annual General Meeting or Special General Meeting passed by a majority of not less than 75% of delegates as, being entitled to do so, vote in person or duly authorize a proxy vote to be exercised on their behalf, provided that:*
 - a. 75% of Ordinary Members who are eligible to vote are present or represented; and,*
 - b. The Chief Executive Officer has given not less than sixty (60) days notice of any proposal to alter, add or repeal the Constitution to all Ordinary Members.*

The proposed amendments were endorsed by a Special Majority at the 4 May 2018 meeting of State Council. Endorsement by a Special Majority at the Annual General Meeting is required for the amendments to come into effect.

This report considers seven issues put forward for Constitutional Amendment, with each issue corresponding to the numbered recommendations, as follows:

- 1. President and Deputy President – Metropolitan and Country Representation*
- 2. President and Deputy President – Rotation of Presidency between Metropolitan and Country constituencies*
- 3. State Councillor Eligibility – Ex-officio Members*
- 4. State Councillor Eligibility – Ministerial Suspension of Council or Councillor*
- 5. Election Procedure – Confirmation that the WALGA President is entitled to vote in elections for the positions of President and Deputy President*
- 6. Change of Name – Local Government Professionals Australia WA*
- 7. Zone Delegate Eligibility – Ministerial Suspension of Council or Councillor*

Issue 1 – President and Deputy President: Metropolitan and Country Representation

An emerging issue was raised at the March 2018 meeting of State Council in relation to the representation of both the Metropolitan and Non-metropolitan constituencies in the positions of President and Deputy President of WALGA.

Following consideration of this issue, State Council resolved as follows:

That an item for decision be prepared for the May 2018 State Council agenda to provide consideration to proposed amendments to the WALGA Constitution and Corporate Governance Charter to ensure representation from both Metropolitan and Country constituencies for the President and Deputy President positions.

Since the formation of WALGA as the single Local Government association in 2001, there has been a convention that the President and Deputy President would be elected from opposite constituencies. That is, if the President is from the country constituency, the Deputy President would be elected from the metropolitan constituency and vice-versa.

This convention has not been challenged or broken in the 17 years since WALGA's formation, although it is possible that State Council could elect a President and Deputy President from the same constituency.

The argument in favour of this Constitutional amendment is that it would ensure that the Deputy President is drawn from the alternate constituency from that of the President, ensuring representation for both constituencies.

The argument against this Constitutional amendment is that it reduces the decision-making function of State Council to elect the 'best person for the job' and, as the convention has not been broken since WALGA's formation, it may not be an issue that requires regulation via Constitutional amendments.

To effect the change, amendments are required to Clause 18 – Deputy President, and to Clause 19 – Vacancy: President and Deputy President.

The following amendment is proposed to Clause 18 – Deputy President, by adding the underlined text as follows:

- (1) *Following determination of the election of the President pursuant to clause 17 of this Constitution, the State Council shall elect a Deputy President from amongst its metropolitan and country representatives, provided the Deputy President represents the alternate constituency to the President elected pursuant to clause 17.*
- (2) *The Deputy President shall be elected by the State Council at the first Ordinary Meeting of State Council of an even numbered year. The Deputy President's term shall commence from the date of election and shall conclude on the day of the first Ordinary Meeting of State Council of the following even numbered year.*
- (3) *Prior to expiration of a term of office, a Deputy President may seek re-election for a consecutive term.*
- (4) *Where a Deputy President seeks and is re-elected for a consecutive term, that person shall not hold office beyond two (2) full consecutive terms.*

The proposed amendment above would sufficiently address the issue for regular, end-of-term elections following the election of a new State Council.

However, where a vacancy arises in the office of President, the election of a replacement President would need to ensure that metropolitan and country representation remains in the two positions. Ensuring continued representation of both constituencies in the event of a

casual vacancy in the office of President could be addressed in one of two ways, both of which have pros and cons.

Either:

- A. The replacement President must be drawn from same constituency as the current President. That is, if the WALGA President is from the country constituency, election of the replacement President for the balance of the President's term must be drawn from the country constituency.*

Or:

- B. The office of Deputy President is declared vacant at the time the election for President is held. This would enable State Council to elect a President from amongst all members with the subsequent election for Deputy President being limited to the alternate constituency.*

Option A – Replacement President from the same constituency – limits the options of State Council in electing a President to half of State Council, the half representing the same constituency as the departing President. While this may be appropriate in some circumstances, it does not necessarily provide State Council with the ability to elect the 'best person for the job'. Secondly, the Deputy President may be an appropriate candidate for the position of President, but would be unable to nominate for the position under this scenario unless they resigned from the position of Deputy President.

Option B – Office of Deputy President declared vacant at election of President – addresses the issues with Option A outlined above in that State Council would be able to elect a President from amongst all State Councillors, including the Deputy President who may be suitable. However, it may not be considered appropriate that the Deputy President loses office due to the resignation or inability of the President to continue in the role.

On the basis that electing a President from amongst all State Councillors is considered the most important criteria, amendments in accordance with Option B have been drafted to Clause 19 – Vacancy: President and Deputy President – by adding the underlined text and amending the numbering as follows:

- (1) If the office of the President becomes vacant or if for any other reason the President is unable to take or hold office at a period which exceeds six months from the date of the next scheduled election for that office, then the State Council shall meet to elect from among their number a President who, subject to this Constitution shall hold the office of President for the balance of the term of the President replaced.*

- (2) Where a vacancy occurs in the office of President at a period which is six months or less from the date of the next scheduled election for that office, the State Council may convene a meeting to elect from among their number a President who, subject to this Constitution, shall hold the office of President for the balance of the term of the President replaced, or the State Council may in its discretion, determine that the vacancy be filled by the Deputy President until the date of the next scheduled election.*

-
- (3) An election pursuant to sub-clause 19(1) or sub-clause 19(2) shall cause the office of Deputy President to be declared vacant immediately prior to the conduct of the election.*

-
- (4) Following an election pursuant to sub-clause 19(1) or sub-clause 19(2) an election pursuant to Clause 19(5) will be conducted for the office of Deputy President from amongst representatives of the alternate constituency to that of the President just elected.*

~~(3)~~(5) *If the office of Deputy President becomes vacant or if for any other reason the Deputy President is unable to take or hold office, then the State Council shall meet to elect from among their number a Deputy President who shall hold the office for the balance of the term of the Deputy President replaced, provided the Deputy President represents the alternate constituency to that of the President.*

~~(4)~~(6) *A State Council representative elected to fill a vacancy of President or Deputy President pursuant to clause ~~18~~19 shall still be eligible for election to a subsequent two (2) full consecutive terms.*

Issue 2 – Rotation of Presidency between Metropolitan and Country Constituencies

Similar to issue 1, above, the Governance and Organisational Services Policy Team of State Council considered the issue of the Presidency of the Association being rotated between the Metropolitan and Country constituencies.

Again, this has been managed since WALGA's formation in 2001 by convention. When a President has retired or stepped down from the role, a representative from the other constituency (often the serving Deputy President) has been elected to the Presidency.

The Governance and Organisational Services Policy Team of State Council requested that the issue of rotating the Presidency between the constituencies on a formal basis through Constitutional amendments be considered.

The Policy Team resolved:

That an item for decision be prepared for the May 2018 State Council agenda to provide amendments to the WALGA Constitution and Corporate Governance Charter to cover the following issues:

- *That the position of WALGA President transfers between the two constituencies following the completion of the incumbent's entitlement to be elected for two full consecutive terms.*

Similar to Issue 1, above, implementation of this concept through Constitutional amendment has pros and cons. While, an amendment of this nature would ensure rotating representation of metropolitan and country constituencies in the office of President, it could also limit State Council's prerogative to elect the 'best person for the job'.

This proposal raises a number of scenarios that are not necessarily simple to deal with through Constitutional amendments. For instance, depending on the amendments to the Constitution, issues could arise if a President resigns part way through a term, or even if a President only completes one two-year term.

For example, if a President from the metropolitan constituency resigned after one two-year term, there would be three possible scenarios:

1. *The country constituency could then have a claim to the Presidency as it would be the country's turn and only State Councillors from the country constituency would be eligible to be elected;*
2. *A replacement President could be elected from the metropolitan constituency as the metropolitan constituency had only held the Presidency for two years (the newly elected President may then expect to be re-elected for a second term, lengthening the reign of the metropolitan constituency to six years, thereby causing further issues); or,*
3. *State Council could elect a President from either constituency, as per current arrangements.*

One option could be to only 'force' the rotation of the Presidency once the President has completed two terms, however this could create an issue if a President resigned part way through their second term as the replacement President would then be 'entitled' to two terms before a constitutionally enforceable rotation of the Presidency.

In the interest of simplicity it is suggested that a new Clause 17A be added to the Constitution to ensure rotation of the office of Presidency no matter the length of time served by the President:

17A – Rotation of Presidency

- 3. At an election for the position of President conducted under sub-clause 17(2), only the incumbent President, subject to complying with sub-clause 17(5), or State Councillors from the alternate constituency to the incumbent President will be eligible to be elected.*
- 4. At an election for the position of President conducted under Clause 19, only State Councillors from the alternate constituency to the incumbent President will be eligible to be elected.*

This would mean, at any election for President, only the incumbent President or State Councillors from the alternate constituency would be eligible to nominate. If the President has retired or has completed two full terms (as per sub-clause 17(5)), only State Councillors from the alternate constituency would be eligible to nominate and be elected.

Issue 3 – State Councillor Eligibility: Ex-officio Members

At the July 2017 State Council meeting, an emerging issue was considered in relation to the continuing eligibility of to serve on State Council following a serious breach of the Local Government Act 1995.

State Council resolved as follows:

That:

- 1. The issue of amending the Constitution relating to State Councillor, ordinary or ex officio, eligibility be considered by the Governance Policy Team;*
- 2. The Policy Team to consider the implications of amending the Constitution so that if any State Councillor, ordinary or ex officio, is found guilty of a serious breach of the Local Government Act 1995, as amended, that person will become ineligible to become or continue as a State Councillor, ordinary or ex officio.*

As per State Council's resolution above, the Governance and Organisational Services Policy Team considered this issue at their March 2018 meeting and resolved as follows:

That an item for decision be prepared for the May 2018 State Council agenda to provide amendments to the WALGA Constitution and Corporate Governance Charter to cover the following issues;

- That if any State Councillor, ordinary or ex officio, is found guilty of a serious breach of the Local Government Act 1995, as amended, that person will become ineligible to become or continue as a State Councillor, ordinary or ex officio.*

Clause 20, sub-clause (e) disqualifies a representative or deputy representative from serving on the State Council if that person is convicted of an offence under the Local Government Act 1995.

To give effect to the Policy Team's recommendation, an amendment is required to clarify that Clause 20 of the Constitution also applies to ex-officio members, with the addition of the underlined text, as per below:

A person shall cease or be disqualified from being a representative or deputy representative on the State Council, or from being President or Deputy President of the Association, or from attending State Council in an ex-officio capacity, if that person:

- (a) Dies;*
- (b) Ceases to be a Councillor of the Ordinary Member;*
- (c) Resigns the position by notice in writing delivered or sent by post to*

- the Chief Executive Officer, and such resignation is accepted;*
- (d) Is a member of State or Federal Parliament;*
- (e) Is convicted of an offence under the Local Government Act 1995;*
- (f) Is permanently incapacitated by mental or physical ill-health;*
- (g) Is absent from more than 3 consecutive State Council meetings;*
- (h) Is a member of a Local Government that ceases to be a member of the Association;*
- (i) Is the subject of a resolution passed by the Zone from which that person was originally elected terminating his or her appointment as a representative or deputy representative of that Zone, except where that person is the subject of any resolution consequent upon his or her being elected President of the Association and in pursuance of sub- clause 17(4); or,*
- (j) Is a Councillor of an Ordinary Member that has been peremptorily suspended under Section 8.15C(2)(c) of the Local Government Act 1995.*

Issue 4 – State Councillor Eligibility: Ministerial Suspension of Council or Councillor

A further issue relating to State Councillor eligibility relates to the suspension of Councils and the proposed amendment to the Local Government Act 1995 to enable the Minister for Local Government to stand down an individual Elected Member.

Currently sub-clause 20(j) of the Constitution states that a State Councillor will not be eligible to be elected or to continue on State Council if “a Councillor of an Ordinary Member that has been peremptorily suspended under Section 8.15C(2)(c) of the Local Government Act 1995.”

It is the opinion of the secretariat that sub-clause 20(j) is too specific as Councils can also be suspended under Section 8.19 of the Local Government Act 1995. Further, if the Local Government Amendment (Suspension and Dismissal) Bill 2018 passes the Parliament, as expected, the Minister for Local Government will also have the power to suspend individual Elected Members.

It is therefore recommended that sub-clause 20(j) be amended to clarify that a State Councillor who is suspended or stood down by the Minister using various sections of the Local Government Act 1995 is not eligible to be elected to, or continue on, State Council, as follows:

A person shall cease or be disqualified from being a representative or deputy representative on the State Council, or from being President or Deputy President of the Association if that person:

- (a) Dies;*
- (b) Ceases to be a Councillor of the Ordinary Member;*
- (c) Resigns the position by notice in writing delivered or sent by post to the Chief Executive Officer, and such resignation is accepted;*
- (d) Is a member of State or Federal Parliament;*
- (e) Is convicted of an offence under the Local Government Act 1995;*
- (f) Is permanently incapacitated by mental or physical ill-health;*
- (g) Is absent from more than 3 consecutive State Council meetings;*
- (h) Is a member of a Local Government that ceases to be a member of the Association;*
- (i) Is the subject of a resolution passed by the Zone from which that person was originally elected terminating his or her appointment as a representative or deputy representative of that Zone, except where that person is the subject of any resolution consequent upon his or her being elected President of the Association and in pursuance of sub- clause 17(4); or,*
- (j) Is a Councillor that has been suspended by the Minister for Local Government under Part 8 of an Ordinary Member that has been peremptorily suspended under Section 8.15C(2)(c) of the Local Government Act 1995.*

Issue 5 – Election Procedure – Confirmation that the WALGA President is entitled to vote in elections for the positions of President and Deputy President

Another clarification that has arisen is to confirm that the incumbent President is entitled to vote in elections for President and Deputy President of WALGA.

The Constitution is clear that the President does not exercise a deliberative vote on matters before State Council (but does have a casting vote if there is an equality of votes), but the Constitution is silent on whether the President is entitled to vote in elections. It has been standard operating practice that the President has voted in elections for the position of President and Deputy President.

Clause 10 – Proceedings of State Council, sub-clause (2) relates to the President's voting and it is proposed that it be amended with the addition of the underlined words, as follows to make clear that the President may vote for office bearer positions:

- (2) Each representative on the State Council shall be entitled to exercise one (1) deliberative vote on any matter considered by the State Council provided that this clause shall not apply to any ex-officio members of the State Council. The President shall exercise a casting vote only, in the event of there being an equality of votes in respect of a matter considered by the State Council but excluding an election held in accordance with Clause 16 in which the President is entitled to a deliberative vote only.

Issue 6 – Change of Name – Local Government Professionals Australia WA

Following the change of name of the Local Government Managers Australia (LGMA) to Local Government Professionals Australia WA it is proposed that the following sub-clauses be amended to reflect the name change:

- 2(1)
- 5(7)(a)
- 9(1)(d)
- 31(4)(b)

Issue 7 – Zone Delegate Eligibility: Ministerial Suspension of Council or Councillor

Similar to Issue 4 above, this amendment proposes that sub-clause 14(4a)(h) be amended to clarify that a Zone delegate who is suspended or stood down by the Minister using various sections of the Local Government Act 1995 is not eligible to be elected to, or continue on, the Zone, as follows:

(4a) The term of a person who is a delegate of a member of a Zone expires when the person:

- (a) dies;
- (b) ceases to be a Councillor of the Ordinary Member;
- (c) resigns the position by notice in writing given to the Ordinary Member who elected or appointed the person as its delegate and the resignation is accepted;
- (d) becomes a member of State or Federal Parliament;
- (e) is convicted of an offence under the Local Government Act 1995;
- (f) is permanently incapacitated by mental or physical ill-health;
- (g) is the subject of a resolution passed by the Ordinary Member who appointed the person as its delegate terminating their appointment as the delegate of that Ordinary Member; or
- (h) Is a Councillor that has been suspended by the Minister for Local Government under part 8 of an Ordinary Member that has been ~~peremptorily suspended under Section 8.15C(2)(e) of the Local Government Act 1995.~~

4.2 Roadside Vegetation – Regulatory Amendments

IN BRIEF

- Motion for regulatory amendments to enable clearing of vegetation close to driveways, road bends and intersections:
- With a view to improving road safety

MOTION:

That the Environmental Protection (Clearing of Native Vegetation) Regulations 2004 be amended to permit clearing or reduction of vegetation:

1. *Within 30m of all farm driveways/gates/entrances; and,*
2. *On road bends and intersections obstructing 'line of sight', be cleared.*

MEMBER COMMENT

Drivers in country area face multiple issues on the roads, not the least of which is entry onto Shire controlled roads from property entrances and side roads. The issues exist not just for the driver on the continuing road, but for the driver attempting to enter.

Sight distances are often obscured, and in hilly terrain or where the road being entered does not provide a reasonable merging distance, entry can be problematic. This is made worse where the roads have curves or crests close to the entry point.

The issues are even worse for slow moving traffic joining a road that has a 110km/hr limit, such as school buses and heavy transport, often requiring the continuing vehicles to brake for a vehicle that has joined the continuing traffic when all indications were that it was safe and appropriate to do so.

The Environmental Protection (Clearing of Native Vegetation) Regulations 2004 are inadequate.

- *Schedule 2 of the Regulations addresses clearing for crossovers from a property, but limits the clearing to what has been previously cleared within the previous 10 years.*
- *Schedule 3 applies to the maintenance of infrastructure.*

The Shire is of the opinion that the proposed change to the Regulations would add significantly to road safety.

4.3 GST Revenue Distribution Share for WA

IN BRIEF

- *WA is under represented in the amount of GST share received.*
- *Seeking WALG's support to advocate for an increase to the GST distribution for WA.*

MOTION:

That WALGA adopts a policy and position as the representative of the WA Local Government section to persistently seek and advocate for an increase of the GST distribution share back to Western Australia.

MEMBER COMMENT

At the Ordinary Meeting on 23 May 2018, the Shire of Donnybrook Balingup Council resolved to support the above motion and present it to the Western Australian Local Government for consideration at the 2018 Annual General Meeting of the Western Australian Local Government Association.

In comparison to other states and territories, Western Australia is underrepresented in the amount of GST revenue share received and remains the only state or territory that receives less than half of the GST it generates. This, in effect, is depriving Western Australia of much needed funds for infrastructure and development.

GST Breakdown State By State 2018-19

<i>State</i>	<i>GST share per dollar</i>	<i>GST share %</i>	<i>Total GST distribution \$m</i>

4.4 Rural, Regional and Remote Community State Government Funding Cuts**IN BRIEF**

- *Concern regarding funding cuts, particularly to education services and infrastructure, affecting rural communities.*

MOTION:

That WALGA express its deep concern to the W.A State Government regarding the continued attack on rural, regional and remote communities in W.A through reducing funding to critical services and infrastructure programs, cuts that disproportionately discriminate against already disadvantaged communities across W.A.

MEMBER COMMENT

In December 2017, Shire of Moora was advised by the Department of Education Director General, Sharyn O'Neill that the Moora Residential College would close at the end of the 2018 school year. The State Government of W.A cited reasoning of commitment to budget repair measures to deliver sustainable growth and an operating surplus by 2020/2021.

Notwithstanding the immediate effect on the Moora community and wider region because of the

decision to close the Moora Residential College, the Shire of Moora is extremely concerned with the State Governments continued attack on rural, regional and remote W.A. communities, many of which are already at serious disadvantage because of isolation and population decline.

As an example, access to education and health infrastructure and services are important to rural, regional and remote communities and greatly enhances their ability to attract residents, workers and businesses.

Access to the full range of health services (including GP's, acute and high care hospital, allied health, aged care, dental care) and educational services (K-12, Childcare, TAFE) becomes a major decision factor for anyone looking to move to a rural, regional and remote community. In the case of Moora, the existing infrastructure and services, including the current education offered at the Central Midlands Senior High School, has featured prominently in many local resident's decision to move to the area. This resonates across many W.A communities.

Funding reductions to key areas of services and infrastructure such as education, health, transport and sewerage augurs to further erode and put at risk fair and equitable access to the very basics of amenity and lifestyle in rural, regional and remotes areas of W.A many of which are experiencing continued population, service and infrastructure decline.

12.4 Title: Request For Upgrade of Tank Street to Enable Additional Carparking Capacity (Dardanup Primary School)

Reporting Department: Engineering & Development Services
Reporting Officer: Mr Mick Saunders – Acting Director Engineering
 & Development Services (Manager Assets)
Legislation: Local Government Act 1995

Overview

- The Dardanup Primary School is progressing with plans to build a carparking facility that will pose no cost to Council.
- The Dardanup Primary School accepts that the Shire of Dardanup will not upgrade Tank Street to accommodate the carparking facility and therefore, Tank Street will remain a gravel road.
- The Dardanup Primary School is requesting that the Shire of Dardanup will maintain Tank Street as necessary to enable access to the new carparking facility.

Background -

At the Ordinary Council Meeting of 18 April 2018, Council was requested to consider a request for financial assistance to construct additional carparking capacity at the Dardanup Primary School.

At that meeting it was resolved [109-18] as follows:

That Council:

1. *Does not contribute funds to the construction of additional car parking facilities for the Dardanup Primary School on the grounds that it does not have the funds in the current budget to contribute to the project.*
2. *Advises the Principal of the Dardanup Primary School that it will reconsider the proposal and its funding as part of the 2018-19 budget deliberations.*

Subsequent to the Ordinary Council Meeting of 18 April 2018, the Dardanup Primary School has created a new layout and is progressing with plans to construct in order to meet the conditions of their grant.

The new layout, as created by the Dardanup Primary School, is shown below –

Council Policy Compliance

The project is not specifically budgeted; therefore any expenditure must be approved by Council.

This request requires reference to Council's Policy not to support cost shifting. That is, the State or Commonwealth Government requiring Local Government to fund services and facilities that are the realm of State or Commonwealth Government.

This request is a variation of cost shifting as the request has come from Dardanup Primary School Principal as a result of the Dardanup Primary School Council and P & C wishing to construct additional carpark facilities and associated infrastructure with the State Government Grant of \$60,000. That is, the request has come from the School rather than the Education Department.

Risk Assessment - Low.

Officer Comment

The Dardanup Primary School has accepted Council's previous decisions that the Shire of Dardanup will not contribute funds to their parking facilities, nor will the Shire of Dardanup upgrade a portion of Tank Street at Council's expense. Accordingly, the Dardanup Primary School accepts that Tank Street will remain unsealed for the foreseeable future.

This report to Council seeks commitment from the Council to perform the necessary maintenance to an unsealed road that will see increased traffic.

If the maintenance works are programmed, they can be effected at the least cost to Council. That is, coordinated with other works in the area to maximise efficiencies.

Should Council choose to provide the initial and ongoing maintenance required, Tank Road can be monitored and upgrading can be considered as part of the future budget deliberations.

12.5 Title: Application for Development Approval – Lot 501 Recreation Drive, Eaton – Signage (Bunbury & Districts Softball Association Inc.)

Reporting Department: Engineering & Development Services

Reporting Officer: Mr Gareth Webber – Planning Officer

Legislation: Planning and Development Act 2005

Overview

Council has received an application for signage to be installed at the Bunbury & Districts Softball Association Pavilion located on Glen Huon Oval. Officers are recommending the proposal be approved subject to appropriate conditions.

Location Plan

Site Plan

Background

Council has received an Application for Development Approval from the Bunbury and Districts Softball Association Inc. (BDSA) for the installation of signage on the western wall and three glass doors of the softball pavilion situated on Lot 501 Recreation Drive, Eaton (Glen Huon Oval). Details of the application are contained in (Appendix ORD: 12.5). The softball pavilion is currently occupied by the BDSA under a lease agreement with the Shire of Dardanup.

All of the proposed signage states in blue and red text: "Bunbury & Districts Softball Association Inc." with the BDSA logo to the left. The proposed signage on the western wall of the softball pavilion is 4.8 metres wide and 1.2 metres high. Three smaller proposed signs will occupy the glass doors on the main southern entrance of the softball pavilion, and the glass doors on the eastern and western entrances of the function room. The main sign will be visible from Council Drive, the Shire administration building and Eaton Fair Shopping Centre.

Officer Comment

In assessing the application, it is noted that the Shire does not have any specific statutory guidance for the installation of signage as proposed. The *Planning and Development (Local Planning Scheme) Regulations 2015* (Regulations) does however have generic provisions against which all Applications for Development Approval should be assessed, with the following considered relevant to the application.

Sch. 2, Pt. 9. Cl. 67 of the Regulations states:

'In considering an application for development approval the local government is to have due regard to the following matters to the extent that, in the opinion of the local government, those matters are relevant to the development the subject of the application:

...

- (m) *the compatibility of the development with its setting including the relationship of the development to development on adjoining land or on other land in the locality including, but not limited to, the likely effect of the height, bulk, scale, orientation, and appearance of the development.*
- (n) *the amenity of the locality including the following –*
 - (i) *environmental impacts of the development;*
 - (ii) *the character of the locality;*
 - (iii) *social impacts of the development.*

In reviewing the proposal against the above relevant provisions, it is considered that the proposed signage is compatible with its setting being a sporting facility and will have minimal impacts on the amenity of the area.

- **Greater Bunbury Region Scheme**

It is noted that previously approved development on Glen Huon Oval has required approval under the Greater Bunbury Region Scheme (GBRS) due to Lot 501 abutting a High School (Eaton Community College).

The Department of Planning, Lands & Heritage (DPLH) was previously contacted in regards to signage applications on land affected by the GBRS, which advised that the ancillary nature of such development does not warrant approval under the GBRS and therefore only approval under TPS3 is required.

- **Lease Agreement**

A lease agreement exists between the BDSA and the Shire of Dardanup for the softball pavilion. Clause 11.4 - *'Signage and Sponsorship'* of the lease agreement states the following:

- (1) *The premises must be known as the Bunbury and District Softball Association Pavilion and must not be amended or known by any other name without the prior written consent of the Lessor.*
- (2) *The naming rights of the Premises and erection of signs at the Premises, are subject to and conditional upon the Lessor's prior written consent.*
- (3) *The Lessor may erect signage from funding organisations at the Premises, in accordance with the requirements of the funding agreement.*

With regard to Clauses (1) and (2) above, it is considered that issuance of a Development Approval from Council represents 'written consent of the Lessor' and as such, minor variations to these clauses as proposed can be modified through this application.

It is recommended that the application for signage on the BDSA Pavilion be approved subject to appropriate conditions.

12.6 Title: Mobile Traders on Eaton Foreshore – Late Expressions of Interest

Reporting Department: Engineering & Development Services

Reporting Officer: Mr Neil Nicholson – Principal Environmental Health Officer

Legislation: Shire of Dardanup 'Activities in Thoroughfares and Public Places and Trading Local Law 2007'

Overview -

Council is requested to assess and approve Mobile Trader permits for the Eaton Foreshore.

Background

The formal Expression of Interest process for mobile traders on the Eaton Foreshore recently closed with only one submission received ('The Healthy Alternative'). This submission was considered at the Council meeting held on 27 June and formally approved to operate for the 2018-19 financial year [208-18].

Council has since received an additional four 'late' expressions of interest. Under Council Policy CP033 '*Mobile Traders on Eaton Foreshore*' an additional two mobile traders can be considered for approval and therefore Council is requested to determine which mobile businesses should be approved for the 2018/19 period.

After the formal Expressions of Interest process for trading at Eaton Foreshore closed with only one application received, Environmental Health Services sent emails to all trader permit holders from 2017/2018, and all mobile food businesses registered with the Shire of Dardanup, advising that there were two remaining trade locations available at Eaton Foreshore. These businesses were advised that applications would be considered on a "first come, first served" basis.

Environmental Health Services undertook the above actions based on the assumption that the Draft Policy CP033 '*Trading on Shire Reserves*' (a revised and updated version of Council Policy CP033 '*Mobile Traders on Eaton Foreshore*') would be considered by Council for adoption prior to the start of the new financial year on 1 July 2018. However, as the new policy has not yet been adopted, consideration of these late applications is required to be in accordance with the current Policy CP033, and the '*Shire of Dardanup Activities in Thoroughfares and Public Places and Trading Local Law*'.

Late expressions of interest have been received from the following applicants:-

Whilst it is noted that advice was given that businesses would be considered on a "first come-first served" basis, officers consider that due to the negligible time difference of several days between receiving submissions, Council should have the opportunity to consider the submissions and determine the preferred applicants.

With regard to the four late submissions that were received to trade at Eaton Foreshore, Council is reminded of the following provisions of Policy CP033:

- a) *In determining applications, Council reserves the right to refuse an application even if less than three permits have been issued for a particular financial year, if Council determines the proposed use is incompatible with the foreshore or of a standard that is unacceptable;*
- b) *If the three (3) trading positions are not all occupied following the expression of interest process, Council can approve an application received outside of the above process, for the remainder of the applicable financial year (expires on 30 June).*

Policy CP033 provides guidance to Council and indicates a maximum of three "Type A" trader's permits can be granted approval, with one permit already approved. A 'Type A' trader is defined as one which involves a considerable amount of equipment and generally refers to a food van or similar.

Council is required to determine whether the applications received are compatible with the foreshore and of a standard that is acceptable, and decide if any applications will be granted for the remaining 'Type A' trading positions at Eaton Foreshore.

CP033 directs Council to have regard to the following criteria in determining applications:-

- Clause 5.5 of the Local Law;
- Benefit to the community;
- Experience of the trader;

- Appearance and quality of the operation and equipment;
- Safety management measures implemented by the trader;
- Risk management measures implemented by the trader; and
- The appropriateness of the activity/ business having regard to pedestrian, patron and vehicular safety within the area.

The quality of the information varied between applicants, with all submitted information contained in (Appendix ORD: 12.6A).

Environmental Health staff have undertaken an assessment of the submissions received against the relevant criteria from CP033 which is provided in (Appendix ORD: 12.6B).

- *Public Liability*

Environmental Health Services have on record details of business insurance for the following applicants:

- *Frosty Boy* (Elders Insurance) expiry 26-03-2019, \$20 million;
- *Mr Whippy* (CGU) expiry 31-08-2018, \$10 million;
- *Bunsen's Burgers* (South West Insurance Services) expiry 30-09-2018, \$20 million;
- *SUP Bunbury* - No records of business insurance are held for this business, however will be required if approved by Council.

- *Certificate of Registration of a Food Business*

Environmental Health Services have on record a copy of the *Certificate of Registration of a Food Business (Food Act 2008)* for:

- *Frosty Boy* (Kelvin Henderson) issued by the Shire of Dardanup;
- *Mr Whippy* (Les and Wanda Mills) issued by the City of Bunbury; and
- *Bunsen's Burgers* (Lana West) issued by the Shire of Harvey.
- As *SUP Bunbury* is not a food business, there is no requirement to hold Registration as a food business.

Legal Implications

All trade activities are to comply with the *Shire of Dardanup Activities in Thoroughfares and Public Places and Trading Local Law*, the *Environmental Protection (Noise) Regulations 1997*, and the *Shire of Dardanup Health Local Laws 2000*.

Strategic Community Plan

Strategy 4.2.4 of the Strategic Community Plan.

Environment - None.

Precedents - None.

Budget Implications - None.

Budget – Whole of Life Cost - None.

Council Policy Compliance

Council Policy - CP033 - 'Mobile Traders on Eaton Foreshore'.

Risk Assessment - Low.

All four of the proposed trade activities are considered to be low impact, and meet the requirements of the Policy. Bunsen's Burgers and SUP Bunbury were approved to trade at the Eaton Foreshore for 2017/18, and no complaints were received regarding their operation. The compressors used by Frosty Boy and Mr Whippy are not expected to breach the Environmental Protection (Noise) Regulations.

Evidence of the applicant holding a minimum of \$10 million public liability insurance has been provided for Frosty Boy, Mr Whippy and Bunsen's Burgers. This will be required for SUP Bunbury before a Traders Permit is issued, and a condition imposed on the Permit requiring insurance to be kept current throughout the period of operation.

Officer Comment

The Principal Parks & Environment Supervisor has indicated his preference for food operators (if approved) to be located in the parking bay on the toilet side of the entry/exit to the Eaton Foreshore carpark as per the following image:

Both ice cream vans (Frosty Boy and Mr Whippy) will fit within a single parking bay at the trade location recommended by the Principal Parks & Environment Supervisor.

Bunsen's Burgers full setup is estimated to be 11m long consisting of a large vehicle towing a trailer, to which a gazebo is attached. It is anticipated that they will occupy a minimum of 2 bays as the towing vehicle will be attached to the food trailer during trade. The gazebo is 20cm wider than the width of the parking bays and therefore may protrude slightly into the access road. Bunsen Burgers have advised they would prefer an alternative location to that recommend by the Principal Parks &

Environment Supervisor, which could potentially be negotiated with the Director Engineering & Development Services if the application is successful.

All food operators are fully self-contained, with electrical generators where required, fresh-water supply and wastewater tanks. There is no need for services to be provided for any of the applicants.

Regarding SUP Bunbury, the Principal Parks & Environment Supervisor has advised that if Council approves SUP Bunbury to operate, the location specified in their previous Trader Permit 2017-18 (reserve area adjacent to beach beside the jetty) is suitable.

In assessing the proposal for SUP Bunbury, officers consider that this operation is slightly different to the other food businesses as it requires minimal and transportable equipment and is set up adjacent to the river and therefore has a reduced impact on vehicle movements, when compared to the food businesses which are required to utilise sections of the carpark. The SUP business utilises a grassed area for the setting up of a gazebo and has a number of paddleboards available for lessons and/or hire.

As such, officers consider that it could be considered to fall under the 'Type B' category of mobile traders under CP033 which is defined as a mobile business that utilises minimal equipment. Under CP033, there are no limitations on the maximum number of this type of mobile trader that can be approved on the foreshore and therefore it is recommended that Council approve this business in addition to a total of three mobile food businesses. This also has the benefit of offering the community a combination of both food related and recreational related services on the Eaton Foreshore.

Voting Requirements - Simple Majority.

*Legislation: Cat Act 2011 & Cat Regulations 2012;
Keeping and Control of Cats Local Law 2014;

Health Local Law 2000.*

Overview

At the Council meeting held on 27 June 2018, Council considered an application from a resident in Dardanup to keep three cats. A motion to approve the application was lost, however Council did not provide reasons for a decision that is contrary to the officer's recommendation as required under the Local Government (Administration) Regulations 1996 11(da).

As such, the matter is being re-presented to Council for further consideration. If Council, resolves to stand by its original decision not to approve the application, it is required to move an alternative resolution to refuse it and provide reasons for doing so, as this will form the basis of consideration if the matter is appealed to the State Administrative Tribunal (SAT) by the applicant.

Site Plan

Background

Council has received an application to keep 3 cats at Unit 4/11 Trusty Place, Dardanup. A copy of the application submitted by the resident is provided in (Appendix ORD: 12.7A).

The subject property is zoned 'Residential' and is approximately 210m² in area. The property is surrounded by similarly zoned 'Residential' properties.

The applicant is requesting to keep the following three cats at the property;

An inspection of the property was conducted by Ranger Services and Environmental Health on 24 April 2018, to ensure compliance with the *Cat Act 2011*, *Cat Regulations 2012*, *Keeping and Control of Cats Local Law 2014*, *Shire of Dardanup Cat Policy – Keeping three or more cats*, and the *Shire of Dardanup Health Local Law 2000*.

During the inspection the following was observed;

- The house and backyard were in a clean and tidy state with no animal waste present. Litter tray located inside house – clean.
- The size of the property is considered adequate in size to cater for the needs of three cats.
- There was adequate shelter and water provided for the cats at all times.
- There was a minor musk (of cats) within the unit, however, it was not overt.
- The cats appear to be clean, healthy in relation to their age, and well cared for.

Photographs taken during the property inspection are provided in (Appendix ORD: 12.7B).

Rangers have been advised by the applicant that the cats are mostly kept indoors, however, one of the cats does enjoy short periods of time outside when the owner is home. The other two cats prefer to stay indoors.

Upon receiving the application, Ranger Services posted letters to seven neighbouring properties. A Consent/Objection Form (Form 99) was provided and it was requested that these be returned to the Shire for assessment.

Five submissions were received as a result of the notifications, with three objecting to the application. Two of the objections were received by the Shire after the closing date for submissions. Copies of all submissions received are contained in (Appendix ORD: 12.7C).

12.8 Proposed Road Name “Ketteridge Street” – Lot 75 Clarke Street, Burekup WAPC 154553 (Burekup Developments Pty Ltd.)

Reporting Department: Engineering & Development Services

Reporting Officer: Miss Alice Baldock – Planning Officer

Legislation: Land Administration Act 1997

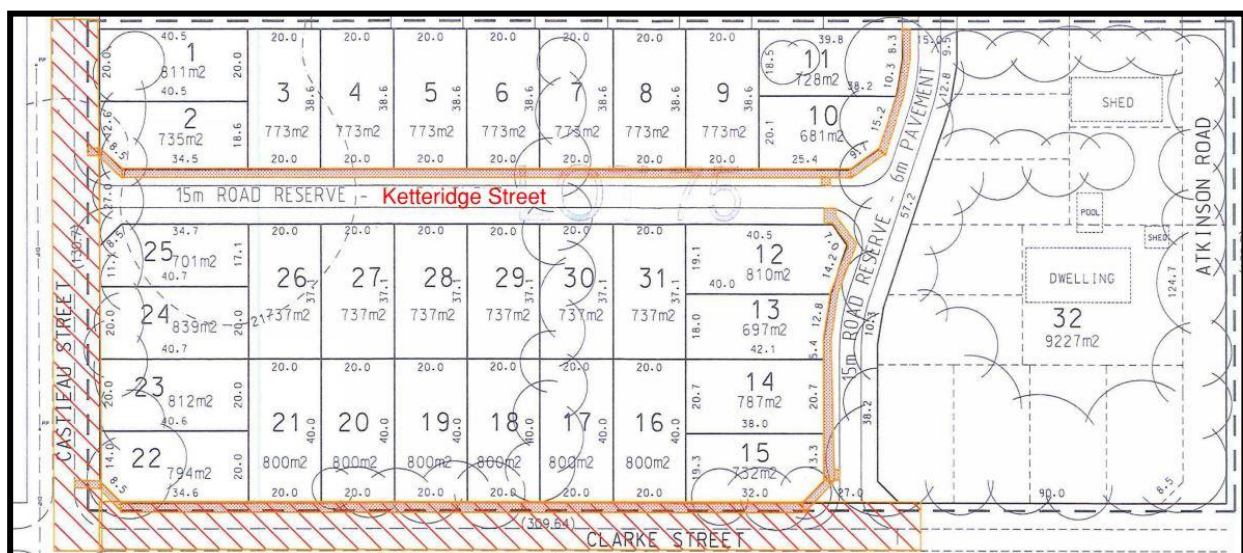

Overview

Council has received a request for the approval for the road name “Ketteridge Street” to be applied to a new road within the residential subdivision of Lot 75 Clarke Street, Burekup. Officers are recommending the approval of the name.

Location Plan

Subdivision / Road Name Plan

Background

A request has been received from Burekup Developments Pty. Ltd. seeking Council approval for the road name “Ketteridge Street” to be applied to a new road within the residential subdivision of Lot 75 Clarke Street, Burekup (WAPC Ref: 154553).

A full copy of the request and Road Name Plan is provided in (Appendix ORD 12.8). The subdivision was conditionally approved by the Western Australian Planning Commission on 20 April 2018 for the creation of 32 residential lots.

In accordance with Section 26A of the *Land Administration Act 1997*, the Local Government is required to approve road name(s), prior to the Geographic Names Committee (GNC) endorsing the proposed name(s).

If the requested name of “Ketteridge Street” is deemed to be unsuitable by either Council or the GNC, the applicant has requested that the road name of “Darlington Street” be supported as an alternative.

Both of the proposed names are contained within the Shire’s pre-approved name register which contains a number of names that have been assessed and determined by the GNC as being suitable for use in the Shire of Dardanup. It is noted that if Council is supportive of the proposed name (or alternative), formal endorsement is still required to be obtained from the GNC.

Legal Implications.

Section 27 of the Land Administration Act empowers the Minister for Lands to authorise the subdivision of State land into lots and determine the width and direction of streets, roads and lanes within such lands.

Section 28 of the Land Administration Act provides for the automatic dedication of roads shown on a certified State subdivisional plan.

The allocation of names to new roads created as a result of a subdivision is formally administered by the Geographic Names Committee (GNC) section of Landgate, with proposed names determined in accordance with the ‘Policies and Standards for Geographical Naming in Western Australia’. This includes the requirement for any proposed names to be first supported by the relevant local government.

Strategic Community Plan

Strategy 3.1.4 and 5.1.6 of the Strategic Community Plan.

Environment - None.

Precedents

Council has previously supported road names that have been pre-approved by the GNC for use in the Shire of Dardanup, at the request of developers.

Budget Implications - None.

Budget – Whole of Life Cost - None.

Council Policy Compliance - None.

Risk Assessment - Low.

Both the proposed road name and proposed alternative have been pre-approved by the GNC and are contained within the Shire's register of road names.

Officer Comment

The Shire currently has a register of road names that has been granted preliminary approval by the GNC for use within the Shire. The register of road names was provided to the applicant to select a road name relevant to the Burekup area. The proposed names of 'Ketteridge' and 'Darlington' are the names of longstanding families in the Burekup/Waterloo district and therefore officers consider them to be appropriate and relevant to the history of the area.

It is recommended that Council endorse the proposed road name(s) and request approval of the road name by the GNC.

In the instance that Council resolves not to support either of the proposed road names, it is recommended that Council resolves to approve at least two suitable alternatives which can be referred to the GNC for endorsement.

Council Role - Quasi-Judicial.

Voting Requirements - Simple Majority

- 3. Approves the use of the road name "Darlington Street" as an alternative if the Geographic Names Committee is not supportive of the proposed name of "Ketteridge Street".**

At the Council meeting held 7 March 2018, Council resolved [56-18] the following:

That Council:

1. *Resolves to adopt Amendment 200 to the Shire of Dardanup Town Planning Scheme No. 3 by:*
 - a. *Rezoning Lot 500 on Plan 410950 from 'Short Stay Residential' to a local reserve for 'Recreation'.*
 - b. *Rezoning part Lot 501 on Plan 410950 from a local reserve for 'Recreation' to 'Short Stay Residential'.*
 - c. *Amending the Scheme Map accordingly.*
2. *Resolves that pursuant to Pt. 5, Div. 1, R. 35 (2) of the Planning and Development (Local Planning Scheme) Regulations 2015 Amendment 200 is a 'standard amendment' for the following reasons:*
 - a. *The amendment relates to a zone or reserve that is consistent with the objectives identified in the Scheme for that zone or reserve;*
 - b. *The amendment has minimal impact on land in the Scheme area that is not the subject of the amendment; and*
 - c. *The amendment does not result in significant environmental, social, economic or governance impacts on land in the Scheme area.*

- **Advertising**

Pursuant to the above resolution, Amendment 200 was referred to the Environmental Protection Authority (EPA) which advised that the amendment is not required to be assessed under the *Environmental Protection Act 1986* (Appendix ORD: 12.9A).

As such, Amendment 200 was advertised for 42 days from 2 May 2018 to 16 June 2018 in accordance with the *Planning and Development (Local Planning Scheme) Regulations 2015* (Regulations) which involved the following:

- Public Notice placed in the South Western Times on 3 May 2018;
- Public Notice displayed on the Shire's website and on-site for the duration of the advertising period;
- Letter correspondence sent to neighbouring landowners; and
- Letter correspondence sent to the following agencies:
 - Department of Planning, Lands and Heritage;
 - Department of Conservation, Biodiversity and Attractions; and
 - Department of Water and Environmental Regulation.

In response to the advertising, three submissions were received with copies of each provided in (Appendix ORD: 12.9B).

The submissions are summarised in the below Schedule of Submissions:

	Submitter	Submitter Comment	Officer Comment
1.	Mary and Brian Groom <i>Full submission attached</i>	No objection.	Noted.
2.	Department of Water and Environmental Regulation <i>Full submission attached</i>	No objection as there is no change to on-ground land use.	Noted.
		1. Advises that if any structures are proposed within the subject lots, previous floodplain management advice remains relevant.	No additional development on the lots is proposed. Future development proposals will need to be referred to DWER for comment.
		2. The previous advice relates only to the land immediately west of the fire station, where this land is a portion of Lot 500 and does not relate to Lot 501 to the north. A minimum habitable floor level of approximately 2.90m AHD is recommended.	The proposal is to rezone this portion of Lot 500 from 'Short stay accommodation to a local reserve for 'Recreation' and therefore no further development is anticipated
		3. Lot 501, which may be subject to future redevelopment, is in the 'remainder of the floodway' and should be referred to the Department for comment regarding flood advice.	Any further proposed development will be referred to DWER for comment.
3.	Department of Biodiversity, Conservation and Attractions <i>Full submission attached</i>	No objection.	Noted.

At its meeting of 13 December 2017, Council agreed to meet 50% of the re-zoning and amalgamation costs associated with this proposal up to a maximum of \$5,000 [316-17]. The applicant has paid 50% of the standard scheme amendment fee as required (\$2,060).

- a) to support the amendment without modification; or*
 - b) to support the amendment with proposed modifications to address issues raised in the submissions; or*
 - c) not to support the amendment.*

As no objections were received during the advertising period, it is recommended that Council supports Amendment 200 without modifications.
