Overview

This report has been prepared for Council to consider the winning art piece of the RCR Mining Technologies (RCR) NAIDOC week art competition being painted in a location within the Shire.

OFFICER RECOMMENDED RESOLUTION

THAT Council:

1. **Acknowledges the winning art piece of the NAIDOC Week Street Art Competition and the winning artist Grace Janowicz.**
2. **Endorses the winning art piece to be painted on the _____ with all costs associated with the project being covered by RCR Mining Technologies.**
3. **Requests a Public Art Plan be submitted for the winning art providing details of the art piece and experience of all artists involved in the painting. If an external wall is selected anti graffiti provisions must be included in the Public Art Plan.**
4. **Accepts the request from RCR Mining Technologies for the runner up's art piece by Melissa Riley be considered on a secondary location within the Shire of Dardanup and requests the Chief Executive Officer present a report to Council regarding a preferred location.**

Change to Officer Recommendation

No Change. **OR:**

As per Local Government (Administration) Regulations 1996 11(da) Council records the following reasons for amending the Officer Recommended Resolution:

Background

Earlier this year, RCR as part of their NAIDOC week art week competition offered to sponsor the winning art piece of their competition at no cost to the Shire as public art somewhere in the Shire of Dardanup. The request was considered by Council at its 26th of June 2024 Ordinary Council Meeting (OCM) where Council resolved as follows:

That Council

- 1 *Accepts the offer from RCR Mining Technologies (Appendix ORD: 14.1A) for the Shire of Dardanup to be involved in their NAIDOC week artwork competition as part of the judging panel and also to identify a possible location within the Shire for the art work to be painted.*
- 2 *Endorses the Chief Executive Officer to nominate an Officer to be part of the judging panel of RCR Mining Technologies NAIDOC week art competition.*
- 3 *Request the Chief Executive Officer presents a report to Council once the winning artwork has been announced for further consideration in terms of location.*

Following the resolution a judging panel was formed which included an Officer from the Shire of Dardanup, Checkmate and Ms Yvonne Garlett an Aboriginal Elder of the community. The competition opened during NAIDOC week and closed on the 31st of August 2024, with a total of six submissions being received.

On the 6th of September 2024, an Officer from the Shire met with Ms Yvonne Garlett, to discuss the six submissions received. Ms Garlett and the Officer from the Shire nominated the top two preferred designs. RCR were advised of the two preferred designs and liaised with the other panel member, Checkmate, to agree on a winner and runner up. On the 18th of September 2024 a winner and runner up were identified by the judging panel.

The winning submission was by artist, Grace Janowicz as below. The submission was nominated as it demonstrated elements that showcased the various connections to the Shire of Dardanup, such as:

- The inclusive and accessible community;
- Aboriginal people and their culture;
- Opportunities on offer (such as events) and sports (Eaton Recreation Centre);
- The new Library which is a community hub;
- The water way (Collie River); and
- The trees (Ferguson Valley etc).

Winning Artwork - Grace Janowicz

It has been requested to the artist that the spelling of Wanju be amended to reflect the spelling the Shire of Dardanup refers to in publications.

Legal Implications - None.

Council Plan

3.1 - Grow participation in arts, culture and community events.

3.2 - Promote and celebrate diversity.

4.1 - Assist young people to reach their potential.

9.1 - Strengthen the vibrancy of our town centres.

Environment - None.

Precedents

Council has previously engaged artists to paint murals on other public infrastructure. Council has also previously accepted sponsorships from various private companies

Budget Implications

RCR will cover the full cost of the artwork through their annual NAIDOC week competition for the winner's artwork to a value they have agreed to with the artist.

In terms of the secondary location, there is adequate funds to contribute to the proposed project through the Public Art allocation for 2024/25.

Budget – Whole of Life Cost

As per Council Policy *SDev 509-Public Art Policy*:

'Murals painted on building walls are not recorded as separate assets, but may be included in the original building construction/upgrade or maintenance painting costs.'

As such, if the mural is painted on a Shire owned building, the artwork will form part of the Shire's Building Asset Management Plan to be considered in the ongoing maintenance costs.

Council Policy Compliance

SDev CP509 - Public Art Policy

Risk Assessment

The Risk Management Governance Framework has been considered in arriving at the officer recommendation. Please refer to (Appendix ORD: 12.2.1A) for full assessment document.

TIER 2 – 'Low' or 'Moderate' Inherent Risk.	
Risk Event	NAIDOC Week - RCR Mining Technologies – Winner Notification and Location of Artwork
Inherent Risk Rating (prior to treatment or control)	Low (1 - 4)

TIER 2 – ‘Low’ or ‘Moderate’ Inherent Risk.		
Risk Action Plan (treatment or controls proposed)	As the Inherent Risk Rating is below 12, this is not applicable.	
Residual Risk Rating (after treatment or controls)	As the Inherent Risk Rating is below 12, this is not applicable.	
Risk Category Assessed Against	Reputational	<p>If the request is not supported, there is risk that the Shire can be viewed as to not upholding their initial agreement to display the artwork. Could damage further collaboration efforts.</p> <p>Could fracture the relationship the Shire has with Aboriginal and Torres Strait Island people.</p>

Officer Comment

There are several locations Officers have identified that the winning art piece could be displayed upon for Council consideration. These are as follows, which also includes the external Shire Administration wall which was referenced as a potential option for Council to consider.

- Internal Opportunities for Mural location*

Shire of Dardanup Administration Building
Library Wall, children's area.

Shire of Dardanup Administration Building
Library Wall - West Wing

- *External Opportunity for Mural location*

External Wall of Eaton Recreation Centre Option 1 & 2

If Council endorse a wall to be used for the winning art piece RCR have advised that the execution of the painting at the designated location will be overseen by CheckMate Design and Art Studio representative to ensure that the quality and representation is at a level that such a prestigious location demands. RCR welcome oversight in this by a representative of the Shire should this be required by Council.

Officers consider that if Council resolve to support any of the above locations the painting be subject to a *Public Art Plan* which provides the Shire with an understanding of how the art piece will appear in addition to experience and qualification of the artist and CheckMate design and Art Studio. If an external wall is selected the plan must also include anti graffiti provisions.

- *Runner Up*

This year's competition saw a runner up announced for the first time. This piece was completed by local Noongar Artist, Melissa Riley. Melissa Riley was also the appointed Noongar Artist for the Reconciliation Action Plan mural. Melissa's piece displayed many connections to the community, specifically within the Shire of Dardanup as can be seen below:

As this is the first time a runner up was announced, RCR presented a further opportunity to work with the Shire to further celebrate the art piece (Appendix ORD: 12.2.1B). As such, RCR have requested Council identify a secondary location for this art piece and to contribute funds towards a portion of the cost to have the art piece painted, placed or constructed as a standalone piece at an agreed location.

In terms of the location, Officers consider there is merits to the request as a way to further celebrate NAIDOC week. However, no secondary location has been considered as yet. If Council seek to entertain this request, Officers will investigate this further and prepare a report to Council at its December 2024 Ordinary Council Meeting, to consider a location for the artwork and also costings associated with the process.

Change to Officer Recommendation

No Change. **OR:**

As per Local Government (Administration) Regulations 1996 11(da) Council records the following reasons for amending the Officer Recommended Resolution:

Background

The Guidelines for Planning in Bushfire Prone Areas seeks to ensure Local Governments take a coordinated approach to managing the impacts of a bushfire upon a locality when considering plans of subdivision or a Local Structure Plan (LSP).

The Guidelines comprise of four (4) criteria for a proposal to be assessed against to ensure the most effective approach to the management of bushfire impacts on lives, homes and infrastructure. Element 4 of this criteria specifically refers to ensuring an adequate water supply is provided when a Local Government considers a proposal to increase the population either through a subdivision application or LSP within non-reticulated water areas. Ultimately It provides for the following two (2) options for Local Governments to consider in ensuring an adequate water supply:

- The requirement of 10,000L tank per site created; or
- The placement of a 50,000L strategic water tank.

The preferred option is at the discretion of the Local government with consultation with the local emergency services. As such, this policy provides direction to assist developers in understanding when the Shire will require individual water tanks be provided on individual lots for bushfire fighting purposes or when the Shire will require a strategic water tank be placed within the locality to be utilised by emergency services.

Legal Implications - None.

Council Plan

8.1 - Support responsible planning and development.

8.2 - Advocate for adequate utility infrastructure to support a growing community and economy.

Risk Assessment

The Risk Management Governance Framework has been considered in arriving at the officer recommendation. Please refer to (Appendix ORD: 12.2.2B) for full assessment document.

TIER 3 – ‘High’ or ‘Extreme’ Inherent Risk.		
Risk Event	Council Policy for the provision of Strategic Water Tanks for Firefighting Purposes in Non-Reticulated Areas	
Inherent Risk Rating (prior to treatment or control)	High (12 - 19)	
Risk Action Plan (treatment or controls proposed)	Ensure the installation of Strategic Water Tanks to be completed and operational. Consider and adopt the policy	
Residual Risk Rating (after treatment or controls)	Moderate (5 - 11)	
Risk Category Assessed Against	Financial	The risk of people losing their properties.
	Service Interruption	Water tank may be out of order or no water in it.
	Reputational	A lack of policy can create insecurity to the public whether their properties can be protected against bushfire.
	Environment	Uncontained, reversible impact managed by a coordinated response from external agencies
	Property	Significant damage requiring internal & external resources to rectify.

Officer Comment

Council recognises the value to emergency services that is dependent on reliable water sources for firefighting purposes. With the increasing population in the Shire it is at the discretion of the Shire and local emergency services to ensure the water needs for firefighting is understood.

The objectives of this Policy are to:

- Promote and a well-developed network of strategic water tanks for firefighting within the Shire.
- Ensure that water supply within a locality is sufficient to cater for an increasing population when a subdivision application or Local Structure Plan is proposed.
- Ensure the impact of a bushfire on lives, homes and infrastructure within a locality is managed by the provision of an adequate supply of water being made available for firefighting purposes.

The key provision of the draft policy is to provide developers direction on when the Shire will require strategic water tanks to meet Element 4 of the Guidelines for Planning in Bushfire Prone Areas or require individual water tanks to be supplied on the lot.

The requirements of the policy are as follows:

PLANNING APPLICATION	Rural Small Holding Zone
Structure Plan / Subdivision: Creation of 1-2 lots	10,000L tanks per lot.
Structure Plan / Subdivision: Creation of 3-24 lots	10,000L tanks per lot, unless in the opinion of the local emergency services an additional water supply in the form of a strategic water tank will better manage the threat of a bushfire on lives, homes and infrastructure.
Structure Plan / Subdivision: Creation of 25-37 lots	50,000L strategic water tanks
Structure Plan / Subdivision: Creation of more than 37 lots	2 x 50,000L strategic water tanks

1. Existing strategic water tanks within 10 minutes of a subject site cannot be considered to meet Element 4 of the Guidelines where it already services 25 lots or more or in the opinion of the local emergency services that the water has been fully allocated.
2. Where a strategic water tank is required this will need to be shown on a Local Structure Plan and or Subdivision Guide Plan.
3. The installation of strategic water tanks will need to be completed and operational at the time of the request for clearance of the subdivision.
4. The strategic water tanks should be designed by a qualified and registered civil engineer in consultation with the Bush Fire Service Regional Officer

Conclusion

Shire officers recommend Council considers and adopts the draft Council Policy for the provision of Strategic Water Tanks for Firefighting Purposes in Non-Reticulated Areas.

Overview

The purpose of this report is to provide Council with the findings of a review undertaken of the existing dog exercise area within the Shire. The review was undertaken due to community complaints received regarding the alleged non-compliant use of these areas by dog owners.

OFFICER RECOMMENDED RESOLUTION**THAT Council:**

1. **Notes the outcomes of the review of the existing dog exercise areas within the Shire of Dardanup as contained within (Appendix ORD: 12.3.3A).**
2. **Endorses the placement of additional signage around the Burekup Oval as follows:**
 - a) **Notifying the community that the oval is an on-lead exercise area only;**
 - c) **The Burekup Oval is an onlead area, except when used by the School or sporting activities, at which time dogs are prohibited; and**
 - c) **The Burekup school has priority use of the oval between 8:00am - 4pm on weekdays.**
3. **Endorses the placement of additional signage at Millbridge Reserve notifying the community that dogs must be on-lead within the playground area.**
4. **Designates the football oval within the Glen Houn Reserve an off lead dog exercise area between 4:30pm and 7:30am when the area is not being used for sporting or school activities, for a period of 12 months from the 1st of December 2024 until the 30th of November 2025, and authorises the Chief Executive Officer to replace existing signs around the oval to notify the change to the community.**

Change to Officer Recommendation

No Change. **OR:**

As per *Local Government (Administration) Regulations 1996 11(da)* Council records the following reasons for amending the Officer Recommended Resolution:

Background

Council at its Ordinary Council Meeting (OCM) held on the 23rd of July 2014 resolved to specify seven (7) dog exercise areas in the Shire with the following restrictions pursuant to Section 31 (3A) of the *Dog Act 1976*, as outlined below:

Area	Recommendation
<i>Eaton Foreshore Reserve (Collie River Bridge to Foster Street)</i>	<i>Dog exercise area between 7.00pm and 10.00am daily.</i>
<i>Hunter Park Millbridge (off Hunter Circle)</i>	<i>Dog exercise area between 7.00pm and 10.00am daily.</i>
<i>Leicester Reserve, Eaton (off Leicester Ramble)</i>	<i>Dog exercise with no time restrictions.</i>
<i>Watson Street Reserve</i>	<i>Dog exercise area with no restrictions</i>
<i>Wells Recreation Park Lot 55 Ferguson Road, Dardanup.</i>	<i>Dog exercise area with no restrictions</i>
<i>Burekup Reserve Lot 107 Gardiner Street</i>	<i>Dog exercise area with no restrictions</i>
<i>Lofthouse Park (Reserve 42368) Lofthouse Avenue, Eaton</i>	<i>Dog exercise area between 7.00pm and 10.00am daily.</i>

Following a series of complaints relating to the utilisation of these exercise areas, Officers in 2020 undertook a review of the exercise areas to ensure they were meeting the changing needs and demographic of the community.

Following the review undertaken, Officers presented a report to Council at its 30th September 2020 Ordinary Council Meeting recommending several restrictions being imposed on existing designated exercise areas and the designation of three (3) more exercise areas. Council resolved amongst other things as follows:

That Council:

- 1 Resolves that pursuant to Section 31(3A) of the Dog Act 1976, the following areas are specified as dog exercise areas with corresponding time restrictions*

Area	Recommendation
<i>Eaton Foreshore Reserve (Collie River Bridge to Boat Ramp Carpark West)</i>	<i>Dog exercise area with no time restrictions.</i>
<i>Eaton Foreshore Reserve (Graham Street (East) to Foster Street)</i>	
<i>Eaton Foreshore Reserve (Boat Ramp Carpark (West) off Graham Street)</i>	<i>Signage - Dogs must be on held leash in Playground and BBQ area at all times.</i>
<i>Hunter Park Millbridge. (off Hunter Circle)</i>	<i>Dog exercise area between 3.00pm and 10.00am daily.</i>
<i>Leicester Reserve, Eaton (Off Leicester Ramble)</i>	<i>Leicester Wetlands through to Watson Street Reserve - Dog exercise area with no time restriction.</i>

<i>Area</i>	<i>Recommendation</i>
	<i>Proposed Possum Sanctuary - Dogs Prohibited.</i>
<i>Watson Street Reserve</i>	<i>Dog exercise area with no time restrictions.</i> <i>Signage - Keep dogs out of bushland.</i>
<i>Wells Recreation Park 55 Ferguson Road, Dardanup</i>	<i>Dog exercise area with no restrictions unless area is used for team games, training and or events, where dogs must be on held leash.</i>
<i>Burekup Reserve Lot 107 Gardiner Street</i>	<i>Dog exercise area with no restriction.</i>
<i>Lofthouse Park (Reserve 42368) Lofthouse Avenue Eaton</i>	<i>Dog exercise area between 3.00pm and 10.00am daily.</i> <i>Signage - Dogs on held leash in playground area at all times</i>
<i>Millbridge Reserve (R50867) Lot 2019 Millbridge Boulevard)</i>	<i>Dog exercise area with no restrictions.</i>
<i>Glen Houn Reserve (oval (football)) and softball field)</i>	<i>Dog exercise area with no restrictions unless area is used for team games, training and or events, where dogs must be on held leash.</i>
<i>Glen Houn Reserve Grassed Area (East)</i>	<i>Grassed area (East) – Dog exercise area between 4.00pm and 7.30am weekdays only.</i>

Since this resolution was made, several concerns have been raised regarding the compliance of dog owners with the above restrictions and the appropriateness of dogs in playgrounds. Concern by the community were elevated to Council on its 24th April 2024 Ordinary Council Meeting.

Considering the complaints received, and as is good practice to undertake a review of exercise areas every 5 years to be able to understand the needs of the community, Officers have undertaken a further review of the exercise areas considering the following:

- Adequacy of existing signage;
- Utilisation of exercise areas;
- Infringements issued; and
- General behaviour of dog owners complying with restrictions.

The report provides Council with a six (6) week review of the existing dog exercise areas undertaken by Officers. The review was based on random visits to the dog parks to monitor the behaviour of owners and dogs against the respective rules/restrictions.

Legal Implications

The Dog Act 1976 requires the Council to consider and approve any changes to the dog exercise areas or places where dogs are prohibited.

Dog Act 1976 –

s31. Control of dogs in certain public places

(a) at all times; or

(b) at specified times.

(3A) A local government may, by absolute majority as defined in the Local Government Act 1995

section 1.4, specify a public place, or a class of public place, that is under the care, control or management of the local government to be a dog exercise area.

(3C) *At least 28 days before specifying a place to be —*

(a) a place where dogs are prohibited at all times or at a time specified under subsection (2B); or

(c) a dog exercise area under subsection (3A); or

(d) a rural leashing area under subsection (3B),

a local government must give local public notice as defined in the Local Government Act 1995 section 1.7 of its intention to so specify.

(5) *A local government must specify under subsection (3A) such dog exercise areas as are, in the opinion of the local government, sufficient in number, and suitable, for the exercising of dogs in the district.*

Council Plan

1.1 – Support the community to feel safe while using Shire facilities and public spaces.

1.2 - Encourage responsible animal management.

Environment - None.

Precedents

The allocation of Dog Exercise Areas was considered by Council at its Ordinary Council Meeting held 23rd of July 2014 (Res: 231-14) and at its Ordinary Council Meeting held on 30th of September 2020 (Res: 266-20).

Budget Implications

A budget provision exists in the 2024/25 Annual Budget for Animal Management Expenditure.

The budget implication would be tied to additional signage being placed onsite within various exercise areas to better inform the community of the restrictions of use.

Budget – Whole of Life Cost - None.

Council Policy Compliance - None.

Furthermore, there did not appear at the time of the review to be behaviour that caused concerns for Rangers. Owners were collecting waste, and the dogs appeared to be under effective control.

More broadly however, the Shire of Dardanup has received complaints from the Burekup School regarding their oval being used at times as an off-lead exercise area. The oval can be used as an on-lead area, however, outside the school hours of 8:00am to 4:00pm. The oval could benefit from additional signage ensuring users are aware of the on-lead requirement and of the priority use of the school.

Officers however, observed that there was a dog in the playground area which was off lead which is not permitted. One warning was also issued as well as there was a dog off lead outside the permitted times.

Officer Recommendation

Officers consider the occurrence of non-compliant behaviour was minimal and does not warrant any new additional signage to be placed onsite to further inform users of the restrictions. Officers however, consider that more educational material being made on the Shire's website to inform the community on the relevant restrictions with the various dog exercise areas within the Shire.

Millbridge Reserve Signage

Officer Recommendation

Notwithstanding the compliant behaviour demonstrated through the period of the review, Officers consider there should be signage in place advising owners that dogs cannot be in the playground area in an off-lead manner.

Kalgulup Regional Park (Lot 9503 Leicester Ramble, Eaton)

The site is generally zoned as Regional Open Space in the Greater Bunbury Regional Scheme. It falls within the Kalgulup Regional Park Management Plan (the Management Plan) which was prepared by the Department of Biodiversity, Conservation and Attractions (DBCA) with assistance from the State Government and the Shire of Dardanup. The Management Plan was endorsed by Council at its April 2021 Ordinary Council Meeting.

The Management Plan designates various areas of the Regional Open Space (ROS) to be retained for various purposes and the authority responsible for managing the various areas of the ROS as depicted in the below image.

Kalgulup Regional Park Management Plan

Within the Management Plan the Shire of Dardanup's preferred site for a fenced dog exercise area has been identified and supported by the State Government. However, there has been some complexities with gaining the required tenure for the dog exercise area to be developed.

Officers have been able to establish that the State Government, compensated the owner under Section 180 of the Planning and Development Act 2005, for the area being included in a Regional Open Space Reserve, however the State Government has not yet purchased the land from the private landowner. This will require further compensation from the State Government before the land can be transferred through the appropriate vesting's to the various government bodies. As such, the progress associated with developing the dog exercise area will be delayed until such time as the State Government purchases the land from the current owner.

Staff will continue to advocate to the State Government to have the land to be transferred to the Shire as soon as possible to allow the exercise area to be delivered and so that the Regional Open Space can be better managed more broadly by the relevant government bodies.

- Summary of Findings – Glen Houn Reserve

The yellow bordered area is an off lead dog exercise area between 4pm-7:30am weekdays. Outside of this time dogs must be on lead. In terms of the football and softball oval, dogs can be exercised within these areas in an on-lead manner.

Currently there are seventeen (17) signs located around the 2 ovals to identify that dogs are permitted on the play surfaces with dog on a lead at all times.

Following the review however, Officers consider there may be merits in having the football oval being used as an off-lead area as it is fenced and provides an enclosed area to ensure dogs don't escape onto roads and into the neighbouring playground. Officers do not support changes to the existing softball oval restriction.

Glen Houn Reserve Signage

Officer Recommendation

Officers recommend that the football oval be made available as a dog exercise area when the oval being used for sporting or school activities as it provides an enclosed area for dogs to exercise. As such it is recommended that Council consider making the Glen Houn Oval a restricted off lead exercise area between 4pm and 7:30am, when the area is not being used for sporting or school activities. Officer recommend that this be run for a trial period of 12 months from December 2024 until 30 November 2025, and for a report to be presented back to Council in December 2025 regarding the outcomes of the trial.

Conclusion

Generally, the review revealed a high level of compliance with the imposed restrictions for the respective dog exercise areas. Officers have recommended changes to various exercise areas to better inform the community of the restrictions in using the exercise area.

Change to Officer Recommendation

No Change. **OR:**

As per Local Government (Administration) Regulations 1996 11(da) Council records the following reasons for amending the Officer Recommended Resolution:

Background

The BGGC consists of the City of Bunbury and Shires of Dardanup, Capel, Harvey, Donnybrook-Balingup and Collie, the region is home to a current population of approximately 110,000 people within six (6) local government areas and 15 townsites.

The BGGC was established in 1998 to promote regional cooperation and resource sharing. The local governments within the BGGC have all signed a Memorandum of Understanding (MoU), the most recent being the revised MoU in July 2024. The MoU outlined the objectives, regional purposes, and the framework for ongoing and new projects and services.

More recently, with upcoming State elections in mind and various grant streams open to Local Governments towards sport and recreation facilities, the BGGC agreed to pursue the preparation of a South-West Regional Sports and Recreation Strategy 2025-2050. The Strategy will provide for a more strategic/collaborative approach to identifying and ensuring the region has the required sporting and recreation infrastructure to service the growing population in the South-West.

The Strategy will be based on existing local sporting strategies undertaken prepared by the respective Local Governments and will importantly include a priority model to assist in the identification, assessment and prioritisation of regional infrastructure required. This also seeks to remove competing interests between the Local Governments. The Strategy will also identify available funding streams to support any outcomes/priorities raised within the Strategy.

Legal Implications

The BGGC is subject to a MoU. The recently revised and approved MoU is a non-binding agreement, meaning it does not create legally enforceable obligations for the participating Local Governments. However, it outlines the mutual understanding and intentions of the Local Governments collaborate and share resources. The MoU is consistent with relevant legislation, such as the Local Government Act 1995 and the Local Government (Administration) Regulations 1996

Local Government Act 1995

3.1. General function

- (1) *The general function of a local government is to provide for the good government of persons in its district.*

 - (i) *to promote the economic, social and environmental sustainability of the district; and*
 - (ii) *to plan for, and to plan for mitigating, risks associated with climate change; and*
 - (iii) *in making decisions, to consider potential long-term consequences and impacts on future generations;*
 - (b) *the need —*
 - (i) *to recognise the particular interests of Aboriginal people; and*
 - (ii) *to involve Aboriginal people in decision-making processes;*
 - (c) *the need to consider collaboration with other local governments.*

Council Plan

Environment - None.

Precedents

There is precedent for the Bunbury Geographe Group of Councils working together successfully on joint infrastructure projects, shared services, and community programs, demonstrating the benefits of collaboration, and providing a strong foundation for the revised MoU.

Budget Implications

Council holds funds in a Municipal Liability Account on behalf of the Bunbury Geographe Group of Councils. The balance as at 31st of October 2024 is \$59,532 (reference TST04). In approving the unbudgeted expenditure, there is no net impact on the budgeted end of year surplus.

Officer Comment

The Shire of Dardanup on behalf of the BGGC, facilitated the procurement process to acquire the services of a suitable qualified consultant to undertake the Strategy. The scope of works to undertake the project was based on the following:

- Review of existing and informing documentation including relevant local Sport and Recreation Plans, and/or facility plans.
- Undertake and coordinate consultation with the relevant local governments and key stakeholders to identify the needs and aspirations of the regional level or specialised clubs and groups to clearly ascertain and determine the current and future needs for regional level and specialised provisions.

- Detailed findings, priority recommendations and a funding action plan to support the outcomes of the Strategy.

At the end of the request period, two (2) submissions were received Otium (Confidential Attachment A), and Inside Edge (Confidential Attachment B – Under Separate Cover).

Following receipt of the submissions, Officers undertook an evaluation (Confidential Attachment C – Under Separate Cover) of the qualified consultant to present to the BGGC. The BGGC, based on the evaluation, selected Otium Sport -Leisure-Communities as their preferred consultant to undertake the Strategy. The draft Councillor Council Meetings Planner 2025 [Confidential Attachment A – Under Separate Cover] shows the visual pattern of the monthly forums and meetings. These are as follows:

- First Wednesday - Chief Executive Officer Concept Forum to be scheduled as required.
- Second Wednesday - Workshops or other meetings to be scheduled as required. Committees or other meetings to be scheduled.
- Friday following Second Wednesday – Agenda Forum Document is delivered to Councillors. This document will be the agenda items and corresponding appendices that will be presented to Council at the upcoming Ordinary Council meeting.
- Third Wednesday – Agenda Forum to take place where elected members can ask for further information to be presented within the Agenda document and ask questions of officers. It is important to note that agenda items will not be ‘discussed’ this is a forum only and the discussion of agenda items will only take place at the Ordinary Council Meeting where public can be in attendance. This ensures transparency in the meeting process.
- Friday following Third Wednesday – Delivery of the Ordinary Council Meeting Agenda to Councillors and placed on the website for the public.
- Fourth Wednesday of month – Ordinary Council Meeting.

This process allows for the final OCM Agenda to be sent out without the need for late information. It is noted that at times late information will need to be presented, but this will be at the discretion of the Shire President and Chief Executive Officer. It is also to be noted that consideration has been taken to ensure that Councillors that require to work away for a period of time have their roster considered when choosing the Meeting dates. Staff have reviewed this and can confirm the current meeting schedule only affects two months.

- Christmas /New Year Break – Office Closure

In 2022/23 Council authorised the Business Closure dates to be for a two week period beginning from close of business on Thursday, 22nd of December 2022 until reopening date of Monday, 9th of January 2023. With this occurring again in 2023/24 with Council authorising a closure to occur from close of business on Friday 22nd of December 2023 until reopening date of Monday, 8th of January 2024.

This 2024 closure will be applicable to the:

- Eaton Administration Centre;
- Dardanup Administration Office;
- Eaton Library;
- Mick Bennett Make It Space; and
- Shire of Dardanup Depot.

Staff that did not have adequate leave accruals and would be adversely affected by the closure still attended the workplace. There were minimal staff in attendance and no complaints received from the public in relation to the business closure period. Adequate advertising of office closure times was provided.

Council's consideration of repeating the longer break and closure of Shire facilities is requested on an ongoing basis, allowing staff to have a longer break and return to work refreshed and motivated for the New Year.

The net change-over is budgeted at \$23,220 per vehicle. Assuming Council will achieve the trade-in sale price budget estimates, the estimated actual net change-over due to the increase in purchase price is \$5,297 per vehicle (5) changeover totalling \$26,485 above budget.

The below table shows the impact of **all** budgeted amounts in 2024/25 Annual Budget for the *Executive & Compliance Vehicle Reserve Account*:

Officer Comment

As part of the RFT process, quotations were sought through Tenderlink for the acquisition of the vehicles. The trade-in process will take place closer to the timing and delivery of the new vehicles and in accordance with *Exec CP203 Light Vehicle Fleet Policy* which provides that the purchase and replacement/changeover of vehicles can be administered through one of the following methods:

1. Public Tender or Quotation inviting outright purchase of a new vehicle.
2. Public Tender or Quotation inviting the purchase and trade-in of an existing vehicle.

3. Online Auction - Upstream Vehicle Remarketing Solution (ie: Autorola, etc) where the disposal of existing vehicles is managed by an external service provider. Through this process the vehicle is disposed of via an online auction.

Option 1 and 3 were chosen for the acquisition and disposal of the five (5) vehicles. This newly developed process is the first occurrence for the Shire of Dardanup in choosing Option 3 for the Trade In process. Should a staff member express interest in purchasing a vehicle that is due to be sold by Council, Council will arrange for two (2) purchase valuations, either with two local dealers or one local dealer and Autorola. The staff member must agree to pay the amount equivalent to the highest valuation received for the sale to proceed, with statutory advertising to be undertaken of the proposed disposition where required.

- Statement of Financial Activity by Nature – including Net Current Assets (liquidity)
- Statement of Comprehensive Income by Program
- Statement of Financial Position
- Notes to the Statement of Financial Activity:
 - * Note 1 Statement of Objectives
 - * Note 2 Explanation of Material Variances
 - * Note 3 Trust Funds
 - * Note 4 Reserve Funds
 - * Note 5 Municipal Liabilities
 - * Note 6 Statement of Investments
 - * Note 7 Accounts Receivable (Rates and Sundry Debtors)
 - * Note 8 Salaries and Wages
 - * Note 9 Rating Information
 - * Note 10 Borrowings
 - * Note 11 Budget Amendments

The Statement of Financial Activity shows operating revenue and expenditure by Nature, as well as expenditure and revenue from financing and investing activities - comparing actual results for the period with the annual adopted budget and the year-to-date revised budget. The previous year annual results and current year forecasts are also included for comparative information.

The Statement includes the end-of-year surplus brought forward from 2023/24. When the 2024/25 Budget was adopted in June 2024, this surplus was estimated to be \$652,816. At the time of preparing this report, the actual surplus is recorded at \$684,594. The annual accounts for 2023/24 financial year are in the final stages of preparation and are subject to final audit of the annual financial statements*.

As at the reporting date, Officers forecast the end of year surplus at 30th of June 2025 to be \$349,190, against an adopted end of year budget of \$506,246. The end of year surplus adjustment is based on known variances in actual performance to date and estimates for the remainder of the year based on current trends and is summarised as follows:

- Surplus Increase of \$31,778 due to an adjustment of the opening year Surplus as of 1st July 2024 from the budgeted amount of \$652,816 to actual \$684,594*
- Surplus Decrease of \$26,096 due to increased expenditure, being a Council Contribution of \$25,150 towards the upgrade of the Ferguson Bushfire Brigade and \$946 contribution to install the bore at the Waterloo Bushfire Brigade per OCM 28.08.24 CR 219-24
- Surplus Decrease of \$218,842 relating to the Eaton Recreation Centre Painting. This amount is the reclassification from Capital Expense to Operating Maintenance Expense (J11801 to J11410), which will be funded from general funds (maintenance expenditure is funded from General Revenue, whereas Capital Expenditure is funded from the appropriate Capital Reserve Account/s)
- Surplus Decrease of \$52,132 representing a net adjustment comprising; a decrease of \$126,135 FAG funds, budgeted to be received in 24/25 now expected to be received in 25/26, an increase

of \$133,506 being an increase in Local Road Grant funds originally budgeted for receipt in 25/26 but now expected in 24/25, an overall decrease of \$59,503 from movements in FAG General Purpose and LGGC Local Road Unspent Reserves

- Surplus Increase of \$20,000 due to the Sale of Lot 31 2 Sanford Way, initially budgeted to be \$730,000 against the actual net proceeds of \$750,000 (\$770,000 less settlement cost \$20,000); and
- Surplus Increase of \$87,600 as a result of the periodic review of various Fees & Charges, conducted on 31/10/2024.

Note 2 – Contains explanations for items with a material variance. Actual values for the year-to-date are compared to the year-to-date budget to present a percentage variance as well as the variance amount. The minimum level adopted by Council to be used in the Statement of Financial Activity in 2024/25 for reporting material variances is 10% or \$50,000, whichever is greater.

Most of the reported material variances relate to the capital works program, with most projects yet to have any significant payments recorded.

Note 6 – Statement of Investments reports the current Council cash investments and measures the portfolio against established credit risk limits based on reputable credit ratings agencies and incorporated in the Council's Investment Policy.

Additional explanatory comments are included as part of each note within the monthly financial report to assist in understanding the reasons for positive and adverse trends and balances.
