10 QUESTIONS BY MEMBERS OF WHICH DUE NOTICE HAS BEEN GIVEN

None.

11 DECLARATION OF INTEREST

"Members should fill in Disclosure of Interest forms for items in which they have a financial, proximity or impartiality interest and forward these to the Presiding Member before the meeting commences."

12 REPORTS OF OFFICERS AND COMMITTEES

12.1 *Title: Request for Assistance with Earthworks for New Early Intervention Centre (Glen Huon Primary School)*

Reporting Department: Engineering & Development Services

Reporting Officer: Mr Luke Botica – Director Engineering & Development Services

Legislation: Local Government Act 1995

Background

Council is requested to consider a request from the Glen Huon Primary School (GHPS) for assistance with earthworks required to enable the construction for a new early intervention centre at the school site.

Shire staff recently met with representatives from the GHPS, Department of Treasury and the architect appointed to undertake the design and project management of the building construction. The architect has explored several locations at the School site for the new building and it was deemed that the wetland at the corner of Edith Cowan Avenue and Murdoch Crescent to be the most suitable.

A significant amount of earthworks will be required to remove the wetland and backfill the site with controlled fill. The Shire was supplied with a geotechnical report that provides recommendations regarding the earthworks required to make the site suitable for a building.

The GHPS has been provided \$1.5M by the State Government for the design and construction of the new building; however, when the funds were allocated, it was assumed that minimal earthworks would be required due to the school site being largely developed. However, the selection of the wetland site for the building now requires earthworks to be added to the project. The funds allocated to the project relate to the design, construction and fitout of the building and does not allow enough scope to include the additional earthworks.

GHPS has therefore requested the assistance of the Shire for the earthworks component of the project.

Legal Implications

The school being a state owned facility is exempt from having to seek development approval from the Shire.

The wetland is situated on the GHPS site, therefore is not a reserve.

Strategic Community Plan - None

Environment

Although referred to as a wetland, it is considered to be of little or no conservation value. The wetland is severely degraded, consisting of minimal natural vegetation and a significant infestation of *Typha orientalis* (a non-native rush). The GHPS considers the wetland as being of no value and a significant fire risk. The wetland is

the remaining remnants of a larger wetland system, which had been removed to accommodate the development of the surrounding road network. It should be noted that the wetland does not form part of the local and district drainage system.

There is a moderate to low risk of acid sulfate soil. (Appendix ORD: 12.1).

Precedents - None.

Budget Implications

The requested earthworks has been estimated by Shire staff at a cost of \$89,250 excluding GST.

The estimation includes site survey, clearing of vegetation, supply and delivery of sand, filling and compaction, and levelling. The cost estimation also includes traffic management and an overall earthworks contingency of 20% to cover uncertainties and any potential variations.

GHPS have indicated that if necessary, they may be able to access GHPS finance reserves of \$20,000 as well GHPS P&C funds of \$5,000.

Whether the Shire fully or partly funds the earthworks, it will be unbudgeted expenditure under the 2017-2018 Budget.

Budget – Whole of Life Cost -

The works will form part of the development of the school site and will have no ongoing life cycle costs or liabilities for the Shire. It should be noted that if the Shire undertakes the earthworks, the works will be tested and verified by the project superintendent – when the earthworks are deemed compliant there will be no further liabilities for the Shire.

• *Chief Executive Officer Comment*

This request requires reference to Council's Policy not to support cost shifting. That is, the state or commonwealth government requiring local government to fund services and facilities that are the realm of state or commonwealth government.

This request is a variation of cost shifting as the request has come from the GHPS Principal as a result of the GHPS School Board and P & C wishing to complete a successful project with the \$1.5M allocation to the project. That is, the request has come from the School rather than the Education Department or the Department of Finance.

Council Policy Compliance - None.

Risk Assessment - High.

The requested earthworks, if undertaken by the Shire at its own cost, will be unbudgeted expenditure under the current budget. If there are no other savings in the current budget to offset the unbudgeted expenditure, the expenditure will affect the forecast end of year surplus. At this stage in the financial year, it is difficult to advise whether the forecast surplus will be sufficient to carry the unbudgeted works.

Officer Comment

Although the requested works, if undertaken by the Shire, would be considered a contribution from the Shire, it would not be strictly classified as in-kind works. Most in-kind works relate to situations where the Shire's plant, labour and existing material stocks are used. In this particular case, the Shire is not equipped to undertake the works and would need to engage contractors to assist with the works. This includes the provision of a wet hire excavator, haulage contractors and hired compaction equipment. Similarly, a surveyor and a traffic management contractor would also need to be sourced.

It should be noted that the Shire's construction workforce is fully committed to the 2017-2018 construction program, which also highlights the need to engage a contractor for the works.

GHPS have indicated that they are aiming for the centre to be open for the 2019 school year. In order for this timeframe to be achieved, GHPS has requested if Council could consider the matter as soon as possible with the intent to commence the project as soon as possible.

The establishment of an Early Intervention Centre at the GHPS is considered as being beneficial to the local community. Therefore, it is suggested that the Shire support the initiative. Based on advice that GHPS can access up to \$25,000 toward the earthworks, Council may wish to consider a contribution of up to \$65,000 for the requested earthworks.

It should be noted that the Department of Finance has advised that its preference is to receive funding only from the Shire, which will enable the earthworks to be managed through a contract administered by the Department of Finance.

Council Role - Executive/Strategic.

Voting Requirements - Absolute Majority.

Change to Officer Recommendation

No Change. **OR:**

As per Local Government (Administration) Regulations 1996 11(da) Council records the following reasons for amending the Officer Recommended Resolution.

OFFICER RECOMMENDED RESOLUTION "A"

THAT Council, whilst being supportive of the project is unable to provide financial support for the project as:

- 1. The project is unbudgeted; and**
- 2. The project is on State Government owned land.**

OR

OFFICER RECOMMENDED RESOLUTION “B”

THAT Council, in regards to a request from the Glen Huon Primary School for assistance with the earthworks required for the construction of an Early Intervention Centre at the school:

- 1. Advises Glen Huon Primary School that the Shire of Dardanup is supportive of the establishment of an Early Intervention Centre at the school;**
- 2. Acknowledges the advice of the School that the selected site for the new building and associated infrastructure is on the south western corner of the School site at the corner of Edith Cowan Avenue and Murdoch Crescent;**
- 3. Provides assistance to the Glen Huon Primary School through the provision of funds for earthworks for the project; and**
- 4. Approves unbudgeted expenditure of up to \$..... excluding GST, being the Shire’s contribution for the works in Point 3 above.**

By Absolute Majority

12.2 Title: Local Development Plan – Lot 50 Wandoo Way, Eaton – WAPC 352-16 (Parkridge Group Pty Ltd)

Reporting Department: Engineering & Development Services
Reporting Officer: Mrs Cecilia Muller – Principal Planning Officer
Legislation: Planning and Development Act 2005

Location Plan

Background -

The Western Australian Planning Commission (WAPC) granted conditional approval to the survey-strata plan (WAPC 352-16) over Lot 50 Wandoo Way, Eaton in June 2016 to create 8 strata lots and a common property access way.

Condition No. 6 of WAPC 352-16 states the following:

6. *Local Development Plan(s) being prepared and approved for lots shown on the plan dated 12 April 2016 that address the following:*
 - a) *Orientation of dwellings - dwellings adjacent to Wandoo Way and Peninsula Lakes Drive to be orientated to achieve a suitable interface with the streetscape.*
 - b) *Location of parapet walls - dwelling garages to be co-located on adjoining strata- lot boundaries as appropriate.*
 - c) *Visitor parking.*
 - d) *Vehicle access.*
 - e) *Common property and internal vehicle/pedestrian access - construction details of common property area and provision for internal vehicle and pedestrian manoeuvrability and access.*
 - f) *Landscaping.*
 - g) *Lighting - lighting of the common property and vehicle access area.*
 - h) *Fencing - details of fencing along boundaries adjacent to Wandoo Way, Eaton Drive and Peninsula Lakes Drive to ensure a suitable interface with the public roads.*
 - i) *Waste receptacle pick-up area - the location, size and construction details for the bin collection area on the road verge of Wandoo Drive.*

to the satisfaction of the Western Australian Planning Commission.

The Local Government is the authority required to clear this condition.

To address Condition 6, Parkridge Group Pty Ltd has prepared the Local Development Plan (LDP) contained in (Appendix ORD: 12.2).

Lot 50 is zoned "Development" under Town Planning Scheme No. 3 (TPS3) and is 3855m² in area. The property abuts similarly zoned properties to the west, Wandoo Way to the north, Eaton Drive to the east and Peninsula Lakes Drive to the south. The developer has already commenced site works relevant to the subdivision.

The process for approving an LDP is dictated by the *Planning and Development (Local Planning Scheme) Regulations 2015* (Regulations). The Regulations provide for LDPs to be advertised prior to their approval by Council if they are likely to impact

on neighbouring landowners. However, Sch. 2, Pt. 6, Cl. 50(3) of the Regulations states:

'Despite subclause (1) the local government may decide not to advertise a local development plan if the local government is satisfied that the plan is not likely to adversely affect any owners or occupiers within the area covered by the plan or an adjoining area'.

As the proposed LDP does not involve any variations under the R-Codes it is not expected to impact on any adjoining properties and therefore has not been advertised.

Legal Implications - None.

Strategic Community Plan - None.

Environment - None.

Precedents

Since the Regulations came into effect in 2015, several LDP's have been considered and approved by Council however, none that specifically relate to a strata-subdivision development such as this.

Budget Implications - None.

Budget – Whole of Life Cost –

Maintenance of verge landscaping and the waste receptacle pick-up area on the verge as shown on the LDP will be the responsibility of the Shire.

Council Policy Compliance - None.

Risk Assessment - Low.

Officer Comment

The proposed LDP will be assessed against each of the items identified in Condition 6 of WAPC 352-16.

- *Orientation of dwellings - dwellings adjacent to Wandoo Way and Peninsula Lakes Drive to be orientated to achieve a suitable interface with the streetscape.*

The proposed dwelling orientation as reflected in the LDP requires dwellings on Lot 1 and 8 to face north towards Wandoo Way which complies with the requirement of Condition 6.

With regards to Lots 4 and 5, access will be obtained from the internal communal access way and therefore it is likely the dwellings will face internally. However, a high standard of fencing combined with verge landscaping will ensure the development presents well to Peninsula Lakes Drive, whilst providing residents of Lots 4 and 5 with suitable privacy.

- *Location of parapet walls - dwelling garages to be co-located on adjoining strata- lot boundaries as appropriate.*

Co-location of garages on lots 3 and 4, and lots 5 and 6 as demonstrated on the LDP complies with the requirement of Condition 6. The location of the garages on the southern section of strata lots 1, 2, 7, and 8 allows landowners to make effective use of solar access in the dwelling design and is deemed acceptable for this reason.

- *Visitor Parking.*

Pursuant to the Residential Design Codes on-site visitors' car parking spaces for grouped dwelling developments are to be provided at a rate of one space for each four dwellings, or part thereof in excess of four dwellings, served by a common access. The two visitors' bays at the entrance to the development comply with the requirement of Condition 6.

- *Vehicle access*

The LDP demonstrates that all vehicles have sufficient space in the common property to reverse and manoeuvre in order to exit the common property in a forward gear. No vehicle access is permitted onto Eaton Drive or Peninsula Lakes Drive. The LDP complies with the requirement of Condition 6.

- *Common property and internal vehicle/pedestrian access - construction details of common property area and provision for internal vehicle and pedestrian manoeuvrability and access.*

The construction detail for the common property has been submitted to the Shire Engineering staff for assessment and approval. Condition No. 10 of WAPC 352-16 requires this access way to be constructed and drained prior to the clearance of the subdivision conditions. The LDP complies with the requirement of Condition 6.

- *Landscaping*

The areas intended to be landscaped by the developer are indicated on the LDP. A separate landscaping plan is to be submitted for further consideration and approval. Landscaping is to be installed prior to the subdivision clearance.

- *Lighting*

Lighting locations are identified on the LDP. Lighting will need to be installed along the common property at the identified locations prior to subdivision clearance.

- *Fencing - details of fencing along boundaries adjacent to Wandoo Way, Eaton Drive and Peninsula Lakes Drive to ensure a suitable interface with the public roads.*

The proposed screen wall elevations represent high quality feature fencing to be constructed along the boundaries of Lot 50. The LDP states the following:

- The fence abutting Wandoo Way is to be a maximum 1.2m high brick wall with piers and visually permeable infill up to 1.8m in height.

- Fence along Peninsula Lake Avenue to be a maximum 1.5m high Colorbond with brick piers and visually permeable infill up to 1.8m in height.
- New fence along Eaton Drive to match existing.

The LDP complies with the requirement of Condition 6 to ensure a suitable interface with public roads.

- *Waste receptacle pick-up area - the location, size and construction details for the bin collection area on the road verge of Wandoo Drive.*

The bin collection area is located on the verge along Wandoo Way. This area is 8m long and 0.5m wide and is required to be constructed prior to the clearance of the subdivision conditions. The LDP complies with the requirements of Condition 6.

Officers consider the LDP submitted is consistent with the requirements of Condition No. 6 of WAPC 352-16. The proposal does not include any Residential Design Code variations that officers consider would trigger a referral to adjoining landowners.

It is therefore recommended that Council determines that the LDP does not require advertising and approves the LDP pursuant to the requirements of the Regulations.

Council Role - Quasi-Judicial.

Voting Requirements - Simple Majority.

Change to Officer Recommendation

No Change. **OR:**

As per Local Government (Administration) Regulations 1996 11(da) Council records the following reasons for amending the Officer Recommended Resolution.

OFFICER RECOMMENDED RESOLUTION

THAT Council:

- 1. Pursuant to Schedule 2, Part 6, clause 50(3) of the *Planning and Development (Local Planning Scheme) Regulations 2015* determines that the Local Development Plan as contained in (Appendix ORD: 12.2) is unlikely to adversely affect any owners or occupiers within the area covered by the plans or an adjoining area and therefore does not require advertising.**
- 2. Pursuant to Schedule 2, Part 6, clause 52(1)(a) of the *Planning and Development (Local Planning Scheme) Regulations 2015* approves the Local Development Plan as contained in (Appendix ORD: 12.2).**
- 3. Pursuant to Schedule 2, Part 6, clause 55 of the *Planning and Development (Local Planning Scheme) Regulations 2015* publishes the approved Local Development Plan as contained in (Appendix ORD: 12.2) on the Shire's website.**

Advice Notes:

- i) **Prior to the clearance of Condition No. 6 of WAPC 352-16 the applicant is to demonstrate that all works associated with the LDP requirements as listed below have been completed to the satisfaction of the Shire of Dardanup:**
- **A landscaping plan is to be submitted and approved and landscaping established in accordance with the approved landscaping plan.**
 - **Lighting to be installed along the common property at the identified locations, serviced from a common meter.**
 - **All fencing along Wandoo Way, Peninsula Lakes Drive and Eaton Drive as indicated on the LDP is to be installed.**
 - **The bin collection area is to be constructed.**
- ii) **A Building Permit is required prior to the commencement of construction of the boundary fencing.**

12.3 Title: Social Media Policy Review

Reporting Department: Corporate & Community Services

*Reporting Officer: Mrs Kristy Hitchens – Communications Officer
- Media*

*Mr Phil Anastasakis – Director Corporate &
Community Services*

Legislation: Local Government Act 1995

Background

Following this year's review and assessment of policies, it has been established that some Council policies can be deleted and changed to 'Administrative Policies' or 'Administrative Procedures'.

Existing Council policies that have a procedure included within the policy wording are being updated to separate the procedure from the policy. A link to the procedure [or the administrative process] will be referenced in the Council policy for ease of reference.

Social Media Policy - CORP16 (Appendix ORD: 12.3A) was reviewed and assessed as part of a wider policy review process undertaken this year.

Legal Implications - None.

Strategic Community Plan - None.

Environment - None.

Precedents - None.

Budget Implications - None.

Budget – Whole of Life Cost - None.

Council Policy Compliance

Current policy CORP16 to be replaced with new Council Policy CP026 – Social Media; and Procedure PR059 (Appendix ORD: 12.3B).

Risk Assessment - Low.

Officer Comment -

Social Media is a fast-changing environment and regular review of associated Council Policy needs to be conducted to ensure standards and expectations keep pace with community expectations.

Assessment of the previous Social Media Policy identified the need for more clarity around Council's expectations of social media use by staff and elected members – both in an official capacity representing the Shire of Dardanup and personal or private use.

Additional detail was also required around aims and objectives of Shire of Dardanup using social media for public communications.

Part of the function of the Chief Executive Officer under Section 5.41 of the Local Government Act 1995 is to manage the day to day operations of the local government. PR059 – Social Media outlines the administrative process of new Council Policy CP026.

Council Role - Executive/Strategic

Voting Requirements - Simple Majority

Change to Officer Recommendation -

No Change. **OR:**

As per Local Government (Administration) Regulations 1996 11(da) Council records the following reasons for amending the Officer Recommended Resolution:

OFFICER RECOMMENDED RESOLUTION

THAT Council:

1. Delete the Council policy 'CORP16 – Social Media' from the Council Policy Manual; and
2. Adopts new Council policy 'CP026 – Social Media' as follows:

CP026 - Title: Social Media**1. RESPONSIBLE DIRECTORATE**

Corporate & Community Services

2. PURPOSE OR OBJECTIVE

This policy applies to Shire of Dardanup (including Eaton Recreation Centre & Shire of Dardanup Library Services) Employees (full-time, part-time, casual); Contractors; Elected Members AND Volunteers accessing Social Media for professional AND personal purposes whether via personal devices or those supplied by the Shire of Dardanup.

The Policy objective is to: -

- *Guide Shire of Dardanup (including Eaton Recreation Centre & Shire of Dardanup Library Services):*
 - *Employees;*
 - *Contractors;*
 - *Elected Members;*
 - *Volunteers;*
- on Council's expectations in relation to the acceptable use of Social Media for professional AND personal purposes.*
- *Promote responsible use of social media platforms within the organisation;*
 - *Continued enhancement of communication and engagement with the community to improve overall satisfaction with the organisation;*
 - *Define how Social Media will be used in an official capacity by employees of the Shire of Dardanup;*
 - *Educate how conduct when using Social Media in a private/personal capacity can impact community perception of the organisation and responsibilities as an employee, elected member or associated person.*

The purpose of this policy is NOT to discourage or limit staff, elected members or other associated persons' usage of Social Media for personal expression or other online activities in their personal life and not associated with their employment or role as an elected member.

3. DEFINITIONS

Social Media:

"Websites and applications that enable users to create and share content or to participate in social networking" (Oxford Dictionary).

Social Media is a range of tools that enable people or organisations to:

- *Create their own content using words, pictures or videos*
- *Share that content with others to initiate discussion*
- *Receive feedback*

In 2017, some of the most widely-used examples of Social Media tools are Facebook, Instagram, YouTube, Snapchat and Twitter. Other examples include blogs, wikis, podcasts and online forums.

4. POLICY

4.1 Authorisation to update Social Media on behalf of the Shire of Dardanup

Speaking on behalf of the Local Government is the role of the Shire President. Only the Shire President has the authority to speak with the media on behalf of the Shire of Dardanup.

However, the Shire President has the power to delegate this authority to the Chief Executive Officer and the Chief Executive Officer likewise to other officers. This power is delegated to the Chief Executive Officer under delegation GD21. The Shire President may delegate approval to speak to the media to an elected member on an issue by issue basis.

As a result, the Chief Executive Officer has the authority to establish and terminate official Shire of Dardanup Social Media accounts or can delegate authority to the Director Corporate & Community Services to do so.

The Chief Executive Officer and Director Corporate & Community Services provide authority to selected Shire of Dardanup personnel who manage and moderate Shire of Dardanup Social Media activities.

Authorised personnel are outlined in the Social Media Procedure Document.

4.2 Elected Members

The following is in reference to elected members and social media:

- *Elected members are not authorised to make contributions (Facebook posts, YouTube clip uploads) to official Shire of Dardanup (including Eaton Recreation Centre and Library Services) Social Media channels however are permitted to engage with Shire activities on Social Media such as by comment, share, or 'Like' – provided this activity is in the best interests of the Local Government;*
- *This Policy does not prevent elected members from establishing their own personal Social Media sites or presence;*
- *Content posted by elected members shall comply with the Shire of Dardanup Code of Conduct;*
- *Elected member Social Media sites will have no official Shire of Dardanup standing;*
- *Shire of Dardanup resources will not be used in establishing or maintaining elected member Social Media sites;*
- *The views expressed and published by an elected member on Social Media sites shall be their personal opinion only and are not to represent the position of the Shire of Dardanup;*
- *The Shire of Dardanup accepts no responsibility arising from Social Media comments or postings made by elected members.*

4.4 Responding to comments/queries by the public on Shire of Dardanup Social Media sites

An Acceptable User Policy will be provided on all Shire of Dardanup (including Eaton Recreation Centre and Library Services) Social Media sites. Wording for the Acceptable User Policy is contained in the Social Media Procedures Document.

Staff members authorised to respond to comments, enquiries by members of the public on Shire of Dardanup Social Media sites should refer to Social Media Triage in the Social Media Procedures Document to guide appropriate responses.

4.5 *Using Social Media in a private or personal capacity*

Shire of Dardanup employees must be aware that any Social Media activity – either in an official capacity on behalf of the Shire of Dardanup or personal – will often be permanently available, traceable and able to be reproduced in other media (including print media).

Social Media profiles often identify the place of work of the individual using it. In any circumstance where an employee, contractor, volunteer or elected member is using Social Media outside the context of the workplace and can be identified as employed by or associated with the Shire of Dardanup, they are personally responsible for the content produced.

Under no circumstances is an employee, contractor, volunteer or elected member to damage the reputation of the Shire of Dardanup as a community leader. Any inappropriate postings or actions carried out on Social Media may result in disciplinary action or review of contractual relationships.

Employees using Social Media either for official or personal purposes during business hours or at Council facilities are held accountable for their Social Media activity. Only personal time can be spent on private social media activities.

An employee, contractor, volunteer or elected member is able to share links to items posted on official Shire of Dardanup Social Media sites or submit a ‘Like’ action or comment on an event, initiative and/or program, provided that it is in the best interests of the Local Government and aligned with Shire of Dardanup policy.

4.6 *Statement of Disclaimer*

The Shire of Dardanup will not and does not warrant the completeness or accuracy of public comments found on its Social Media sites, nor its usefulness for any particular purpose. Nor will the Shire of Dardanup represent or warrant that the comments on the pages comply with the laws of any country outside Australia.

Views expressed by a participant, invitee, expert, guest or other person are not necessarily the views of the Shire of Dardanup.

The Shire of Dardanup accepts no responsibility arising from reliance by any person or party on any comment or information published on any Shire of Dardanup Social Media site. Further, the Shire of Dardanup does not guarantee the accuracy or currency of any comment published on a Shire of Dardanup Social Media site.

Links to external websites and users Social Media accounts are provided as a convenience to users and such sites and associated content are not under the control of the Shire of Dardanup. When links have been included, the content of these links does not and should not imply endorsement of that website, service or person by the Shire of Dardanup.

4.7 *Variation*

This policy may be cancelled or varied from time to time. All Shire of Dardanup elected members, employees and contractors will be notified of any variation to this policy by the normal communication method.

12.4 Title: Proposal to use Unmanned Aerial Vehicle (UAV) Drone Technology for Mapping Data Acquisition

Reporting Department: Corporate & Community Services

Reporting Officer: Peter Stampoultzis, Manager Information Services

Legislation: Local Government Act 1995; Civil Aviation Safety Regulations (CASA) – Part101; Freedom of Information Act 1992 (WA); Surveillance Devices Act 1988 (WA).

Background

The use of an Unmanned Aerial Vehicle (UAV) or Remotely Piloted Aircraft (RPA), commonly known as Drone technology is becoming less expensive and more user friendly. These devices are one of the technologies being applied to 'smart cities' initiatives.

The Shire has an opportunity to leverage on this technology, initially to deliver quality Geographic Information System (GIS) products. These products include 2D/3D imagery and 3D point cloud mapping.

The following Shire services can now take advantage of UAV technologies –

- asset management- asset data capture and asset geo-tagging - inspections;
- urban planning – aerial surveys of development sites;
- baseline aerial surveys of proposed development sites;
- compliance monitoring, detection and control – pools, verge inspections;
- infrastructure monitoring – coastal monitoring;
- disaster mapping and management;
- fire detection and management – remote bushfire management; and
- event management.

Legal Implications

Compliance with:

- Civil Aviation Safety Regulations (CASA) – Part101;
- CASA Standard Operating Conditions for drones;
- Advice from McLeod's lawyers;

- Privacy Act 1988 (Privacy Act);
- Freedom of Information Act 1992 (WA); and
- Law of Trespass, Surveillance Devices Act 1988 (WA).

Strategic Community Plan - None.

Environment - None.

Precedents - None.

Budget Implications -

Two options were considered in evaluating the procurement of the drone - buy or lease. The buy option is considered to be the more cost effective. Please refer to (Appendix ORD: 12.4A) for cost details. Details on hardware and references are available upon request.

Sufficient budget funds are allocated for IT Purchases in the Asset Management Plan General Ledger number 1432003. It is estimated that the cost to purchase the drone is \$3,000 plus \$3,630 for annual software licensing. An additional \$2,700 is allocated for initial CASA approved training.

Budget – Whole of Life Cost

There is an annual software licensing cost of \$3,630 to use the data received from the drone.

Council Policy Compliance

No Council Policies exist at this time for the use of drones, however this report includes the Use of Unmanned Aerial Vehicle (UAV) – Drone Policy.

An 'Approval to Fly – Drone' Procedure (Appendix ORD: 12.4B) has been created to work in conjunction with the new Policy, which is supported further by a 'Safe Work Method Statement'.

Risk Assessment

There is a low level of risk associated with the use and application of the drone by Council officers, which is managed through the development of Policy, Procedures and a Safe Work Method Statement. These documents and guidelines have been developed through an evaluation of the CASA regulations and guidelines and applied to the Shire of Dardanup's circumstances.

Officer Comment

- *Criteria To Operationalise*

In order for the Shire of Dardanup to safely and successfully use drone technology, it needs to:

1. Meet the CASA requirement for small UAV's;

2. Address Public Liability / Risk issues;
3. Address Privacy Issues; and
4. Develop an internal guide and procedure for staff.

Each of these points are discussed separately under their respective headings.

1. *CASA Requirements*

UAVs can be operated as either licenced or unlicensed vehicles by CASA. The model the Shire will follow is for very small UAVs (under 2 kgs), commercial and unlicensed.

This means that the Shire does not need to achieve 'Pilot' status to fly these devices. The Shire will commercially operate the drone(s) under the very small RPA (100g < 2kg) Remotely Piloted Aircraft [CASA](#) (RPA) [category](#), and this will not require an RPA Operator's Certificate (ReOC), or a Remote Pilot Licence (RePL).

The commercial /unlicensed model has quite simple compliance requirements. These are:

- must be registered before you fly the first time. CASA issue a registration number (ARN);
- Registration is valid for 24 months and must be renewed thereafter;
- Must not fly out-of-sight;
- No higher than 120m;
- Not closer than 30m to any person; not closer than 5.5kms from controlled space;
- Not to fly over crowds or emergency activities; and
- Respect privacy considerations.

CASA have kept this level of compliance simple as it fits the general hobbyist and the Shire's operations are commensurate with this level.

A CASA visual representation of the above compliance criteria is attached (Appendix ORD: 12.4C)

2. *Public Liability and Risk*

The areas of concern are those where the device has crashed and causes damage to property or person. This circumstance is no different to other assets the Shire operates where that asset is party to damage to property or person.

At present the insurance policies that the Shire holds with LGIS cover this operation. More specifically staff have requested clarification from LGIS and they have confirmed that the Shire policies will cover issues arising from failed Drones flights.

This advice is as follows:

"The LGIS Public Liability Scheme insurance now includes coverage for drones, effective 30/6/2017.

If the Shire is adhering to CASA regulations, then cover is granted, including small drones not requiring a pilot licence. The Shire would need to clarify/record that the operator is trained/competent to operate the drone."

3. *Privacy, Surveillance*

At present the State of WA does not have a Privacy Act. Those States without an Act, generally adhere to the 13 Australian Privacy Principles (APPs) as contained in the Privacy Act 1998 (Commonwealth). They also generally refer to the Commonwealth Act as a basis for giving some direction on Privacy issues.

When reviewing the APPs it is clear that they focus on *information about* the person. Hence there are many statements about the appropriate use of information collected about people.

What is not clear is what privacy standards apply to the person themselves. Hence the Surveillance Act has some bearing on what the Shire should consider when capturing images of persons.

A good overview of privacy and surveillance points is covered in the McLeods LG Legal Update – *Drones – Flying within the law McLeod's* – (Appendix ORD 12.4D).

In summary, between the two Acts these points are reasonably clear:

- It is not in the interest of the Shire to casually fly over private property;
- If by chance images of persons are captured on private property these should not be released externally before being reviewed;
- When it is necessary to fly over private property, permission should be sought from the owners;
- Image captured in public spaces are considered to be acceptable; and
- Privacy and Surveillance Acts are presently satisfied if the Shire operates within the CASA standards for our type of flight. (ie Commercial - Unlicensed).

No doubt, Law and Regulation may develop as this technology is deployed, however at present, there appears to be no legal or practical impediment to the use of UAVs if the Shire shows due diligence and the existing standards are properly applied.

4. *Guides and Procedures*

Best practice suggests we need documented Policy and Procedures to demonstrate we have become informed and are able to deploy a technology within acceptable legal and community standards.

Attached are:

- Draft Policy – Use of Unmanned Aerial Vehicle (UAV) – Drone; and
 - Procedure – Drone Use and Operation. This procedure includes -
 - o A 'Drone Approval' form.
 - o A Safe Work Method Statement.
- *Media Release*

The Council should consider making public aware of that fact that it is about to deploy a Drone and that it meets all the required CASA standards. It should also consider the benefit of advising the public via its web site of any proposed flights.

The Council is easily able to cater for the above within existing resources.

Voting Requirements - Simple Majority

Change to Officer Recommendation

No Change. **OR:**

As per Local Government (Administration) Regulations 1996 11(da) Council records the following reasons for amending the Officer Recommended Resolution:

OFFICER RECOMMENDED RESOLUTION

THAT Council adopts Council policy 'CP043- Use of Unmanned Aerial Vehicle (UAV) – Drone' as follows:

CP043 - Title: Use Of Unmanned Aerial Vehicle (UAV) - Drone

1. RESPONSIBLE DIRECTORATE

Corporate & Community Services

2. PURPOSE OR OBJECTIVE

The objective of this policy is to provide the Shire of Dardanup employees with a framework which guides the use of drone technology so that it complies with all the relevant safety and statutory requirements, whilst meeting the business requirements of the Shire in an effective and ease of use manner.

This policy outlines the approval process required to operate a drone and the associated check list that will be used by any authorized Council officer. This will guide and regulate the use of drone(s) in order to ensure compliance with CASA regulation as other legislative and safety requirements.

3. REFERENCE DOCUMENTS

*CASA Standard Operating Conditions
Civil Aviation Safety Regulations (CASA) – Part101,
The Privacy Act 1988 (Privacy Act)
Law of trespass, Surveillance Devices Act 1988 (WA)*

4. POLICY

This Policy requires operators to be familiar with the general requirements applicable to Drone use. Operators must have been trained by the in-house trainer.

4.1 Approvals

- *The CEO and Directors are to approve all drone capture campaigns and must be reasonably assured that any flight undertaken meets the standards outlined in the CASA Standard Operating Guide for very small RPA (100g < 2kg) remotely piloted aircraft, commercial flying with no license category, as modified from time to time.*
- *Any request to fly the Drone for a purpose other than mapping is discretionary, and must be authorized by the CEO or respective Director of the section concerned.*

- *In areas where there is a high possibility of concern regarding public privacy, consideration should be given to advising those affected before Drone flight.*
- *Drones flights should only be undertaken by an operator who has had the appropriate training.*
- *The survey requirements for each of these requests shall be assessed on a case by case based on regulatory and statutory compliance check lists which are linked to a risk log.*

4.2 Framework for Drone Flight.

The Shire of Dardanup will enable Council employees to fly Drones within the framework described by CASA. The Council will adhere to the current CASA practice, as modified from time to time.

A current standard is summarised as follows;

- *Will ONLY fly a very small (100g < 2kg) remotely piloted aircraft (RPA) commercially and unlicensed.*
- *Must be registered before you fly the first time. CASA issue a registration number (ARN).*
- *Registration is valid for 24 months and must be renewed thereafter.*
- *Must not fly out-of-sight.*
- *No higher than 120m*
- *Not closer than 30m to any person; not closer than 5.5kms from controlled space.*
- *Not to fly over crowds or emergency activities.*
- *Respect privacy considerations.*

4.3 Custodian

The custodian for the Drone equipment is the Senior Geographical Information Systems (GIS) Officer. This Officer is responsible for maintaining awareness of the CASA regulations and any other related compliance issues that affect Drone flights and is to ensure that Council officers are aware of their responsibilities when approving Drone flight.

4.4 Drone Operators

Shire of Dardanup officers assigned to fly a drone must have prior training. Training is performed by the Senior GIS officer.

Operators must obtain written approval in accordance with this Policy and complete the Form 'DRN01 – Approval to Fly - Drone' prior to any drone flights occurring.

An acceptable drone use guide will be made available to any officers intending to operate the drone. Where possible the flight restrictions will be pre-configured on the flight planning software.

Autonomous flying will be the preferred method of flying, using the approved flight planning and capture software.

4.5 Information Privacy - Drone Data Use

The Shire will in its best endeavour apply the Australian Privacy Principles (APPs) in the management of the data retrieved from Drone flights.

Drone data acquired by the Shire of Dardanup is intended solely for the purposes of Shire of Dardanup business operational needs and the data recording acquired is owned by the Shire of Dardanup and is subject to the Shire's Information Management Policy.

Any acquired drone data of a personal nature will be handled according to the APP standards. The Shire must not collect and store personal information where that information has no relevant use to the data collected.

Data will be post processed, edited and redacted and filtered for any inadvertent collected personal information where necessary.

Officer Comment

Nominations for the Australia Day WA Community Citizen of the Year Awards were advertised through the following mediums;

- Shire of Dardanup Website and Facebook page;
- Community Radio;
- Dardanup Times;
- Posters distributed throughout the Shire at various locations;
- Letters to various Sporting and Community Clubs within the Shire (80 letters in total); and
- Eaton Community College was contacted in order to encourage Youth Citizen nominations

The number of nominations received are outlined below with full details of the nominations included in a Confidential document provided under separate cover to Elected Members only

Award category and Nominations:

Citizen of the Year:

- 2 nominations

Youth Citizen of the Year:

- 1 nomination

Senior Citizen of the Year:

- No nominations received

Active Citizenship (Group or Event) of the Year:

- No nominations received

During Ordinary Council meeting on 14 December 2016, the below resolution was passed [Resolution 342-16]:

'That Council impose an embargo on the media for the above item until after the awards are presented at the Australia Day WA Community Citizen of the Year Awards being 26 January 2017'.

The award winners shall remain confidential, as per Resolution [342-16] for the award ceremony on Australia Day, 26 January 2018.

To assist with the confidential assessment and consideration of nominations received in future years, it is proposed that Council establish an Australia Day Working Group to consider applications received for the various award categories, and through the Officer's Report recommend award recipients.

This process will provide the appropriate forum for a confidential and detailed discussion and consideration of all of the nominations received, before a recommendation is made on an award recipient. This forum will also provide an opportunity for Councillors to contribute to the planning and promotion of the awards.

Officer Comment

Statement of Financial Activity

The Statement of Financial Activity is attached after the Officer recommendation. The first Statement of Financial Activity report outlines the results from operating activities. It shows revenue and expenditure by statutory program, comparing actual

results for the period with the annual adopted budget, the amended budget and the year to date budget. Future monthly financial reports will incorporate an additional column representing the forecast revenue or expenditure to the 30 June 2018, together with an additional Statement of Financial Activity produced by Nature and Type.

The second financial report displays capital and infrastructure expenditure and also reconciles the statement of financial activity to the statement of net current assets, taking into account; the proceeds from sale of assets, reserve and loan funds used, depreciation applied, capital and infrastructure expenditure, transfers to reserves and loan repayments.

The statement of net current assets provides information on the accounts that make up current asset and current liabilities. The current and quick ratios are liquidity ratios. The current and quick ratios determine the shires ability to meet obligations with readily convertible funds.

Additional reports that have been included in the statement of financial activity are trust fund reports, reserve fund reports, and a statement of investments. A variance report that describes material differences between the adopted budget and the amended budget is also attached.

Key Financial Performance Areas

- *Cash & Investments*

As at reporting date, Council has a reconciled Municipal Fund balance of \$5.62m. In addition to the cash at bank, Council has invested \$500,000 in a 3 month term deposit.

The Reserve Account has a reconciled balance of \$3.99m. Additionally, Council has several Reserve Fund investments totaling \$12.5m details of which are included in the Statement of Investments section of this report. Investment of surplus funds is dependent on cash flow forecasts at time of investment and is based on the Council's Investment Policy.

- *Interest Income*

Municipal Fund Interest Income of \$5,815 has been recognised against an adopted budget of \$105,000 for the 2017/18 financial year.

Year to date actual interest for the Reserve Account is \$6,418 with total interest forecast at \$260,000 for the 2017/18 financial year. Interest is credited to the bank account quarterly, and at maturity of term deposit investments.

- *Rates & Charges Outstanding*

As at reporting date, total Outstanding Rates & Charges is \$6,163,945 for the 2017/18 financial year. This equates to 44.2% of rates and charges collectable. It is the objective of management to achieve less than 4% of rates and charges outstanding as at 30 June. Rates were raised on the 25 July 2017, which is reflected in the below graph.

- *Accounts Receivables Outstanding (non-rates)*

As at reporting date the total outstanding Accounts Receivables (Debtors) amounts to \$90,645.

A review of the debt collection process and agency has occurred over the last few months. An assessment of the overall cost to Council, debt recovery process and costs incurred for rate payers and debtors was undertaken to ensure that debt collection times and costs were minimised, and the debt collection process was undertaken in the most efficient manner possible.

The review has sought to improve the amount and number of debtors, while minimising costs to Council and debtors. This review has resulted in the recent appointment of CS Legal as Council’s new debt collection agency, and refined internal debt collection procedures. Council staff will continue to monitor this process over the coming months to ensure it meets the anticipated outcomes and improvements.

- *Salaries and Wages*

As at reporting date, Total Gross Salaries and Wages expenditure is \$1,730,956 against an adopted annual budget of \$8,128,663 for the 2017/18 financial year.

- *Budget Variances*

As at reporting date, the end of year surplus for 2016/17 is estimated at \$435,319. The surplus is expected to be verified mid-December after Council’s audit processes are finalised.

General Purpose Funding

General Rates of \$11,786,888 were levied on the 25 July 2017. Specified Area Rates levied at this time include \$110,033 for Bulk Waste Collection and \$231,389 for Eaton Landscaping. Existing budgeting for rates income is based on an annualised monthly average, however examination of this process to more closely reflect actual rates income is occurring.

Governance

There are no forecast material variances from the adopted budget.

Law, Order & Public Safety

As at reporting date, Council has received combined dog and cat registration revenue of \$7,617 against an adopted budget of \$64,000 for the 2017/18 financial year.

Council has also received \$14,274 additional grant funding from DFES for various plant and equipment purchases for several bushfire brigades.

Health

There are no forecast material variances from the adopted budget.

Education & Welfare

Above budget revenue is a result of Council staff obtaining a community event grant for 2017 WA Seniors Week.

Community Amenities

As at reporting date, Domestic Refuse and Recycling charges of \$1,070,282 have been levied for the 2017/18 financial year. Existing budgeting for refuse income is based on an annualised monthly average, however examination of this process to more closely reflect actual charges raised is occurring.

There are no forecast material variances from the adopted budget.

Recreation & Culture

There are no forecast material variances from the adopted budget.

Eaton Recreation Centre

There are no forecast material variances from the adopted budget.

Transport

There are no forecast material variances from the adopted budget. Existing budgeting for grants income is based on an annualised monthly average, however the timing of when grants are received can cause monthly spikes.

Economic Services

As at reporting date building licence revenue received is \$22,023 against an adopted annual budget of \$110,000.

There are no forecast material variances from the adopted budget.

Other Property & Services

There are no forecast material variances from the adopted budget.

**Statement of Financial Activity
For the Period Ended 30 September 2017**

1. SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies which have been adopted in the preparation of this statement of financial activity are;

(a) Basis of Accounting

This statement has been prepared in accordance with applicable Australian Accounting Standards, other authoritative pronouncements of the Australian Accounting Standards Board and/or the Public Sector Australian Standards Board, Urgent Issues Group Consensus Views and the Local Government Act 1995 (as amended) and accompanying regulations.

(b) The Local Government Reporting Entity

All Funds through which the Council controls resources to carry on its functions have been included in this statement.

In the process of reporting on the local government as a single unit, all transactions and balances between funds (for example, loans and transfers between Funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements, but a separate statement of those monies appears at Note 6 to this financial report.

(c) Goods and Services Tax

In accordance with recommended practice, revenues, expenses and assets capitalised are stated net of any GST recoverable.

Where the amount of GST is not recoverable from the ATO it is recognised;

- (i) as part of the expense item.
- (ii) as part of the cost of acquisition of an asset.

Receivables and payables in the Statement of Financial Position are stated inclusive of applicable GST.

(d) Non Current Assets

The value of all infrastructure assets (other than land under roads) has been recorded in the Statement of Financial Position. Land under roads is excluded from infrastructure in accordance with legislative requirements.

Non-current Assets are capitalised if they exceed the following amounts

Land & Building	0
Furniture & Equipment	1,000
Plant & Equipment	1,000
Infrastructure	5,000

Items of a lesser amount shall be capitalised should it be deemed necessary for asset management purposes.

(e) Investments

All investment are made in accordance with the Trustees Act and Councils investment policy. Valuations are at cost and interest on those investments is recognised when accrued.

(f) Rates, Grants, Donations and Other Contributions

Rates, grants, donations and other contributions are recognised as revenues when Council obtains control over the assets comprising the contributions.

Control over assets acquired from rates is obtained when rates are levied.

(g) Rounding off Figures

All figures shown in this annual financial report, other than a rate in the dollar, are rounded to the nearest dollar.

**Statement of Financial Activity
For the Period Ended 30 September 2017**

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(h) Depreciation of Non-Current Assets

All non-current assets having a limited useful life are systematically depreciated over their useful lives in a manner which reflects the consumption of the future economic benefits embodied in those assets.

Depreciation is recognised on a straight-line basis, using rates which are reviewed each reporting period.

Major depreciation periods are:

Land	Nil
Buildings	50 years
Furniture and Equipment	5 to 10 years
Plant and Equipment	5 to 10 years
Motor Vehicles	10 years
Roadmaking Plant	5 to 10 years
Infrastructure Assets	
Roads	60 years
Bridges	60 to 100 years
Drainage	75 years
Footpaths & Cycleways	50 years
Parks & Reserves	
- Buildings	50 years
- Improvements	20 years

16 MATTERS BEHIND CLOSED DOORS

It is recommended that the following item be heard behind closed doors.

Shire of Dardanup Standing Orders & Local Government Act 1995 Section 5.23 (2) -
Matters for Which Meeting May be Closed.

Standing Order and the Local Government Act 1995 provides for Council to resolve to close the meeting to the public and proceed behind closed doors for matters:

- S 5.23 (1) Subject to subsection (2), the following are to be open to members of the public-*
- (a) all Council meetings; and*
 - (b) all meetings of any committee to which a local government power or duty has been delegated.*
- (2) If a meeting is being held by a Council or by a committee referred to in subsection (1) (b), the Council or committee may close to members of the public the meeting, or part of the meeting, if the meeting or the part of the meeting deals with any of the following -*
- (a) a matter affecting an employee or employees;*
 - (b) the personal affairs of any person;*
 - (c) a contract entered into, or which may be entered into, by the local government and which relates to a matter to be discussed at the meeting;*
 - (d) legal advice obtained, or which may be obtained, by the local government and which relates to a matter to be discussed at the meeting;*
 - (e) a matter that if disclosed, would reveal -*
 - (i) a trade secret;*
 - (ii) information that has a commercial value to a person; or*
 - (iii) information about the business, professional, commercial or financial affairs of a person,*
where the trade secret or information is held by, or is about, a person other than the local government;
 - (f) a matter that if disclosed, could be reasonably expected to -*
 - (i) impair the effectiveness of any lawful method or procedure for preventing, detecting, investigating or dealing with any contravention or possible contravention of the law;*
 - (ii) endanger the security of the local government's property; or*
 - (iii) prejudice the maintenance or enforcement of a lawful measure for protecting public safety;*
 - (g) information which is the subject of a direction given under section 23 (1a) of the Parliamentary Commissioner Act 1971; and*
 - (h) such other matters as may be prescribed.*
- (3) A decision to close a meeting or part of a meeting and the reason for the decision are to be recorded in the minutes of the meeting.*

OFFICER RECOMMENDED RESOLUTION

THAT in accordance with the Local Government Act 1995, S 5.23 the Council go Behind Closed Doors to discuss a matter that has a commercial value to a person.
