Upon request.

Schedule 1 – Petition to the Shire of Dardanup

[Clause 4.9 – Shire of Dardanup Standing Orders Local Law]

To the President and Councillors of the Shire of Dardanup. We, the undersigned, do respectfully request that the Council –

“We are calling on the Shire of Dardanup council to allocate funds to improve the road in Lennard Street, Eaton WA 6232 with Traffic Calming Controls, Pedestrian Footpaths and Upgrade of Roadside Curbing due to the re-alignment of Eaton Drive/Hands Ave/Cudliss Street and Watson Street.

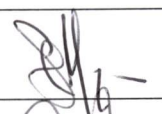

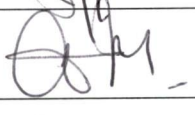

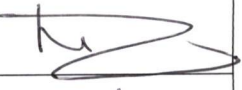

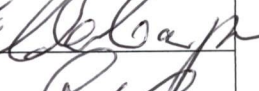

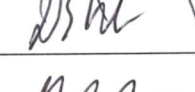

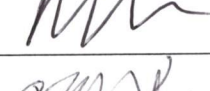

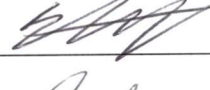

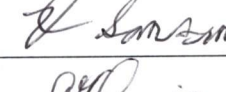

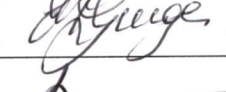

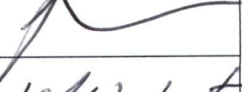

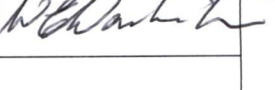

1. Lennard Street currently has two (2) home owners that are wheelchair reliable. They rely on the road at present to allow them to access the Eaton Shopping Centre and the Foreshore walkways. Therefore, we are calling for Pedestrian Footpaths to be installed on the LHS of road when facing North (from Cudliss Street end facing the river).
2. Current roadside curbing is not sustainable for the increase of traffic, as erosion will pose an issue for current crossovers and water runoff, as Lennard Street does not have installed drainage. We requesting both sides of road have new curbing.
3. Traffic Calming Controls to be installed on Lennard Street to reduce traffic speed to 50km. Traffic Calming Controls will improve road safety in our residential neighbourhood.

Correspondence in respect of this petition should be addressed to –
Peter Bacon – 7 Lennard Street, Eaton, WA 6232

**The names and addresses of your petitioners are as follows:**
