To the President and Councillors of the Shire of Dardanup. We, the undersigned, do respectfully request that the Council –

Provide more Pickleball Courts at the Eaton Recreation Centre. We are finding that the burgeoning popularity of the sport means that we have unacceptable delays in getting onto vacant courts. There are 2 additional courts already marked up but they are generally used by schools for their activities. In the short term, we need 2 more dedicated courts but in the medium term another 4. We appreciate the support we received from the Centre staff and I am sure they will support our endeavours to seek more courts. Pickleball is an incredible leveler that can be played by all genders and ages. It is particularly good for Seniors as the courts are quite small but provide the opportunity for stretching and reaching.

The school have courts booked every day but dont use them every day. The centre is now 20 years old and becoming unfit for purpose for both basket ball and pickleball.
