COUNCIL ROLE

Advocacy	When Council advocates on its own behalf or on behalf of its community to another level of government / body /agency.
Executive/Strategic	The substantial direction setting and oversight role of the Council e.g. Adopting plans and reports, accepting tenders, directing operations, setting and amending budgets.
Legislative	Includes adopting local laws, town planning schemes and policies.
Review	When Council reviews decisions made by Officers.
Quasi-Judicial	When Council determines an application/matter that directly affects a person's rights and interests. The Judicial character arises from the obligations to abide by the principles of natural justice. Examples of Quasi-Judicial authority include town planning applications, building licences, applications for other permits/licences (e.g.: under Health Act, Dog Act or Local Laws) and other decisions that may be appealable to the State Administrative Tribunal.

DISCLAIMER

"Any statement, comment or decision made at a Council or Committee meeting regarding any application for an approval, consent or licence, including a resolution of approval, is not effective as an approval of any application and must not be relied upon as such.

Any person or entity that has an application before the Shire must obtain, and should only rely on, written notice of the Shire's decision and any conditions attaching to the decision, and cannot treat as an approval anything said or done at a Council or Committee meeting.

Any advice provided by an employee of the Shire on the operation of a written law, or the performance of a function by the Shire, is provided in the capacity of an employee, and to the best of that person's knowledge and ability. It does not constitute, and should not be relied upon, as a legal advice or representation by the Shire. Any advice on a matter of law, or anything sought to be relied upon as a representation by the Shire should be sought in writing and should make clear the purpose of the request."

RISK ASSESSMENT

Inherent Risk	The level of risk in place in order to achieve the objectives of the Council and before actions are taken to alter the risk's impact or likelihood.
Residual Risk	The remaining level of risk following the development and implementation of Council's response.
Strategic Context	These risks are associated with achieving Council's long term objectives.
Operational Context	These risks are associated with the day-to-day activities of the Council.
Project Context	Project risk has two main components: <ul style="list-style-type: none"> • Direct refers to the risks that may arise as a result of project, which may prevent the Council from meeting its objectives. • Indirect refers to the risks which threaten the delivery of project outcomes.

RISK CATEGORY CONSEQUENCE TABLE - GUIDELINE

Rating (Level)	Health	Financial Impact	Service Interruption	Legal and Compliance	Reputational	Environment
Insignificant (1)	Near miss Minor first aid injuries	Less than \$10,000	No material service interruption - backlog cleared < 6 hours	Compliance - No noticeable regulatory or statutory impact. Legal - Threat of litigation requiring small compensation. Contract - No effect on contract performance.	Unsubstantiated, low impact, low profile or 'no news' item	Contained, reversible impact managed by on site response
Minor (2)	Medical type injuries	\$10,001 - \$50,000	Short term temporary interruption – backlog cleared < 1 day	Compliance - Some temporary non compliances. Legal - Single minor litigation. Contract - Results in meeting between two parties in which one party expresses concern.	Substantiated, low impact, low news item	Contained, reversible impact managed by internal response
Moderate (3)	Lost time injury <30 days	\$50,001 - \$300,000	Medium term temporary interruption – backlog cleared by additional resources < 1 week	Compliance - Short term non-compliance but with significant regulatory requirements imposed. Legal - Single moderate litigation or numerous minor litigations. Contract - Receive verbal advice that, if breaches continue, a default notice may be issued.	Substantiated, public embarrassment, moderate impact, moderate news profile	Contained, reversible impact managed by external agencies
Major (4)	Lost time injury >30 days	\$300,001 - \$1.5 million	Prolonged interruption of services – additional resources; performance affected < 1 month	Compliance - Non-compliance results in termination of services or imposed penalties. Legal - Single major litigation or numerous moderate litigations. Contract - Receive/issue written notice threatening termination if not rectified.	Substantiated, public embarrassment, high impact, high news profile, third party actions	Uncontained, reversible impact managed by a coordinated response from external agencies
Catastrophic (5)	Fatality, permanent disability	More than \$1.5 million	Indeterminate prolonged interruption of services – non-performance > 1 month	Compliance - Non-compliance results in litigation, criminal charges or significant damages or penalties. Legal - Numerous major litigations. Contract - Termination of contract for default.	Substantiated, public embarrassment, very high multiple impacts, high widespread multiple news profile, third party actions	Uncontained, irreversible impact

6 PETITIONS/DEPUTATIONS/PRESENTATIONS

6.1 Title: *Petition to install speed humps along Hayward Street in Dardanup*

Reporting Department: *Infrastructure Directorate*
Reporting Officer: *Mr Theo Naudé – Director Infrastructure*
Legislation: *Local Government Act 1995*

Background

A letter was received on the 29th of March 2022 from Alan Rowson advising that he had commenced a petition for Council with the request that Council consider installing speed humps along Hayward Street in Dardanup.

The below information was included with the letter:

“Dear Mr Bennett

I am writing this letter as a follow up to your phone conversation with my Senior Citizens President, Karen Williams, on 11 March 2022. It is related to a proposal, for your Shire Council, in the interests of road safety to provide speed humps in Hayward Street, Dardanup.

I draw your attention to the fact, there are currently no traffic warning signs in existence. Travelling eastwards and exiting Charlotte Street, it is an approximate 700 metre straight flat stretch of road, connecting at the end with Dardanup Junior Public School. Particularly bearing heavy traffic prior to and after school attendance.

Please find attached record of signatories, from a fair proportion of Hayward Street residents. I must add that they are all most adamant that urgent action be taken for rubber speed humps to be fitted to the road. My property front window overlooks Hayward Street and during the past few months I have observed all types of vehicles, travelling fast and well above the required 50mph speed required.

My research has shown that there are several methods that urban planners can use to mitigate any potential damage to vehicular traffic. Speed humps should be placed on level roads as a change in incline can make the hump functionally higher. It is suggested that rubber will compress under impact with no damage to a vehicle and can safely maintain speeds of 24-32kp per hour. They are better suited for local roads where low speeds are preferred but full stops are not necessary or convenient. Excessive speeders are also deterred. These effects translate to fewer accidents – children are much less likely to be struck by cars in neighbourhoods where speed humps are installed. Speed humps are widely used because of their ease of installation and low cost.”

Officer Comment

On the 29th of March 2022, Mr Rowson provided a petition with the wording:

Road Safety Proposal to Dardanup Shire Council

We the undersigned, submit this proposal to Dardanup Shire Council, in the interests of road safety, requesting consideration in placing a sign and rubber speed humps, on the road in Hayward Street, Dardanup Township

There were 23 signatories [Appendix ORD: 6.1] all of which noted their residence was on Hayward Street in Dardanup.

The Shire of Dardanup Standing Orders Local Law S4.8 (4) reads:

- (4) *The only motions in respect of a petition that are in order are that—*
- (a) *the petition be received;*
 - (b) *a report on the petition be prepared; or*
 - (c) *the petition be referred to a Committee.*

Hayward Street in Dardanup is located in a built-up area where the default speed limit is 50km/h and it is not necessary for it to be signposted, unless there is a variation from the default speed limit for a specific reason. It is an access road with a standard width of 6.5m and as stated in the petition, approximately 700m long straight road that can be prone to speeding. As a local access road with relatively low traffic volumes it would in most circumstances not require traffic management devices of any sort.

Many variations of speed mitigation and traffic calming measures exists and each scenario should be considered on merit. Speed humps are not the preferred type of treatment where all road users are being inconvenienced because of a small number of motorists speeding or doing the wrong thing. It further causes noise issues, especially with utility vehicles having loose objects on the tray bouncing and being very noisy. Often the speed humps cause some motorists to brake suddenly at the speed humps and then accelerate hard once past the speed hump, causing a potentially dangerous situation in itself.

Alternative treatments such as speed cushions and/or Local Area Traffic Management (LATM) treatments are more contemporary interference treatments, which are likely to produce better and longer lasting results, however these treatments are more expensive and would require future project funding. LATM initiatives mostly consist of vertical and horizontal deflections that include treatments such as chicanes, blister islands, raised plateaus, road cushions, lane narrowing's, slow points, different road surface texture or a combination of the aforementioned.

Before any traffic management initiatives are considered, an investigation needs to be done to ascertain what the issues are that need to be resolved and how to appropriately address them, taking into account all types of traffic and other circumstances.

It is recommended that traffic classifiers be installed on Hayward Street to obtain real traffic data, such as volume of traffic for different times of the day/night, classes of vehicles using the road and travelling speed data. The data relating to speed is very handy in determining the average speed on the road, 85 percentile speed (often used by Main Roads WA when determining posted speed limit) actual speed – highest speed and frequency. This data will assist the Shire in determining options to deal with the issue at hand and also prioritise the works against other projects.

In the interim, while the traffic data will be collected and analysed, the Shire will install a radar speed sign on Haywards Street in Dardanup to draw the attention of motorists by indicating the speed they are travelling at. These signs have been proven to be effective for a short period of time and used elsewhere with good results.

When suspected speeding occurs in an area, the community is encouraged to report it to the Police to enable them to effectively deal with the offenders.

12.2.1 Title: Proposed Local Planning Scheme Amendment No. 205 – ‘Small Holding’ Rezoning Lot 2 Harold Douglas Drive and portion of Lot 185 Venn Road, Dardanup West

<i>Reporting Department:</i>	<i>Sustainable Development Directorate</i>
<i>Reporting Officer:</i>	<i>Mrs Melanie Young – Senior Planning Officer</i> <i>Mr Murray Connell - Manager Development Services</i>
<i>Legislation:</i>	<i>Planning and Development Act 2005</i>
<i>Applicant:</i>	<i>Across Planning on behalf of Dardanup Park Pty Ltd</i>
<i>Attachments:</i>	<i>Appendix ORD: 12.2.1A – Amendment 205 Report and attachments</i> <i>Appendix ORD: 12.2.1B – Risk Assessment</i>

Overview

The purpose of this report is to seek Council approval to initiate a proposed scheme amendment (Amendment 205) to the Shire of Dardanup Town Planning Scheme No. 3. Amendment 205 proposes to rezone Lot 2 Harold Douglas Drive and a small portion of Lot 185 Venn Road, Dardanup West to the ‘Small Holding’ zone to facilitate future subdivision of the land.

Background

Lot 2 Harold Douglas Drive and Lot 185 Venn Road (the subject site) is located approximately 0.5km west of Dardanup Townsite. The Lots have direct road frontage to both Harold Douglas Drive and Venn Road.

Lot 2 (58.83ha) is predominantly flat, used for grazing and contains an existing dwelling and sheds. A small creek line (Gavin’s Gully) runs along the eastern part of Lot 2. The north east section of Lot 2 abuts Lot 3, a battle axe lot that contains a residential homestead. Lot 185 (24.23ha) is used for general farming and contains no buildings.

The subject site is bordered by general farming to the north and south, with ‘small holding’ lots to the west. To the east are residential zoned lots and the Dardanup town site.

Location Plan

Proposal

Amendment 205 seeks to rezone all of Lot 2 and only the western edge of Lot 185 from ‘General Farming’ to the ‘Small Holding’ zone to facilitate future subdivision in accordance with a concept plan, which proposes 39 lots.

In addition, the Amendment proposes to introduce additional requirements for the site in Appendix VIII Additional Requirements – Small Holding Zones of the Scheme. These additional requirements contain development control provisions applicable to the subject site. The Amendment will provide the statutory basis upon which the Shire can determine future subdivision and development applications.

Please refer to [Appendix ORD: 12.2.1A] for a copy of the Amendment 205 Report (a full version of the report is available on the Shire of Dardanup website at www.dardanup.wa.gov.au).

The outline of the proposal is as follows:

Region Scheme	Greater Bunbury Region Scheme ‘Rural’ zone
Local Planning Scheme	Town Planning Scheme No. 3 ‘General Farming’ zone
Structure Plan/Precinct Plan	Dardanup West / Crooked Brook Structure Plan
Lot Size	A total area of 53 ha is to be rezoned
Existing Land Use	General Farming
State Heritage Register	No
Local Heritage	No
Bushfire Prone Area	Yes

Legal Implications

Part 5, Section 75 of the *Planning and Development Act 2005* provides for a local government to amend a local planning scheme as follows:

75. *Amending scheme*

A local government may amend a local planning scheme with reference to any land within its district, or with reference to land within its district and other land within any adjacent district, by an amendment –

- (a) prepared by the local government, approved by the Minister and published in the Gazette; or*
- (b) proposed by all or any of the owners of any land in the scheme area, adopted, with or without modifications, by the local government, approved by the Minister and published in the Gazette.*

Section 81 requires that when Council resolves to prepare or adopt an amendment that the proposal be referred to the Environmental Protection Authority for the determination of whether the amendment requires a formal review.

Strategic Community Plan

Strategy 2.3.1 - Delivery of a high level of Development & Regulatory Services that considers the environmental, social and land use planning requirements which meets the diverse community needs. (Service Priority: Flagship)

Environment

As part of the amendment process, and prior to public advertising, the Environmental Protection Authority is required to assess the amendment under Part IV of the *Environmental Protection Act 1986*.

Precedents

Council has previously resolved to initiate and approve a number of scheme amendments in the Dardanup Small Holdings Structure Plan area to facilitate subdivision.

Consultation

Should Council initiate Amendment 205 it is required to be publicly advertised for a period of not less than 42 days in accordance with the requirements of the *Planning and Development (Local Planning Schemes) Regulations 2015*.

At the conclusion of the public advertising period the matter must be presented back to Council which will include a schedule of submissions if any are received. A resolution must then be passed to either support the amendment (with or without modification) or not support the amendment.

Budget Implications - None.

Budget – Whole of Life Cost - None.

Council Policy Compliance - None.

Risk Assessment

The Risk Management Governance Framework has been considered in arriving at the officer recommendation. Please refer to [Appendix ORD: 12.2.1B] for the full assessment document.

TIER 2 – ‘Low’ or ‘Moderate’ Inherent Risk.	
Risk Event	Proposed Local Planning Scheme Amendment No. 205
Inherent Risk Rating (prior to treatment or control)	Low (1 - 4)
Risk Action Plan (treatment or controls proposed)	As the Inherent Risk Rating is below 12, this is not applicable.
Residual Risk Rating (after treatment or controls)	As the Inherent Risk Rating is below 12, this is not applicable.
Risk Category Assessed Against	Reputational By not initiating the Amendment Council could be seen to be hindering development.

Officer Comment

Amendment 205 has been assessed against the following planning framework applicable to the amendment as detailed below.

Bunbury – Geographe Sub-regional Strategy 2022

The purpose of this Strategy is to plan for future growth in the Bunbury-Geographe sub region to the year 2050. The Strategy identifies broad strategic directions to guide planning activities for the sub-region.

Applicable to this Amendment is the strategic direction for urban settlement which includes to ‘*provide for the designation of new rural living areas in locations contiguous with the following settlements: Dardanup.*’

Town Planning Scheme No. 3 (TPS3)

The Amendment proposes to rezone the land to the ‘Small Holding’ and the objective for the zone is ‘*to provide for residential development within a rural setting, where the predominant land use is residential.*’

Clause 3.14.2 of TPS3 also allows for additional requirements for small holding zone areas as follows:

- 3.14.2 *The additional requirements and modifications to the provisions contained in the preceding clause and to the Zoning and Development Tables are specified in Appendix VIII and apply to the areas set against those requirements and modification in that Appendix.*

Amendment 205 proposes to introduce the following additional requirements into Appendix VIII of TPS3 as follows:

Area	Additional requirements
<p>Area 19 – Dardanup Park</p> <p>Lot 2 Harold Douglas Drive and portion of Lot 185 Venn Road, Dardanup West</p>	<p>1. Subdivision and Development Criteria</p> <p>a) The local government will require the preparation of a local development plan and subdivision shall be generally be in accordance with the local development plan.</p> <p>b) No dwelling, outbuilding, on-site effluent disposal system or other incidental building shall be constructed in the Building Exclusion Zone as shown on the local development plan.</p> <p>c) Notwithstanding clause 3.14.1 r), no tree or shrub within 30 metres of the edge of the proposed drain reserve (Gavin’s Gully) shall be removed.</p> <p>d) Sewage is to be discharged via an on-site effluent disposal system which meets the requirements of the <i>Government Sewerage Policy</i>.</p> <p>e) Despite clause 3.14.1 c), each dwelling shall be provided with a minimum 135,000 litre potable water storage tank in addition to any requirements of an approved bushfire management plan.</p> <p>f) At the subdivision stage, suitable arrangements are to be made with the local government for the provision of two (2) fully operational 50,000 litre water tanks for fire-fighting purposes to be located on Reserve 43955, Harold Douglas Drive. As an alternative the local government may accept an equivalent contribution towards strategic bushfire management measures in the Small Holding area of Dardanup West.</p> <p>g) At the subdivision stage, the local government may request that the WAPC impose a condition requiring that satisfactory arrangements be made for the upgrading and/or construction of the local road network (including intersections) to the Shire’s standard.</p> <p>2. Land Use Controls</p> <p>a) Stocking rates shall not exceed Department of Primary Industries and Regional Development stocking rate guidelines.</p> <p>b) Despite clause 3.14.1 i), the keeping of horses in accordance with subclause a), is limited to personal use with a maximum of 3 horses.</p>

Dardanup West / Crooked Brook Structure Plan

This Structure Plan encompasses an area west of the Dardanup Townsite and provides a framework for the rezoning, subdivision and development of land for rural residential lots. The Structure Plan provides an indicative road network and the concept plan accompanying the Amendment is consistent with the Structure Plan.

Shire of Dardanup Local Planning Strategy

This Strategy provides a strategic plan for the future of the Shire. The subject site is identified as ‘Rural-Residential’. The Strategy also advocates for further subdivision in the ‘Dardanup West / Crooked Brook Rural Living area.

Planning and Development (Local Planning Schemes) Regulations 2015

The Regulations require that the local government resolution must specify whether, in the opinion of the local government an amendment is a basic, standard or complex amendment.

In essence a 'basic' amendment is one that corrects an administrative error in the scheme or rectifies a zoning anomaly. A 'standard' amendment is one that is consistent with a local planning strategy, would have minimal impact on land in the area and does not result in any significant impacts on the land. A 'complex' amendment is one that is not consistent with a local planning strategy and is of a scale that will have an impact that is significant relative to the development in the locality.

Amendment 205 is considered to be a 'standard' amendment.

Conclusion

The amendment responds to the environmental constraints of the site and the desired rural living development for the locality. Officers consider the proposed 'standard' Amendment 205 to the Shire of Dardanup Town Planning Scheme No. 3 to be consistent with the future planning context for the area, and as such recommend initiating and adopting the Amendment.

Council Role - Quasi-Judicial.

Voting Requirements - Simple Majority.

Change to Officer Recommendation

No Change. **OR:**

As per *Local Government (Administration) Regulations 1996* 11(da) Council records the following reasons for amending the Officer Recommended Resolution:

OFFICER RECOMMENDED RESOLUTION

THAT Council:

1. **Initiates and adopts Amendment No. 205 to the Shire of Dardanup Town Planning Scheme No. 3 which proposes to:**
 - a) **Rezone Lot 2 Harold Douglas Drive and a portion of Lot 185 Venn Road, Dardanup West from 'General Farming' to the 'Small Holding' zone; and**
 - b) **Introduce new additional requirements for 'Area 19 Dardanup Park' to Appendix VII of the scheme text.**
2. **Determines that the amendment is a 'standard' amendment for the following reasons:**

 - c) **The amendment is consistent with the Dardanup Small Holdings Structure Plan applicable to the site that has been endorsed by the Western Australian Planning Commission.**
 - d) **The amendment will have minimal impact on land in the Scheme area that is not the subject of the amendment.**
 - e) **The amendment will have no significant environmental, social, economic or governance impacts on land in the Scheme area not subject to the amendment proposal.**

12.2.2 Title: South West Business Excellence Awards Sponsorship Request

Reporting Department:	<i>Sustainable Development Directorate</i>
Reporting Officer:	<i>Ms Melanie Ring - Place & Community Services Officer</i>
Legislation:	<i>Local Government Act 1995</i>
Attachments:	<i>Appendix ORD: 12.2.2A – Risk Assessment Appendix ORD: 12.2.2B – Request for Financial Assistance Appendix ORD: 12.2.2C – SWBEA Award Partner Feedback Report</i>

Overview

A financial request has been received from BSW Connect for Council to consider a two year financial commitment towards the annual South West Business Excellence Awards program as a Premium Partner. The total request over the two financial years totals \$10,000 (plus GST). The purpose of this report is for Council to consider this request.

Background

Council have historically provided financial assistance towards the South West Business Excellence Awards. At its meeting held on the 28th of October 2020, Council resolved (OCM: 300-20):

“THAT Council:

- 1. Supports the 2021 South West Business Excellence Awards through BSW Connect – South West by taking up a Premium Partnership package of \$5,000 (plus GST);*
- 2. Authorises expenditure of \$5,000 (plus GST) to sponsor the 2021 South West Business Excellence Awards from the Tourism and Events Grants Funding;*
- 3. Requests the Chief Executive Officer to review SDev CP044 – Community and Events Grants Policy to include consideration towards Awards.*
- 4. Acknowledges this will have nil impact on the end-of year forecast surplus for 30 June 2021.”*

As per the above resolution, SDev CP044 – Community and Events Grants Policy was reviewed to allow funding to be provided for awards and the South West Business Excellence Awards were funded to a value of \$5,000 plus GST in the 2021/22 financial year.

Legal Implications - None.

Strategic Community Plan

Strategy 4.1.2 - Create a sustainable workforce by attracting and retaining a quality labour with skills aligned to the needs of local business. (Service Priority: Low)

Strategy 4.1.3 - Encourage business to develop by supporting the capacity of local firms and industry to establish, grow and employ. (Service priority: Moderate)

Environment - None.

Precedents - None.

Budget Implications

The financial request is for two years financial support in the form of a Premium Partner. In the past, Council have provided financial support as a Premium Partner (\$5,000 plus GST) which has been paid from Tourism and Events Grant Funding allocation (GL 1312501).

The Tourism and Events Grant funding allocation for 2021/22 totalled \$35,000 with \$15,100 pre-allocated to the Bull and Barrel, Eaton Foreshore Festival and Dardanup Art Spectacular per Council resolution (OCM: 55-21) that was resolved at the 30th of March 2021 Ordinary Council Meeting.

Should Council endorse a similar budget for Tourism and Events Grant Funding in 2022/23 and 2023/24 annual budgets there will be sufficient budget available to support this request.

Budget – Whole of Life Cost

Total cost of financial request is \$10,000 plus GST. This is over a period of two financial years (2022/23 and 2023/24).

Council Policy Compliance

The request from BSW Connect is required to comply with SDev CP044 Community & Event Grants Policy and has been assessed against the relevant criteria and is eligible to receive funding. Under the policy events should be held within the Shire of Dardanup and/or raise the profile of the Shire of Dardanup.

Regional Event Grants are available for events that;

- Results in an economic impact to the Shire by way of increasing visitor numbers and expenditure;
- Attracts media coverage that raises the profile of the region as a tourist destination;
- Involves and inspires the local community;
- Improves the vibrancy and vitality of the Shire of Dardanup;
- Supports job creation; and
- Highlights and profiles the unique features of the place and/or Shire.

Risk Assessment

The Risk Management Governance Framework has been considered in arriving at the officer recommendation. Please refer to [Appendix ORD: 12.2.2A] for full assessment document.

Tier 1 – No discernible Inherent Risk has been identified (no Risk Theme or Consequence).	
Risk Event	South West Business Excellence Awards Sponsorship Request
Inherent Risk Rating (prior to treatment or control)	Low (1 - 4)
Risk Action Plan (treatment or controls proposed)	Not applicable.
Residual Risk Rating (after treatment or controls)	As the Residual Risk Rating is below 12, this is not applicable.
Risk Category Assessed Against	Reputational Council's reputation could be impacted dependant on their decision on recipients' applications for grant funding.

Officer Comment

BSW Connect has formally requested to secure funding for the South West Business Excellence Awards over two consecutive financial years [Appendix ORD: 12.2.2B]. This will reduce the administrative burden of applying annually for sponsorship while allowing the organisers to proceed with greater certainty in their funding allocation.

The South West Business Excellence Awards are not held within the Shire of Dardanup, but there are businesses within the Shire that are nominated and participate in the event. The 2021 event marked the 27 years since the South West regional Business Awards program in Western Australia commenced, with a total of 41 applications received. Of these, two applications were from businesses within the Shire of Dardanup. An overview of the 2021 South West Business Excellence Awards has been provided by BSW Connect [Appendix ORD: 12.2.2C]. As a Premium Partner the Shire was recognised through social media acknowledgement and logo placement of advertising, as well as recognition at the event itself.

Officers consider these awards to be eligible under SDev CP044 Community & Event Grants Policy and therefore recommend the request is approved.

Council Role - Executive/Strategic.

Voting Requirements - Simple Majority.

Change to Officer Recommendation - No change.

OFFICER RECOMMENDED RESOLUTION**THAT Council:**

- 1. Makes provision for the South West Business Excellence Awards through BSW Connect – Business South West for a Premium Partnership package of \$5,000 (plus GST) per annum in the Long Term Financial Plan and Annual Budget for 2022/2023 and 2023/2024 from the Tourism and Events Grant Budget - GL 1312501.**
- 2. Requests that should either of the award evenings not proceed, the funds are to be returned to Council.**

- d) *Provisions be included in the contract that allows for an open book process on any escalation and all pricing that form part of the contract;*
 - e) *Variations, after the contract has been entered into, limited to variations which do not change the scope of the contract and which do not increase the contract value beyond 5%, in accordance with Regulation 21A of the Local Government (Functions and General) Regulations 1996.*
 - f) *Exercise the contract extension options in accordance with Regulations 11(2)(j) and 21A of the Local Government (Functions and General) Regulations 1996.*
4. *Authorises the Chief Executive Officer, in accordance with section 9.49A(4) of the Local Government Act 1995, to execute the contract with Perkins Pty Ltd. to design and construct New Shire of Dardanup Administration, Library and Community Building.*
 5. *Authorises the Chief Executive Officer to make an advance payment under the Design and Construct Contract for the timber procurement.*
 6. *Requests the Chief Executive Officer to present a report to Council in April 2022 to confirm the final contract price inclusive of the Design and Construction Contingencies.”*

Perkins have now submitted the 80% detailed design for consideration by Council [Appendix 12.2.3B].

Legal Implications

Council has entered into a contract with Perkins for the Design and Construction of the New Library, Administration and Community Building. The 80% design forms part of the deliverables under this contract with the costings to be presented to Council in May 2022.

Strategic Community Plan

Strategy 4.3.3 - Plan and facilitate adequate transport, infrastructure and utility services to meet industry requirements. (Service Priority: Very High)

Strategy 5.2.3 - Deliver a high level of library facility and community services to enhance the sharing of knowledge for our community. (Service Priority: High)

Environment - None.

Precedents

Council resolved to support the Eaton Bowling Club Tender, a \$3,500,000 contract allowing for variations, after the contract had been entered into, limited to variations which did not change the scope of the contract and which did not increase the contract value beyond 5%, in accordance with Regulation 21A of the *Local Government (Functions and General) Regulations 1996*.

Budget Implications

The total project budget available for the new building was \$16.266M in 2019/2020, inclusive of professional fees, design fee, contingency, construction costs, fit-out, and external project management costs. Internal project management costs are in addition to this budget.

To date \$457,983 has been spent on professional and legal fees inclusive of the ECI contract fees.

The remaining project funds available based on expenditure incurred (\$457,983) and purchase orders raised to date (\$35,058) is \$15,772,959. Please note additional provision has been made for the fixed contingencies as per Council's resolution on the 27th of October 2021. This is expected to be up to \$830,000 and will need to be considered and included in the Building Asset Management Plan, Building Maintenance Reserve and Long Term Financial Plan. Effectively this resolution meant that the project

budget was increased to \$17,096,000 if fixed contingencies were required. The total estimated project budget as submitted to the Building Better Regions Grant Program has been revised upwards to \$18,592,399.

At its Special Council Meeting held on the 17th of November 2021, Council agreed to transfer \$830,000 of the unexpected brought forward surplus from 20/21 financial year to the Building Reserve. It is recommended that Council consider this unexpected surplus and transfer to be the provision within the Building Reserve to cover the fixed contingencies associated with the new building.

Budget – Whole of Life Cost

This will be further considered as the design and costings for maintenance and whole of life becomes better known, however the indicative costs on other buildings within the Shire constructed of traditional materials is estimated at 2% pa of the value of the project, or \$299,297pa and to be carried by the Shire. It should be noted that the cost of maintaining a timber building of this scale is unknown at this time.

The renewal cost is expressed as an annual average figure and is estimated at 2.5% similar to buildings within the Shire, or \$374,412pa. This will be the Council as the owner's responsibility.

Council Policy Compliance

- SDev CP032 – Wood Encouragement policy
- CnG CP034 – Procurement Policy
- CnG CP306 - Capital Works Policy
- CnG CP127 – Asset Capitalisation Policy

Risk Assessment

The Risk Management Governance Framework has been considered in arriving at the officer recommendation. Please refer to [Appendix 12.2.3C] for full assessment document.

TIER 3 – ‘High’ or ‘Extreme’ Inherent Risk.	
Risk Event	Supply of Timber
Inherent Risk Rating (prior to treatment or control)	High (12 - 19)
Risk Action Plan (treatment or controls proposed)	As the Inherent Risk Rating is below 12, this is not applicable.
Residual Risk Rating (after treatment or controls)	High (12 - 19)
Risk Category Assessed Against	Financial The overheated market conditions resulting in a higher GMP price and Council not being able to negotiate a Design & Construct Contract within a GMP of \$14.5m.
	Service Interruption New Building may be delayed significantly if Council is not able source timber for the project.
	Legal and Compliance Risk of non-compliance to LGA Regulations and Council's Procurement Policy.
	Reputational Potential reputational impact of constructing a concrete building after publically indicating that the building was to be out of timber.

Officer Comment

The delivery of the project to meet the vision and outcomes outlined by Council for a predominantly timber building for its new Library, Administration and Community Building is outlined below for consideration by Council.

The Design Concept

The design concept is for a modern 2 storey building of 3,339m² (gross floor area) clad predominantly in stringy bark and charred jarrah timber as accents. The structure is essentially a mass timber structure made with LVL columns and beams, timber floor cassettes and light timber wall framing. Steel structure has been kept to a minimum. The ground floor material is predominantly a polished concrete for easy, high wearing maintenance, with carpets to offices and Council Chamber.

The upper floor cantilevers over the fully glazed ground floor, providing shading to the full height glass. The ground floor geometry is rectilinear, while the upper floor form has gentle curves introduced into the plan form to create a continuous ribbon of timber cladding.

The plan form is an “L” shape, with one leg fronting the proposed Town Square, while the “L” creates a formal civic courtyard space. This courtyard is accessible to the Library and Council Chambers, and will become an integral part of the civic operation.

In order to avoid costly sprinkler systems, all public uses - the Library, Makers Space, Council Chambers and Council Front Desk Reception - are located on the Ground Floor.

The southern portion of the building adjacent to the Eaton Fair Shopping Centre service area accommodates the building services including fire pumps and tanks, transformer and bin area, and will be constructed out of concrete in accordance with fire regulations.

The First Floor accommodates the Council Administration Offices, with a maximum accommodation for 100 staff. In addition, there is an additional 409m² of a cold shell Commercial Office Space.

New Building Requirements

Following Council’s decision on the 15th of December 2021, Perkins were appointed as the main contractor for the building and in collaboration with PHA and ATC Architects have refined Council’s preferred option.

The two Storey Building based on the comments received from the user group workshops with Staff and Councillors, as well as further consideration of the requirements of the ECI Evaluation Plan and the National Construction Code 2019 to finalise the Design.

First Floor	1,503m ²	First Floor	1,650m ²

Officers have further analysed the space requirements and considered this against the Shire’s previous business case, concepts, design brief clarifications and scope compliance demonstration template and have assessed that the 80% Design meets the floor space requirements that is needed to meet current and future needs. A table that compares the needs identified by the Shire and the Design is outlined below for easy reference:

Gross Maximum Price

The GMP price for the design will be received by the Shire on the 12th of May 2022 and a report to confirm the final GMP price will be presented at the Ordinary Council Meeting on the 25th of May 2022. The submission will be sent to Rawlinson's for a QS peer review assessment on the costs and state of the market. This report will be attached to the agenda item for consideration at the 25th May Ordinary Council Meeting.

Summary

Officers recommend that Council accept the 80% detailed design and that the final GMP be presented to Council at the 25th of May Ordinary Council Meeting.

Overview

This report addresses Council Resolution (OCM: 420-21) requesting an investigation into dust suppression costs for the gravel section of Panizza Road and installation of signage.

Background

Council considered a request from Mr Mark Panizza to close Panizza Road as a through road at its 26th of May 2021 Ordinary Council Meeting. Council resolved (OCM: 143-21):

“THAT Council:

- 1. Authorises the Chief Executive Officer to seek public comment on the proposal to close the thoroughfare on Panizza Road by advertising the proposal and notifying affected residents in accordance with Section 3.50 of the Local Government Act 1995.*
- 2. Requests that once public comments have been received, the matter, together with public comments, is reported back to Council for further consideration and final deliberation.”*

The proposal to close the thoroughfare was advertised over July and August 2021 and traffic counts were taken.

At its 24 November 2021 OCM, Council resolved (362-21):

“THAT Council:

- 1. Does not close Panizza Road and that the upgrade and sealing of Panizza Road be considered as part of the 2022-23 Budget deliberations and the Road Asset Management Plan.*
- 2. Requests that the Chief Executive Officer carries out survey, design, environmental assessment and cost estimation of upgrading Panizza Road; and*
- 3. Once the process is complete, requests that the results are brought back to Council for further consideration.*
- 4. Requests the Chief Executive Officer to investigate speed restrictions and or surveillance along the road as an immediate measure to address safety concerns.”*

The work required to produce design, environmental assessment and cost estimates is progressing, and is not discussed in this report.

At its 15th of December 2021 Ordinary Council Meeting, Cr Gardiner put forward a Motion to investigate dust suppression and removal of heavy vehicles from Panizza Road.

The Council subsequently resolved (OCM: 420-21):

“THAT Council:

1. *Requests that the Chief Executive Officer investigate and report to Council cost for treating the gravel section of Panizza Road with a dust suppression product to mitigate the dust problem that is affecting local landholders.*
2. *Liaises with Main Roads WA and seeks approval to install appropriate signage to slow down traffic and to discourage heavy vehicle usage on Panizza Road.”*

This report addresses the above Council resolution (OCM: 420-21).

Legal Implications

The use of dust suppression methods is not directly regulated, however dust suppression products may be subject to environmental and Occupational Health & Safety regulations.

Road traffic control signage is regulated by Main Roads WA and road traffic advisory signage is overseen by industry guidelines.

Strategic Community Plan

Strategy 2.2.2 - Provide Sustainable Transport Infrastructure. (Service Priority: Moderate)

Strategy 4.3.3 - Plan and facilitate adequate transport, infrastructure and utility services to meet industry requirements. (Service Priority: Very High)

Strategy 5.1.1 - Provide an efficient road network for the efficient movement of people and goods by road. (Service Priority: Very High)

Strategy 5.1.3 - Provide a safe road transport network where crashes resulting in death or serious injury are minimised. (Service Priority: Very High)

Environment

Application of dust suppression products generally requires the use of bulk water for surface application. The applications do not last indefinitely and each application will require bulk water consumption.

Precedents

The Shire has not substantially used chemical dust suppression agents as a regular process previously.

Budget Implications

There is no capital works project for Panizza Road in the 2021/22 Budget.

RM032 – Panizza Road has a budget allocation of \$20,967. At the time of writing \$13,407 has been spent or committed.

All dust suppression options noted in the report exceed the budget allocation.

Budget – Whole of Life Cost

The use of dust suppression products is a management treatment and does not add value to the road asset.

Council Policy Compliance

- Infr CP058 – Roadside Vegetation
- Infr CP064 – Upgrade of Existing Roads – Voluntary Contributions by Adjoining Property Owners
- Infr CP074 – Asset Management

Risk Assessment

The Risk Management Governance Framework has been considered in arriving at the officer recommendation. Please refer to [Appendix ORD: 12.3.1] for full assessment document.

TIER 2 – ‘Low’ or ‘Moderate’ Inherent Risk.	
Risk Event	Panizza Road – Dust Suppression
Inherent Risk Rating (prior to treatment or control)	Low (1 - 4)
Risk Action Plan (treatment or controls proposed)	As the Inherent Risk Rating is below 12, this is not applicable.
Residual Risk Rating (after treatment or controls)	As the Inherent Risk Rating is below 12, this is not applicable.
Risk Category Assessed Against	Health Ongoing dust problem if no action taken.
	Financial Ongoing costs for temporary treatments.
	Reputational Customer dissatisfaction with no treatment, wrong treatment or delay in treatment.
	Environment Clearing Permit required to clear verges for road works.

Officer Comment

Main Roads has advised that “installation of either regulatory or advisory speed signage to unsealed roads is not permitted as the conditions are frequently changing and the safe speed on one day may be significantly less on another”. Main Roads has indicated that it is unaware of any signs that would be useful in this situation.

There are numerous ‘dust suppression’ products on the market, many of which have been developed to assist on non-permanent mine site haul road environments. These are not suitable for application on Panizza Road.

Investigation into suitable rural road treatments has identified two types of treatments that could be applied to Panizza Road. Two suppliers (one from WA, one from Victoria) were consulted to provide advice on product type, applications and pricing.

Basecourse Binding

Basecourse binding is the process of water binding a well graded gravel material, compacting and final trimming the surface to shape and condition. Binding is normally used as a treatment for gravel sheeting, where the final treated surface is expected to last for at least 12 months, prior to the next substantial maintenance grade, and as a final trim treatment prior to bitumen sealing.

The use of dust suppression agents during the basecourse binding process is designed to strengthen the water bind to reduce the mobilisation of finer particulates (which become airborne dust) and to extend the duration of the chemical bind particulate. This process is designed to reduce the frequency maintenance grades, by building a stronger, more durable road formation and basecourse.

Basecourse binding is a road construction process that requires multiple plant items to ensure a well-constructed, shaped and compacted road surface. The binding process requires the chemical agent to penetrate into the basecourse between 50mm and 100mm, and to be spread using the watercart, as an additive to the bulk load. The water bound product can last up to a couple of years, depending on performance.

Chemical Aggregation

Chemical aggregation is the process of applying a water compound, containing an ionic aggregating agent, through broad spraying directly onto the road surface. The aggregating agent works chemically to bind itself to small particles, which individually increases their weight, making them less susceptible to wind borne movement. The secondary action is to act as an aggregating binder, holding multiple small particles together, thus clumping them into larger particles.

Chemically aggregated particles will naturally break down over time, and this treatment needs to be refreshed every 3 to 6 months, depending on performance.

Dust Suppression Performance

The performance of either (or any) product in either treatment is dependent on a number of factors that affect the basecourse strength and integrity or the aggregating surface treatment. These include:

- Quality, grade and integrity of the existing gravel in the road;
- Quality of the water binding workmanship;
- Depth of penetration;
- Initial concentration of application;
- Frequency of secondary and follow up applications;
- Traffic volume;
- Traffic composition;
- Weather conditions (rain, heat, wind);
- Shade cover; and
- Frequency of maintenance grading.

The gravel section of Panizza Road has low traffic volumes, but does show a high percentage of heavy vehicles.

Treatment Options

The following table shows the matrix of treatment options available, based on two suppliers and two treatment agents:

Supplier	Waterbinding with 100mm gravel overlay	Waterbinding with no new material	No pavement treatment
Supplier 1 – binder	Option 1 1.0L/ m ² to 100mm depth Several years duration Requires annual surface spray top up	Option 2 As for Option 1, but no new gravel material	N/A
Supplier 1 – aggregation	N/A	N/A	Option 3 2.0 to 2.5L/ m ² Top down application >90% dust control for 3 months
Supplier 2 – binder	Option 4 0.3L/ m ² in two applications Performs up to 6 months Sliding cost scale	Option 5 As for Option 4, but no new gravel material	N/A
Supplier 2 – aggregation	N/A	N/A	Option 6 1.0L/ m ² undiluted Re-application at 0.3L/ m ² Sliding cost scale

This report does not include an option to construct a sealed road, either partially or wholly. Sealing the road provides a more permanent solution to dust control, and subject to a separate report in response to Council Resolution (OCM: 362-21).

Cost Analysis

The following table provides a basic cost structure for the two dust suppression treatment types, for 910m of gravel road:

Option	Preparation Costs	Application Costs	Total Option Cost	Expected Performance
<i>Option 1</i> Supplier 1 Waterbind 100mm imported gravel	\$76,000	\$31,600	\$107,600	Several years requires annual top up
<i>Option 2</i> Supplier 1 Waterbind existing pavement	\$40,000	\$31,600	\$71,600	Several years requires annual top up
<i>Option 3</i> Supplier 1 Aggregation agent application	Nil	\$17,200 per application	\$34,400 (min. 2 applications p.a.)	>90% up to 3 months
<i>Option 4</i> Supplier 2 Waterbind 100mm imported gravel	\$76,000	\$11,500	\$87,500	6 months
<i>Option 5</i> Supplier 2 Waterbind existing pavement	\$40,000	\$11,500	\$51,500	6 months
<i>Option 6</i> Supplier 2 Aggregation agent application	Nil	\$42,800 (1st application) \$11,900 (2nd application)	\$54,700	6 – 12 months

The cost analysis does not include estimates for building a bitumen sealed road, as this will be subject to a separate report in response to Council Resolution (OCM: 362-21).

The cost analysis does NOT consider treating only a section of road. In such a case, it is important to understand that the cost per length is not linear, due to:

- Sliding scale for smaller quantities of dust suppression agent;
- Mobilisation costs remain constant regardless of quantities;
- Traffic management costs remain constant regardless of quantities;
- Plant and labour costs remain regardless of quantities.

General Comment

There are numerous dust suppression products available. They typically come in one of two categories; a binding agent that partially 'glues' particles together during the water binding process and an aggregating agent that adheres to fine particles and makes them heavier against wind.

Two suppliers were contacted to provide advice on their products for treatment on Panizza Road. Both have products that may be suitable, but there could potentially be other suppliers that could also assist. A broad market analysis has not been undertaken.

Of the products advised, there are differing specifications, application rates and performance durability, which would need to be considered in any subsequent decision making, particularly in regards to follow up treatments required, ongoing maintenance and expectations management.

As a comparison, to bitumen seal the road to a nominal 6.0m width for the full 910m length will cost an additional \$25,000 for the bitumen seal. However, under this scenario it is recommended that the gravel base course thickness be increased to a minimum 150mm.

A separate report in response to Council resolution 362-21 will be presented to Council once survey, design, environmental assessment and cost estimation of upgrading Panizza Road have been undertaken.

With the change in weather, and the prospect of rain in the not too distant future, dust will become less prevalent, until next summer.

12.4 CORPORATE & GOVERNANCE DIRECTORATE REPORTS

12.4.1 Title: Shire of Dardanup – New Lease Agreement Template

<i>Reporting Department:</i>	<i>Corporate & Governance Directorate</i>
<i>Reporting Officer:</i>	<i>Mr Phil Anastasakis - Deputy CEO</i> <i>Mrs Aly Smith – Building Property Management Officer</i>
<i>Legislation:</i>	<i>Mrs Donna Bailye - Personal Assistant to D/CEO</i>
<i>Attachments:</i>	<i>Appendix ORD: 12.4.1A – Risk Assessment</i> <i>Appendix ORD: 12.4.1B – Councillor Workshop Notes</i> <i>Appendix ORD: 12.4.1C – Lease Fee Matrix</i> <i>Appendix ORD: 12.4.1D – New Draft Lease Template</i>

Overview

Council is requested to review the Shire of Dardanup's new Lease Agreement Template and confirm the standard terms and conditions to be applied to all future building, land and facility lease agreements.

Background

In accordance with Section 3.58 of the *Local Government Act 1995*, the Council may dispose of property through sale or lease to the public through a prescribed process. Council currently leases properties to various sporting organisations, not for profit, community groups and the public. The leases cover both buildings, facilities and vacant land.

WALGA provides a lease agreement template document for Local Government use. Council has been using this template since 2011, with this document being modified and updated to reflect the changing needs of Council since that time.

In September 2019 the document was updated by Council officers to include a table which provided a more defined schedule of obligations and maintenance. These new template conditions were endorsed by Council at its Ordinary Meeting held on the 25th of September 2019 (OCM: 278-19) when approving the Ferguson Hall Committee lease, which provided for the following:

- Peppercorn annual lease fee for Not-for-Profit groups of \$0;
- Lessee to pay for all internal fit-out repairs, maintenance and replacement of items;
- Lessee to pay for all utility charges and contents and other relevant operational insurances;
- Lessee paying for the building insurance through a reimbursement to Council of the actual lease costs incurred by the Council through LGIS;
- Lessee to pay for all annual safety inspections and servicing;
- Lessee to pay all rubbish collection charges and pest maintenance;
- Council paying for major structural repairs and maintenance, including fixed equipment and chattels; and
- Council being provided free use of the facility up to 5 times a year.

These standard terms and conditions were also applied to the new 5 year leases for the Burekup & Districts Country Club and Eaton Junior Football Club/Eaton Cricket Club endorsed by Council at its Ordinary Council Meeting held on the 25th of March 2020 (OCM: 41-20 and 42-20).

In March 2020 Council had also received a request from the Dardanup Sporting & Community Club to not pay building insurance. Council had previously resolved (OCM: 350-19) to provide a 50% subsidy on the insurance cost for sporting and community groups who leased Council buildings in the 2019/20

financial year of \$14,087.37. Council subsequently resolved at its Ordinary Council Meeting on the 25th of March 2020 (OCM: 59-20) to refund 100% of Insurance premiums paid by Lessees under the current Lease template (\$28,174.74), and no longer on-charge the insurance fees for each lease. The Lease Agreement Template was updated to reflect this change.

A new 20 year lease agreement was established for the Eaton Bowling Club and endorsed by Council at the 25th of August 2021 Council Meeting (OCM: 263-21) which introduced an annual lease fee in lieu of rates, taxes and charges being paid by the Lessee.

To enable new lease agreements to be established in a consistent manner, a report was presented to the 24th of November 2021 Council Meeting relating to the establishment of a new Lease Agreement Template. Council did not adopt the Officer Recommendation at that time but resolved to defer the matter until all of the Clubs have been consulted:

“384-21 *MOVED - Cr. M T Bennett SECONDED - Cr. E P Lilly*

THAT Council defer making a decision on the new lease agreement template and lease conditions until all Clubs have been consulted.

*CARRIED
9/0”*

A Councillor Workshop occurred on the 9th of February 2022 to review Council’s standard lease terms and conditions within the template lease agreement. This has established the proposed future template lease conditions for users of Shire of Dardanup buildings and facilities, and is the basis upon which Clubs will be consulted.

The Lease Agreement Template will assist Council officers in future lease negotiations and ongoing lease management, and ensure that Council’s lease documentation meets current legal and professional standards.

Legal Implications

Leasing of Council property falls under Section 3.58 of the *Local Government Act 1995* “Disposing of Property”.

3.58. *Disposing of property*

(1) *In this section —*

dispose includes to sell, lease, or otherwise dispose of, whether absolutely or not;

property includes the whole or any part of the interest of a local government in property, but does not include money.

(2) *Except as stated in this section, a local government can only dispose of property to —*

(a) *the highest bidder at public auction; or*

(b) *the person who at public tender called by the local government makes what is, in the opinion of the local government, the most acceptable tender, whether or not it is the highest tender.*

(3) *A local government can dispose of property other than under subsection (2) if, before agreeing to dispose of the property —*

(a) *it gives local public notice of the proposed disposition —*

(i) *describing the property concerned; and*

(ii) *giving details of the proposed disposition; and*

(iii) *inviting submissions to be made to the local government before a date to be specified in the notice, being a date not less than 2 weeks after the notice is first given;*

and

- (b) *it considers any submissions made to it before the date specified in the notice and, if its decision is made by the Council or a committee, the decision and the reasons for it are recorded in the minutes of the meeting at which the decision was made.*
- (4) *The details of a proposed disposition that are required by subsection (3)(a)(ii) include —*
 - (a) *the names of all other parties concerned; and*
 - (b) *the consideration to be received by the local government for the disposition; and*
 - (c) *the market value of the disposition —*
 - (i) *as ascertained by a valuation carried out not more than 6 months before the proposed disposition; or*
 - (ii) *as declared by a resolution of the local government on the basis of a valuation carried out more than 6 months before the proposed disposition that the local government believes to be a true indication of the value at the time of the proposed disposition.*

The advertising of the disposal of property is not required in specific circumstances under the *Local Government (Functions and Genera) Regulations 1996* Section 30 (2)(b)(i).

30. *Dispositions of property to which section 3.58 of Act does not apply*

- (1) *A disposition that is described in this regulation as an exempt disposition is excluded from the application of section 3.58 of the Act.*
- (2) *A disposition of land is an exempt disposition if —*
 - (a) *the land is disposed of to an owner of adjoining land (in this paragraph called the transferee) and —*
 - (i) *its market value is less than \$5 000; and*
 - (ii) *the local government does not consider that ownership of the land would be of significant benefit to anyone other than the transferee;*

or
 - (b) *the land is disposed of to a body, whether incorporated or not —*
 - (i) *the objects of which are of a charitable, benevolent, religious, cultural, educational, recreational, sporting or other like nature; and*
 - (ii) *the members of which are not entitled or permitted to receive any pecuniary profit from the body's transactions;*

or
 - (c) *the land is disposed of to —*
 - (i) *the Crown in right of the State or the Commonwealth; or*
 - (ii) *a department, agency, or instrumentality of the Crown in right of the State or the Commonwealth; or*
 - (iii) *another local government or a regional local government;*

or
 - (d) *it is the leasing of land to an employee of the local government for use as the employee's residence; or*
 - (e) *it is the leasing of land for a period of less than 2 years during all or any of which time the lease does not give the lessee the exclusive use of the land; or*
 - (f) *it is the leasing of land to a person registered under the Health Practitioner Regulation National Law (Western Australia) in the medical profession to be used for carrying on his or her medical practice; or*
 - (g) *it is the leasing of residential property to a person.*

- (2a) A disposition of property is an exempt disposition if the property is disposed of within 6 months after it has been.....
- (2b) Details of a disposition of property under subregulation (2a) must, for a period of 1 year beginning on the day of the initial auction or tender.....
- (3) A disposition of property other than land is an exempt disposition if —
 - (a) its market value is less than \$20 000; or
 - (b) the entire consideration received by the local government for the disposition is used to purchase other property, and where the total consideration for the other property is not more, or worth more, than \$75 000.

Strategic Community Plan

- Strategy 1.1.1 - Ensure equitable, inclusive and transparent decision-making. (Service Priority: High)
- Strategy 1.1.3 - Monitor and ensure compliance with the regulatory framework for local government governance and operations. (Service Priority: High)
- Strategy 1.1.4 - Maintain best practice governance systems and practices. (Service Priority: Moderate)

Environment - None.

Precedents

Council has endorsed the establishment of lease agreements with various Lessees, including the updating of template lease conditions.

Budget Implications

As no assets/infrastructure are being created, there are no budget implications for this item.

Budget – Whole of Life Cost

Through establishment of new Lease Agreement Template, Council will introduce a formal lease fee and maintenance system for the leasing of Council properties, which will be reflected in future budgets and asset management plans.

Council Policy Compliance - None.

Risk Assessment

The Risk Management Governance Framework has been considered in arriving at the officer recommendation. Please refer to [Appendix ORD: 12.4.1A] for full assessment document.

TIER 2 – ‘Low’ or ‘Moderate’ Inherent Risk.	
Risk Event	Shire of Dardanup – New Lease Agreement Template

	Reputational	Inconsistencies in lease agreement terms could lead to damage to the Shire’s reputation.

Officer Comment

Lease Agreement Template

Council recently executed the new Eaton Bowling & Social Club lease agreement. An in-house review by Council Officers of the current Lease Agreement was undertaken, with a detailed maintenance schedule developed to address the specific maintenance obligations of the lessee and lessor pertaining to the Bowling Club. The new lease agreement also identifies the Joint Management Committee arrangement between the Eaton Bowling & Social Club and the Eaton Senior Citizens.

The Eaton Bowling & Social Club Lease Agreement was forwarded to lawyers Herbert Smith Freehills for their review and advice. Based on the lawyer’s advice, minor changes (formatting, numbering and definitions) were made to the lease template.

At a workshop held for Councillors on the 9th of February 2022, Council workshopped the general conditions of leasing that form part of the lease template, such as rental, insurance payments and maintenance requirements. These terms along with Councillors comments are provided for in [Appendix ORD: 12.4.1B] and will form the basis of the proposed new terms for the Shire of Dardanup Lease agreement template.

Following extensive discussion at the workshop it was identified that there were varying factors to take into consideration when charging fees for leasing Council properties. To assist in the assessment of the fee structure to be charged, Officers have developed a Fees Matrix to assess the various aspects of each lease, based on the Lessee and the property to be leased. A copy of the Matrix is provided for in [Appendix ORD: 12.4.5C].

At the November 2021 Ordinary Council Meeting, Council requested that Officers consult with the Clubs in regards to the new lease agreement terms. To enable Officers to commence the discussion with the User Groups, a starting point was required to open the discussions. Based on the outcomes from the Councillor workshop, terms are now being provided to Council for further discussion and formal resolution. Once Council has established the terms for the new Shire of Dardanup Lease Template, officers will undertake consultation with the relevant Clubs. Following this consultation, it is proposed that feedback on the Template Lease terms and conditions be brought back to the June 2022 Ordinary Council Meeting for final endorsement.

It is proposed that the terms and conditions of the new Shire of Dardanup Template Lease Agreement apply to Leases with the following groups:

- Charitable, Benevolent, Religious, Cultural, Educational, Recreational, Sporting or other like nature Not-for-Profit Clubs & Groups;
- Commercial & Sporting Clubs holding a full Liquor Licence; and
- Commercial Farm Leases (Vacant Land).

Leases established with other commercial businesses, organisations and agencies, will be subject to individual negotiated lease terms and conditions.

At the February 2022 Ordinary Council Meeting, Council requested that Officers enter into discussions with Foster Families South West (FFSW) regarding the establishing a five year lease at the Dardanup Community Centre. Please note that officers have met with and commenced negotiations with FFSW, discussing the proposed Lease Agreement template conditions and terms.

As Council moves forward with its plans for the New Administration building, it is proposed that Officers will initiate discussion with future possible Lessees for the building. Prior to these negotiations commencing, it is proposed that a new, separate Retail Lease Agreement template be established. This new lease agreement, together with its terms will be presented to Council for endorsement in the near future.

User Agreements

At the Ordinary Council Meeting held on the 24th of November 2021, Council endorsed the establishment of a User Agreement with the Dardanup Sporting & Community Club over the tennis courts, basketball courts and Wells Recreation Grounds (OCM: 385-21).

“THAT Council:

1. *Approves the lease of the Clubrooms, temporary change rooms, storage shed and future change rooms at Lot 55 Ferguson Road, Dardanup to the Dardanup Sporting and Community Club for a five (5) years, with the option of a further five (5) years.*
2. *Authorises the Chief Executive Officer to negotiate and sign a new lease with the Dardanup Sporting and Community Club.*
3. *Authorises the Chief Executive Officer to negotiate and establish a User Agreement with the Dardanup Sporting & Community Club over for the tennis courts, basketball courts and Wells Recreation grounds.”*

Council has also recently entered into a User Agreement with the Eaton Boomers Football Club for the use of the Eaton Sports Pavilion and the Glen Huon Oval.

In keeping with Council’s request to negotiate with the relevant user groups regarding the User Agreement terms and conditions, officers are proposing to engage further with groups over the next month. Following these discussions, it is proposed that a report will be brought back to Council in June 2022 seeking Council’s formal endorsement of a proposed User Agreement fee structure.

12.4.2 Title: Country Women's Association of Western Australia Inc. – Renewal of Lease – CWA Building Hamilton Road - Eaton

Reporting Department:	<i>Corporate & Governance Directorate</i>
Reporting Officer:	<i>Mrs Aly Smith – Building Property Management Officer Mrs Donna Bailye – PA Deputy Chief Executive Officer</i>
Legislation:	<i>Local Government Act 1995</i>

Overview

Council is requested to approve the renewal of a lease agreement with the Country Women's Association of Western Australia Inc. (CWA) for the building located at 27 Hamilton Road in Eaton, for a period of 10 years.

Location Plan

Background

The Country Women's Association (CWA) currently holds a lease over the building located at 27 Hamilton Road, Eaton with the current lease expiring on the 23rd of February 2022. The CWA have requested to renew their lease with the Shire of Dardanup for a further 10 year period.

Prior to the renewal in 2012, the CWA held a 21 year lease over the property at Hamilton Road.

Legal Implications

(Lot 5481) 27 Hamilton Road is a Reserve 29456 and has an area of 911m² which is owned by the State and vested to the Shire of Dardanup. The site is vested to the Shire with a "Hall Site" purpose. The Shire has the power to lease, subject to the lease not being longer than 21 years. The current Zoning for this site under the TPS3 is Other Community which allows for community use.

Leasing of Council property falls under Section 3.58 of the *Local Government Act 1995* "Disposing of Property".

3.58. *Disposing of property*

- (1) *In this section —*
dispose includes to sell, lease, or otherwise dispose of, whether absolutely or not;

Strategic Community Plan

Strategy 1.1.1 - Ensure equitable, inclusive and transparent decision-making. (Service Priority: High).

Strategy 3.3.2 - Support volunteer groups within the Shire of Dardanup. (Service Priority: High).

Environment - None.

Precedents

Council has previously supported the lease of CWA Building to the Country Women's Association of Western Australia Inc. A lease has been in place since 1990.

Budget Implications

The current lease agreement (2012-2022) has the CWA paying a peppercorn rental. It is proposed that following the adoption of the new Shire of Dardanup Lease Template, the newly endorsed rental amount will be charged annually to the CWA.

Budget – Whole of Life Cost

Whole of life costs will be subject to the adoption of the newly endorsed conditions of the new Shire of Dardanup Lease Template.

Council Policy Compliance - None.

Risk Assessment

The Risk Management Governance Framework has been considered in arriving at the officer recommendation. Please refer to [Appendix ORD: 12.4.2] for full assessment document.

TIER 2 – 'Low' or 'Moderate' Inherent Risk.	
Risk Event	Country Women's Association of Western Australia Inc. – Renewal of Lease – CWA Building Hamilton Road - Eaton
Inherent Risk Rating (prior to treatment or control)	Low (1 - 4)
Risk Action Plan (treatment or controls proposed)	As the Inherent Risk Rating is below 12, this is not applicable.
Residual Risk Rating (after treatment or controls)	As the Inherent Risk Rating is below 12, this is not applicable.
Risk Category Assessed Against	Reputational Council would be seen in a negative light if we failed to meet our contractual and legislative requirements

Officer Comment

The CWA Eaton Branch have 14 members. They meet every second Monday, hold a function on the fourth Monday of each month and host craft activities every Tuesday and Wednesday. The rooms are also utilised by the Bunbury Bacchus Club one Tuesday evening each month, a sewing group each Thursday and a church group every Sunday.

It is recommended that Council support the renewal of a lease agreement with the CWA for a period of 10 years and request that the Chief Executive Officer enter into negotiations with the CWA of WA Inc. for the renewal of the new lease in accordance with the terms of the newly adopted Lease Template.

Council Role - Executive/Strategic.

Voting Requirements - Simple Majority.

Change to Officer Recommendation

No Change. **OR:**

As per *Local Government (Administration) Regulations 1996* 11(da) Council records the following reasons for amending the Officer Recommended Resolution:

Overview

This report seeks Council’s endorsement for a revised concept plan for the new R&J Fishwick Pavilion (Pratt Road Clubrooms), and approval for the installation of a new shed adjacent to the pavilion. The shed will be a replacement for the Eaton Junior Football & Eaton Cricket Club shed currently located on site.

Background

Fishwick Pavilion

Council in July 2021 endorsed the current concept for the R & J Fishwick Pavilion [Appendix ORD: 12.4.3A]. In the report to Council it was highlighted that the concept designs of the new Eaton Oval and Wells Reserve Clubrooms were developed in collaboration with the user groups and they have all advised of their approval of the concept plans developed by H+H Architects. It should be noted that the size of the buildings has increased compared to what the original 21/22 budget allocations were based on:

Building		Shire Design Area (sq.m)	H+H Design Area (sq.m)
Wells Recreation Park	Change Rooms	236	238
	Clubroom	348	401
Eaton Oval	Clubrooms including Change Rooms	382 - Original 532 - revised through Clubs	536

At the July 2021 Ordinary Council Meeting Council resolved (OCM: 228-21):

“THAT Council:

1. *Endorses the Concept Plans of the proposed new Eaton Oval and Wells Recreation Park Change Rooms and Clubrooms in [Appendix ORD: 12.3.1A]; and*
2. *Authorises the Chief Executive Officer to call tenders for the design and construction of the new Wells Recreation Park Change Rooms.”*

At the August 2021 Ordinary Council Meeting Council resolved (OCM: 250-21) that it supported a grant application to be submitted to the CSRFF for the project with an estimated total costs of \$3.2million, the resolution was resolved as follows:

“THAT Council:

1. *Supports the Shire of Dardanup CSRFF Forward Planning application for \$1,066,666 from the Department of Local Government, Sport and Cultural Industries for the Eaton Oval Change Rooms and Clubrooms (R&J Fishwick Pavilion);*
...”

In February 2022, it was announced that the Shire of Dardanup’s application was successful but that CSRFF would only fund \$700,000 of the total project cost, because of the reduced grant received a revised concept for the clubrooms had to be drawn up to meet budget requirements. The Revised Concept Plan [Appendix ORD: 12.4.3B] was workshopped with the clubs for their feedback.

Storage Shed

Additionally, the Eaton Junior Football Club have also received a grant from the SW Development Commission for the supply and installation of a 9m x 12m colourbond shed at the R & J Fishwick Pavilion. The new shed will partially cover the footprint of the current shed located at the Reserve and is considered in the Revised Concept Plan.

Location Plan

Whilst the Eaton Junior Football Club have received the grant, both parties to the current Lease Agreement (Eaton Junior Football & Eaton Cricket Club) have agreed to the shed installation as both parties will benefit from the new structure.

Legal Implications

Section 5.19 of the Lease Agreement, Alterations & Improvements states that no building or structure can be erected on the Premises without the prior written consent of the Lessor.

5.19. Alterations & Improvements

Not without the prior written consent of the Lessor to erect or suffer to be erected any building or structure on the Premises nor to make or suffer to be made any alteration in or additions to any building or any other improvements to the Premises nor to remove any such improvements or to cut maim or injure or suffer to be cut maimed or injured any of the walls or timbers of the Premises nor to drive any nails or screws into or in any other way deface the walls, ceiling, partitions, floor, woodwork, stone or ironwork.

The current Lease Agreement covers Reserve 24728 for a total area of 60,351m². The reserve is owned by the State and is vested to the Shire of Dardanup, with a Recreational purpose. The vesting order provides the Shire with the power to lease for a term not exceeding 21 years. The area is defined as Regional Open Space under the Greater Bunbury Region Scheme.

There is provision under clause 7.12 of the current Lease Agreement to terminate the Lease early;

7.12. Early Termination

Either party may terminate this lease agreement prior to the expiry date, subject to at least 12 months' notice and the mutual agreement of each party.

It is recommended that Council support the termination of the existing Lease Agreement at the commencement of the demolition works, and enter into a new Lease Agreement, based on the new Template Lease Terms and Condition, upon completion of the proposed project.

Strategic Community Plan

Strategy 1.1.1 - Ensure equitable, inclusive and transparent decision-making. (Service Priority: High).
Strategy 3.3.2 - Support volunteer groups within the Shire of Dardanup. (Service Priority: High).

Environment - None.

Precedents

Council has previously supported Lessee works and improvements requests for Shire of Dardanup Leased properties.

Budget Implications

Pavilion

Based on the QS cost estimates that formed the basis of the grant application, the reduction in floor space of the building from 536m² (Council endorsed concept) to 493m² (Revised Concept), and the recent Wells Change room tenders, the project is expected to be within \$2.1million. The Building Asset Management Plan has also been adjusted to reflect total expenditure of \$2.1million with \$0.7million being from grant funding.

Storage Shed

The Eaton Junior Football Club have received a grant for the shed through the South West Development Commission for the works. No Council contribution is required for the shed installation project.

Budget – Whole of Life Cost

In accordance with the current lease agreement, maintenance and repairs for fit out items is the responsibility of the lessee, however the replacement at the end of life of the shed will be a cost borne by Council. Any new assets installed within the lease area will also be included in Council’s Asset Register and Insurance Register, impacting annual depreciation values and insurance costs.

Council Policy Compliance - None.

Risk Assessment

The Risk Management Governance Framework has been considered in arriving at the officer recommendation. Please refer to [Appendix ORD: 12.4.3C] for full assessment document.

TIER 3 – ‘High’ or ‘Extreme’ Inherent Risk.

	<p>Service Interruption</p> <p>Between demolition of the old shed, and erection of the new shed, there will be a period of time when the Eaton Junior Football Club and Cricket Club are without access to a storage shed.</p>
	<p>Legal and Compliance</p> <p>Both clubs are required to adhere to the terms and conditions of their Lease Agreement with Council, and in particular section 5.19.</p> <p>In addition Council has a requirement to provide approval (DA & BA) within set timelines.</p>
	<p>Reputational</p> <p>Council may be viewed in a negative light if they are not supportive of the replacement shed, particularly given that this project is grant funded with no anticipated cost to Council.</p>

Officer Comment

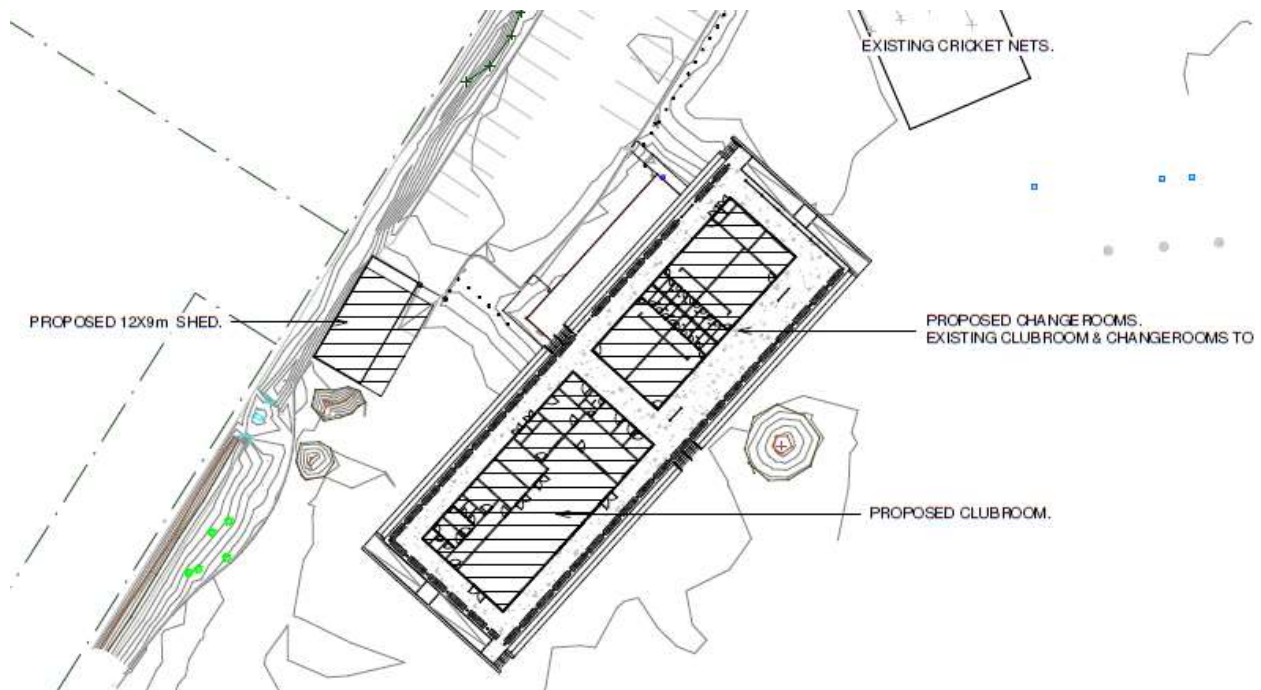

Storage Shed

The Eaton Junior Football Club have received external funding of \$50,000 for the installation of a new shed adjacent to the R & J Fishwick Pavilion. The grant agreement through the South West Development Commission is subject to the following timeframes:

- Supply and install 9m x 12m colourbond shed 31st of July 2022
- Project completion report to SWDC 31st of August 2022
- Acquittal report submitted 30th of November 2022

The club has secured a quote for the works to be undertaken which has been awarded to Shed Force Busselton – subject to Council approvals.

Council endorsed the Eaton Oval concept plan, excerpt below showing 9m x 12m shed location in the same position as the existing shed at the 28th of July 2021 Ordinary Council Meeting.

The Eaton Junior Football & Eaton Cricket Club have requested that the new shed be moved along the same alignment further away from Pratt Road, shown in blue below, and in [Appendix ORD: 12.4.3D];

Pavilion

The H+H design submitted as part of the grant application was for a building of 536m², the revised design is now 493m², the reduction in floor space of the building is 43m² from the Council endorsed concept to the revised concept. Officers met with the Department of Local Government, Sport and Cultural Industries (DLGSC), who are supportive of the reduction of the concept design.

After receiving confirmation of the approved grant, officers met with the clubs outlining that there was an expected significant funding shortfall for the project and requested that the clubs consider options to reduce the cost of the building. The club provided feedback to Officers with regards to options which the clubs were willing to support for amendments to the concept plan, these comments are at [Appendix ORD: 12.4.3E].

Officers subsequently engaged H&H Architects to amend the concept plan. An updated concept plan [Appendix ORD: 12.4.3B] (Revised Concept Plan for Eaton Oval Clubroom) was received on the 8th of April 2022 and has been circulated to the clubs for further comment. Pending no adverse feedback on this concept it is recommended that Council endorse this amended concept and authorise the Chief Executive Officer to call a Design and Construct tender for the building. The officers will bring a report to Council for consideration of the tender outcomes.

It should be noted that once construction starts and the building is demolished temporary facilities (toilets/change rooms) will need to be provided until the new building is completed. It is also intended that the lease on the current facility be cancelled and a new lease entered into for the new building.

Planning Comments

Reserve 24728 is a "Regional Open Space" reservation under the Greater Bunbury Region Scheme (GBRS) and the Shire of Dardanup Town Planning Scheme No. 3. The construction of the shed and pavilion are proposed in a floodway and a planning application will be required to be submitted under the GBRS Floodplain Management Policy. This will trigger referral to the Department of Water and Environmental Regulation. An application under the GBRS is to be submitted on Form 1 and lodged with the Shire of Dardanup for processing and referral to the advice agency.

The referral period is 42 days and under the GBRS statutory timeframe the application would need to be determined within 90 days unless the period is extended with mutual agreement from the applicant. If

the Shire agrees with the advice received from the advice agency (DWER) then the planning application may be considered by the Shire of Dardanup under delegation, if not the proposal will be called in by the Department of Planning Lands and Heritage for determination.

The Chief Executive Officer has given in-principle support for the installation of the new shed to allow the Development Application and Building Permit to be lodged. Final and formal approval is subject to Council and statutory approvals.

It is anticipated that Council's Work Health and Safety staff would be provided satisfactory safety management plans and other required documents prior to works commencing, in addition to official notification of commencement of works to enable onsite inspection. Additionally it is also anticipated that Council's Asset staff will inspect the works following completion of the installation, to ensure they meet the required safety and building standards.

Council Role - Executive/Strategic.

Voting Requirements - Simple Majority.

Change to Officer Recommendation

No Change. **OR:**

As per *Local Government (Administration) Regulations 1996 11(da)* Council records the following reasons for amending the Officer Recommended Resolution:

OFFICER RECOMMENDED RESOLUTION

THAT Council:

1. Approves the replacement of the storage shed adjacent to the R & J Fishwick Pavilion (Pratt Road Clubrooms) subject to:
 - a) Eaton Junior Football Club receiving the necessary planning and building approvals;
 - b) Eaton Junior Football Club funding the whole project through the South West Development Grant;
 - c) Eaton Junior Football Club providing the required Works Health & Safety documentation prior to works commencing with notification of when site works are to commence; and
 - d) A final inspection of the works to be conducted by the Shire following completion of the installation to ensure the works meet the required safety and building standards.
2. Provides an Advice Note with the Planning and Building Approvals to alert the Eaton Junior Football Club of the risk of flood damage resulting from development in a floodway, and that the Shire of Dardanup will not be liable for any damage incurred to the shed contents.
3. Supports the proposed change in location as provided for in Appendices [Appendix ORD: 12.4.3D], subject to agreement on the revised R & J Fishwick Pavilion Concept Plan.
4. Acknowledges the efforts of the Eaton Junior Football club in seeking and securing external funding for the project.

5. **Endorses the revised Concept Plans of the proposed new Eaton Oval Clubrooms.**
6. **Requests the Chief Executive Officer to call for a Design and Construct Tender for the Eaton Junior Football Club.**
7. **Authorises the Chief Executive Officer to terminate the current Lease Agreement and to negotiate and sign a new lease with the Eaton Junior Football Club based on the Shire of Dardanup new Draft Template Lease Terms and Conditions.**

12.4.4 Title: Dardanup Sporting and Community Clubs – Extension of Storage Shed – Wells Recreation Reserve

<i>Reporting Department:</i>	<i>Corporate & Governance Directorate</i>
<i>Reporting Officer:</i>	<i>Mrs Donna Bailye - Personal Assistant to D/CEO</i> <i>Mrs Aly Smith Building Property Management Officer</i>
<i>Legislation:</i>	<i>Local Government Act 1995</i>
<i>Attachments:</i>	<i>Appendix ORD: 12.4.4 – Risk Assessment</i>

Overview

Council is requested to approve the extension of the Wells Recreation Reserve storage shed by a further 12m x 7.5m to accommodate the Ferguson Valley Mountain Bike Club and Dardanup Bull and Barrel Festival at Lot 55 Ferguson Road, Dardanup.

Background

The Ferguson Valley Mountain Bike Club are new members to the Dardanup Sporting and Community Clubs (DSCC), with their membership being accepted by the DSCC in February 2021. The Dardanup Sporting and Community Club consists of the following user groups:

- South West Rose Group
- Eaton/Dardanup Football Club
- SW Veteran Car Club
- Dardanup Tennis Club
- Dardanup Basketball Club
- Dardanup Bull and Barrel Festival
- Dardanup Cricket Club
- Ferguson Valley Mountain Bike Club.

The Ferguson Valley Mountain Bike Club obtained a grant from the Shire of Dardanup (2021 Grant) to extend the existing 21m x 7.5m shed located on Wells Reserve (next to new Fire shed) by a further 4.5m x 7.5m, west of the existing shed. Through the DSCC, the Ferguson Valley Mountain Bike Club had previously submitted and received Development Application approval for the installation of a storage shed off the existing shed located in the north eastern corner of Wells Reserve. Progress to Building Application approval did not occur as the DSCC determined that a larger shed would be more suitable as it could meet the needs of both the Ferguson Valley Mountain Bike Club as well as the Bull and Barrel Festival.

Council has now received a Development Application to extend the shed by a further 12m x 7.5m which will involve the clearing of 4 trees to prepare the site.

Legal Implications

The Wells Recreation Reserve is freehold title owned by the Shire of Dardanup with a total area of 40,521m². The area is zoned Urban under the Greater Bunbury Regional Scheme and Recreation under the TPS3 Zone.

Section 5.16 of the Lease Agreement, Alterations & Improvements states that no building or structure can be erected on the Premises without the prior written consent of the Lessor.

5.16. Alterations & Improvements

Not without the prior written consent of the Lessor to erect or suffer to be erected any building or structure on the Premises nor to make or suffer to be made any alteration in or additions to any building or any other improvements to the Premises nor to remove any such improvements.

Strategic Community Plan

Strategy 1.1.1 - Ensure equitable, inclusive and transparent decision-making. (Service Priority: High).

Strategy 3.3.2 - Support volunteer groups within the Shire of Dardanup. (Service Priority: High).

Environment - None.

Precedents

Council has previously supported Lessee works and improvement requests for Shire of Dardanup Leased properties.

Budget Implications

The Ferguson Valley Mountain Bike Club received a grant from the Shire of Dardanup for the shed extension in 2021. The DSCC have confirmed that they have full funding for the project [Appendix ORD: 12.4.4A]. No Council contribution will be required for the shed installation project.

Budget – Whole of Life Cost

In accordance with the current lease agreement, maintenance and repairs for fit out items is the responsibility of the lessee, however the replacement at the end of life of the shed will be a cost borne by Council. Any new assets installed will also be included in Council's Asset Register and Insurance Register, impacting annual depreciation values and insurance costs.

Council Policy Compliance - None.

Risk Assessment

The Risk Management Governance Framework has been considered in arriving at the officer recommendation. Please refer to [Appendix ORD: 12.4.4B] for full assessment document.

TIER 2 – 'Low' or 'Moderate' Inherent Risk.	
Risk Event	Dardanup Sporting and Community Clubs – Extension of Storage Shed – Wells Recreation Reserve
Inherent Risk Rating (prior to treatment or control)	Moderate (5 - 11)
Risk Action Plan (treatment or controls proposed)	As the Inherent Risk Rating is below 12, this is not applicable.
Residual Risk Rating (after treatment or controls)	As the Inherent Risk Rating is below 12, this is not applicable.
Risk Category Assessed Against	Health Installation of the shed extension would need to comply with Work Health & Safety requirements.

Officer Comment

The Dardanup Sporting and Community Club is a very proactive Dardanup Community group, with a growing membership base. It is proposed that the construction of new change rooms and cricket nets will be undertaken in 2021/22, which will further assist the group in building its membership base and providing the necessary up to date facilities to service their members.

The 2016-2021 Lease Agreement provided for the lease of the main building, transportable change rooms, toilet block and the storage shed located in the north east corner of the Reserve (refer to diagram below). It is proposed that the Lease Area be extended when the lease is renewed to incorporate the shed extension to the west of the existing shed as well as the new change rooms. Negotiations for the lease renewal are pending endorsement of the Lease Template.

In accordance with the 2016-2021 lease agreement, the DSCC are responsible for maintenance to these buildings.

To accommodate the shed extension to 12 metres west of the existing shed, four trees will need to be removed as shown in the attached [Appendix ORD: 12.4.4C]. Officers have assessed the trees and determined that it is not remnant vegetation, nor was any existing fauna detected.

Officers are recommending the approval of the shed extension, subject to the relevant planning and building approvals being met.

Council Role - Executive/Strategic.

Voting Requirements - Simple Majority.

12.4.5 Title: Costings for Installation of Audio Recording Equipment – Shire of Dardanup Council Meetings

<i>Reporting Department:</i>	<i>Corporate & Governance Directorate</i>
<i>Reporting Officer:</i>	<i>Mr Chris Murray – Manager Information Services</i>
<i>Legislation:</i>	<i>Local Government Act 1995</i>
<i>Attachments:</i>	<i>Appendix ORD: 12.4.5A – Risk Assessment</i> <i>Appendix ORD: 12.4.5B – LMR Brochure</i> <i>Appendix ORD: 12.4.5C – CCS 1000 Brochure (wired)</i> <i>Appendix ORD: 12.4.5D – DCN Brochure (wireless)</i> <i>Recommendation Report for Written Quotations (Circulated in Confidential Document Under Separate Cover)</i> <i>Quote Totally Sound (Circulated in Confidential Document Under Separate Cover)</i> <i>Quote Redfish Technologies x 3 (Circulated in Confidential Document Under Separate Cover)</i> <i>Quote Morrison Public Address (Circulated in Confidential Document Under Separate Cover)</i>

Overview

This report provides information back to Council on the costs of implementing and installing Audio recording equipment for all Ordinary and Special Council Meetings.

Background

The Elected Member Motion – Audio Recording of Council Meetings – was considered by Council on the 15th of December 2021 where the following was resolved (OCM: 419-21):

“THAT Council:

- 1. Requests the Chief Executive Officer to present to the April 2022 Ordinary Council Meeting the cost of implementing and installing Audio Recording equipment for all Ordinary and Special Meetings for consideration in budget talks.*
- 2. Expenses to be no more than \$25,000 and the installation of equipment ready for the July 2022 Ordinary Council subject to Council approval.*
- 3. Introduces a new Council Policy to be workshopped by Councilors to set guidelines of audio recording before the installation and recording of meetings scheduled for July 2022.”*

Audio-Visual equipment is a specialised technology area and three vendors were approached that have the expertise and experience to meet the requirements:

- Redfish Technologies – WALGA Panel audio visual equipment suppliers. Implementations have been undertaken in many Shire’s, including but not limited to Harvey, Donnybrook and Busselton; and
- Totally Sound – Long standing local audio visual equipment supplier based in Bunbury.
- Morrison’s Public Address – Public Address and AV supplier based in Perth who have supplied to local councils.

Two quotes were received at the end of January 2022 and would require refreshing before proceeding as they have exceeded 30 days, but do represent indicative pricing.

Legal Implications

Local Government Act 1995.

State Records Act 2000.

Strategic Community Plan

Strategy 1.1.1 - Ensure equitable, inclusive and transparent decision-making. (Service Priority: High)

Strategy 1.1.2 - Keep our community informed through a wide variety of media that is accessible and open and responsive. (Service Priority: High)

Strategy 1.6.2 - Promote a positive public image for the Council through appropriate marketing activities and high standards of customer service. (Service Priority: Very High)

Environment - None.

Precedents

The matter of Live Streaming was brought to Council by Cr. J P Dow at the Ordinary Council Meeting held on the 27th of May 2020. A further Officer's Report was brought back to Council on the 30th of September 2020.

Budget Implications

The budget implications for the recommended solution of audio recording would be \$25,000.00 (ex-GST) for the 2022/23 financial year.

\$5,000 for Chambers furniture and equipment is currently allocated in the 2022/23 financial year within the Draft Long Term Financial Plan. If Council supports this expenditure, an additional \$20,000 will need to be allocated. It is currently forecast that \$10,000 capital expenditure will not occur in 2021/22 for Council chambers furniture and equipment, enabling this \$10,000 to flow through as a surplus into the 2022/23 Budget, partially funding the \$25,000 expenditure.

Note: There is provision within the new Admin Building fit out budget for audio visual equipment for the new Council Chambers should Council decide to not go ahead with audio recording systems at this stage.

Budget – Whole of Life Cost

If Council determines to proceed with the purchase of Audio Recording Equipment, there will ongoing maintenance required of the equipment, with period replacement of specific items.

Council Policy Compliance - None.

Risk Assessment

The Risk Management Governance Framework has been considered in arriving at the officer recommendation. Please refer to [Appendix ORD: 12.4.5A] for full assessment document.

TIER 2 – 'Low' or 'Moderate' Inherent Risk.	
Risk Event	Costings for Installation of Audio Recording Equipment – Shire of Dardanup Council Meetings
Inherent Risk Rating (prior to treatment or control)	Low (1 - 4)

Chief Executive Officer Comment

The New Shire of Dardanup Library, Administration and Community Building contract includes provision for audio equipment. This project is scheduled to be completed by the end of 2023. Considering the potential delays associated with ordering equipment, it is recommended that Council not proceed with the installation of the audio equipment at this point in time, but acknowledge that this will be included in the new building.

Council Role - Executive/Strategic.

Voting Requirements - Simple Majority.

Change to Officer Recommendation

No Change. **OR:**

As per *Local Government (Administration) Regulations 1996 11(da)* Council records the following reasons for amending the Officer Recommended Resolution:

OFFICER RECOMMENDED RESOLUTION 'A'

THAT Council:

1. Notes the quoted costs for supply, installation and commissioning of the audio equipment required for the recording of Ordinary and Special Council meetings.
2. Does not support the installation of an audio recording system to Council Chambers at this stage, but notes that the Chief Executive Officer has made provision to ensure that this is included in the new Shire of Dardanup Administration, Library and Community Building.

OR

OFFICER RECOMMENDED RESOLUTION 'B'

THAT Council:

1. Notes the quoted costs for supply, installation and commissioning of the audio equipment required for the recording of Ordinary and Special Council meetings.
2. Supports the installation of the Officer recommended Bosch CCS 1000 (wired) audio recording system quoted by Redfish Technologies to the Shire of Dardanup Council Chambers.
3. Authorises the inclusion of \$25,000 in the 2022/23 Budget for the purchase of audio recording system, and requests the Chief Executive Officer to implement the installation of this system to Council Chambers as soon as practicable.
4. Notes the supply issues as advised by the vendors in regards to the supply of the equipment and supports a possible later date for installation.

Overview

To adopt the Shire of Dardanup’s reviewed Equal Employment Opportunity (EEO) Management Plan 2022 - 2024.

Background

The Shire of Dardanup’s Equal Employment Opportunity (EEO) Management Plan is reviewed every two years.

Section 145 of the *WA Equal Opportunity Act 1984* (Act), requires all local government authorities to ensure that they have a compliant Equal Employment Opportunity [EEO] & Diversity Plan in order to achieve the objects of the Act.

Legal Implications

WA Equal Opportunity Act 1984:

*Division 3 — Equal employment opportunity management plans**145. Preparation and implementation of management plans*

- (1) Each authority shall prepare and implement an equal opportunity management plan in order to achieve the objects of this Part.*
- (2) The management plan of an authority shall include provisions relating to —*
 - (a) the devising of policies and programmes by which the objects of this Part are to be achieved; and*
 - (b) the communication of those policies and programmes to persons within the authority; and*
 - (c) the collection and recording of appropriate information; and*
 - (d) the review of personnel practices within the authority (including recruitment techniques, selection criteria, training and staff development programmes, promotion and transfer policies and patterns, and conditions of service) with a view to the identification of any discriminatory practices; and*
 - (e) the setting of goals or targets, where these may reasonably be determined, against which the success of the management plan in achieving the objects of this Part may be assessed; and*
 - (f) the means, other than those referred to in paragraph (e), of evaluating the policies and programmes referred to in paragraph (a); and*
 - (g) the revision and amendment of the management plan; and*

- (h) *the appointment of persons within the authority to implement the provisions referred to in paragraphs (a) to (g).*
- (3) *The management plan of an authority may include provisions, other than those referred to in subsection (2), which are not inconsistent with the objects of this Part.*
- (4) *The preparation of a management plan shall take place and the implementation of the management plan shall commence without delay and —*
 - (a) *in the case of an authority referred to in section 139(1)(a), (b), (c) or (d), other than an authority which is an institution of tertiary education, on or before such day as is specified in the regulations in respect of that authority and if no day is so specified in respect of an authority on or before the day that is 3 years after the day when this Part comes into operation; and*
 - (b) *in the case of an institution of tertiary education or an authority the subject of regulations under section 139(1)(e), on or before such day as is specified in the regulations.*
- (5) *An authority may, from time to time, amend its management plan.*
- (6) *Each authority shall send a copy of its management plan, and any amendment of the plan, to the Director as soon as practicable after the management plan or the amendment, as the case may be, has been prepared.*

Strategic Community Plan

Strategy 1.1.1 - Ensure equitable, inclusive and transparent decision-making. (Service Priority: High)

Strategy 1.1.3 - Monitor and ensure compliance with the regulatory framework for local government governance and operations. (Service Priority: High)

Strategy 1.1.4 - Maintain best practice governance systems and practices. (Service Priority: Moderate)

Environment - None.

Precedents

The Shire of Dardanup last endorsed the 2019-2021 Equal Employment Opportunity (EEO) Management Plan 2019-2021 in 2018 (OCM: 339-18).

Budget Implications - None.

Budget – Whole of Life Cost - None.

Overview

This agenda item recommends to Council the adoption of Bushfire Brigades Amendment Local Law 2022 with amendments, for gazettal.

Background

At its meeting held on the 25th of January 2022, Council resolved (OCM: 09-22) as follows:

“THAT Council:

1. *In accordance with Section 3.12 of the Local Government Act 1995 approves the advertising of the proposed ‘Shire of Dardanup Bush Fire Brigades Amendment Local Law 2022’ [Appendix ORD: 12.4.1B] in order to seek community comment.*
2. *Provides a copy of the proposed Local Law and public notice to the Minister for Local Government and the Minister for Emergency Services.*
3. *After the close of the public consultation period, requests the Chief Executive Officer to submit a report on any submissions received on the proposed Local Law to enable Council to consider the submissions made and to determine whether to make the Local Law in accordance with section 3.12(4).”*

Legal Implications

Local Government Act 1995 - S3.12.

Procedure for making local laws:

- (1) *In making a local law a local government is to follow the procedure described in this section, in the sequence in which it is described.*
- (2A) *Despite subsection (1), a failure to follow the procedure described in this section does not invalidate a local law if there has been substantial compliance with the procedure.*
- (2) *At a council meeting the person presiding is to give notice to the meeting of the purpose and effect of the proposed local law in the prescribed manner.*
- (3) *The local government is to —*
 - (a) *give local public notice stating that —*
 - (i) *the local government proposes to make a local law the purpose and effect of which is summarized in the notice; and*
 - (ii) *a copy of the proposed local law may be inspected or obtained at any place specified in the notice; and*

- (iii) *submissions about the proposed local law may be made to the local government before a day to be specified in the notice, being a day that is not less than 6 weeks after the notice is given;*

And

- (b) *as soon as the notice is given, give a copy of the proposed local law and a copy of the notice to the Minister and, if another Minister administers the Act under which the local law is proposed to be made, to that other Minister; and*
- (c) *provide a copy of the proposed local law, in accordance with the notice, to any person requesting it.*

[(3a) deleted]

- (4) *After the last day for submissions, the local government is to consider any submissions made and may make the local law* as proposed or make a local law* that is not significantly different from what was proposed.*

** Absolute majority required.*

- (5) *After making the local law, the local government is to publish it in the Gazette and give a copy of it to the Minister and, if another Minister administers the Act under which the local law is proposed to be made, to that other Minister.*
- (6) *After the local law has been published in the Gazette the local government is to give local public notice —*
- (a) *stating the title of the local law; and*
- (b) *summarizing the purpose and effect of the local law (specifying the day on which it comes into operation); and*
- (c) *advising that the local law is published on the local government's official website and that copies of the local law may be inspected at or obtained from the local government's office.*
- (7) *The Minister may give directions to local governments requiring them to provide to the Parliament copies of local laws they have made and any explanatory or other material relating to them.*
- (8) *In this section —*

making in relation to a local law, includes making a local law to amend the text of, or repeal, a local law.

Strategic Community Plan

Strategy 1.1.3 - Monitor and ensure compliance with the regulatory framework for local government governance and operations. (Service Priority: High)

Strategy 1.1.4 - Maintain best practice governance systems and practices. (Service Priority: Moderate)

Strategy 1.4.2 - Maintain, review and ensure relevance of Council's policies and local laws. (Service Priority: Very High)

Environment - None.

Precedents

The Shire of Dardanup Bush Fire Brigades Local Law gazetted in 2003, as amended in 2008, was reviewed in 2013, with Council resolving (OCM: 224-13) that the local law remain unchanged. On the 28th of April 2021 Council resolved (OCM: 113-21) to repeal the previous local law and adopt the new Shire of Dardanup Bush Fire Brigades Local Law 2021.

Following the Joint Standing Committee on Delegated Legislation consideration of the Local Law, they requested that the Shire of Dardanup undertake to make minor amendments to the recently adopted Local Law.

Budget Implications

Costs associated with the review will be advertising and gazettal of the reviewed local law. There is provision within the budget for advertising and no additional costs will be applied to the budget.

Budget – Whole of Life Cost - None.

Council Policy Compliance

Exec CP090 – Community Engagement Policy.

Risk Assessment

The Risk Management Governance Framework has been considered in arriving at the officer recommendation. Please refer to [Appendix ORD: 12.4.7A] for full assessment document.

TIER 2 – ‘Low’ or ‘Moderate’ Inherent Risk.	
Risk Event	Bush Fire Brigades Amendment Local Law 2022 - Adoption
Inherent Risk Rating (prior to treatment or control)	Low (1 - 4)
Risk Action Plan (treatment or controls proposed)	As the Inherent Risk Rating is below 12, this is not applicable.
Residual Risk Rating (after treatment or controls)	As the Inherent Risk Rating is below 12, this is not applicable.
Risk Category Assessed Against	Legal and Compliance Failing to carry through on the Joint Standing Committee of Delegated Legislation’s request for undertakings would be a breach of legislation. Council has a statutory obligation to make laws which are clear and effective.
	Reputational Council will be viewed in a negative light if it fails to discharge its statutory obligation.

Officer Comment

The Minister for Local Government and Minister for Emergency Services were provided with a copy of the Local Law for comment on the 10th of February 2022.

The advertising inviting submissions concluded on the 25th of March 2022.

The Act provides that after the last day for submissions the Council is to consider any submissions received and cause a report of the review to be prepared and considered by the Council.

There were no submissions received from the public and one submissions received from Minister for Emergency Services [Appendix ORD: 12.4.7B] stating there was no comment from DFES to be made on the proposed Local Law.

The Department of Local Government, Sport and Cultural Industries [Appendix ORD: 12.4.7C] made the following comments on the Local Law:

12.4.8 Title: Monthly Statement of Financial Activity for the Period Ended on the 31st of March 2022

Reporting Department:	Corporate & Governance Directorate
Reporting Officer:	Mrs Natalie Hopkins - Manager Financial Services Mr Ray Pryce - Accountant
Legislation:	Local Government Act 1995
Attachments:	Appendix ORD: 12.4.8A – Risk Assessment Appendix ORD: 12.4.8B – Monthly Financial Report – 31 st of March 2022

Overview

This report presents the monthly Financial Statements for the period ended on the 31st of March 2022 for Council adoption.

Background

The Monthly Statement of Financial Activity is prepared in accordance with the Local Government (Financial Management) Regulations 1996 r. 34 s. 6.4. The purpose of the report is to provide Council and the community with a reporting statement of year-to-date revenues and expenses as set out in the Annual Budget, which were incurred by the Shire of Dardanup during the reporting period.

Legal Implications**Local Government Act 1995 – Section 6.4****6.4. Financial Report**

- (1) A local government is to prepare an annual financial report for the preceding financial year and such other financial reports as are prescribed.
- (2) The financial report is to —
 - (a) be prepared and presented in the manner and form prescribed; and
 - (b) contain the prescribed information.

Local Government (Financial Management) Regulations 1996 r. 34**Part 4 — Financial Reports — s. 6.4****34. Financial activity statement required each month (Act s. 6.4)****(1A) In this regulation—**

committed assets means revenue unspent but set aside under the annual budget for a specific purpose.

- (1) A local government is to prepare each month a statement of financial activity reporting on the revenue and expenditure, as set out in the annual budget under regulation 22(1)(d), for that month in the following detail —
 - (a) annual budget estimates, taking into account any expenditure incurred for an additional purpose under section 6.8(1)(b) or (c); and
 - (b) budget estimates to the end of the month to which the statement relates; and
 - (c) actual amounts of expenditure, revenue and income to the end of the month to which the statement relates; and
 - (d) material variances between the comparable amounts referred to in paragraphs (b) and (c); and

- (e) *the net current assets at the end of the month to which the statement relates.*
- (2) *Each statement of financial activity is to be accompanied by documents containing —*
- (a) *an explanation of the composition of the net current assets of the month to which the statement relates, less committed assets and restricted assets; and*
- (b) *an explanation of each of the material variances referred to in subregulation (1)(d); and*
- (c) *such other supporting information as is considered relevant by the local government.*
- (3) *The information in a statement of financial activity may be shown —*
- (a) *according to nature and type classification; or*
- (b) *by program; or*
- (c) *by business unit.*
- (4) *A statement of financial activity, and the accompanying documents referred to in subregulation (2), are to be —*
- (a) *presented at an ordinary meeting of the Council within 2 months after the end of the month to which the statement relates; and*
- (b) *recorded in the minutes of the meeting at which it is presented.*
- (5) *Each financial year, a local government is to adopt a percentage or value, calculated in accordance with the AAS, to be used in statements of financial activity for reporting material variances.*

[Regulation 34 inserted in Gazette 31 Mar 2005 p. 1049-50; amended in Gazette 20 Jun 2008 p. 2724.]

Strategic Community Plan

Strategy 1.3.2 - To monitor and produce statutory budgetary and financial reporting requirements applicable to local government operations. (Service Priority: High)

Environment - None.

Precedents

Each month Council receives the Monthly Financial Statements in accordance with Council Policy and Local Government (Financial Management) Regulations.

Budget Implications

The financial activity statement compares budget estimates to actual expenditure and revenue to the end of the month to which the statement relates. Material variances and explanations of these are included in the notes that form part of the report. Although the statement has no direct budget implications, any identified permanent budget variances are adopted separately by the Council as part of specific project approval or periodic budget review reporting.

Budget – Whole of Life Cost - None.

Council Policy Compliance

- CnG CP036 Investment Policy
- CnG CP128 Significant Accounting Policies
- CnG CP306 – Accounting Policy for Capital Works

Risk Assessment

The Risk Management Governance Framework has been considered in arriving at the officer recommendation. Please refer to [Appendix ORD: 12.4.8A] for full assessment document.

TIER 2 – ‘Low’ or ‘Moderate’ Inherent Risk.	
Risk Event	Monthly Statement of Financial Activity for the Period Ended 31 st March 2022
Inherent Risk Rating (prior to treatment or control)	Moderate (5 - 11)
Risk Action Plan (treatment or controls proposed)	As the Inherent Risk Rating is below 12, this is not applicable.
Residual Risk Rating (after treatment or controls)	As the Inherent Risk Rating is below 12, this is not applicable.
Risk Category Assessed Against	Legal and Compliance Non-compliance with the legislative requirements that results in a qualified audit.
	Reputational Non-compliance that results in a qualified audit can lead stakeholders to question the Council’s ability to manage finances effectively.
	Financial Not monitoring ongoing financial performance would increase the risk of a negative impact on the financial position.

Officer Comment

The Monthly Financial Report for the period ended on the 31st of March 2022 is contained in [Appendix ORD: 12.4.8B] and consists of:

- Statement of Financial Activity by Program – including Net Current Assets (liquidity)
- Statement of Comprehensive Income by Nature and Type
- Notes to the Statement of Financial Activity:
 - * Note 1 Statement of Objectives
 - * Note 2 Explanation of Material Variances
 - * Note 3 Trust Funds
 - * Note 4 Reserve Funds
 - * Note 5 Statement of Investments
 - * Note 6 Accounts Receivable (Rates and Sundry Debtors)
 - * Note 7 Salaries and Wages
 - * Note 8 Rating Information
 - * Note 9 Borrowings
 - * Note 10 Budget Amendments

The Statement of Financial Activity shows operating revenue and expenditure by statutory program and also by nature and type, as well as expenditure and revenue from financing and investing activities - comparing actual results for the period with the annual adopted budget and the year-to-date revised budget. The previous year annual results and current year forecasts are also included for information.

The Statement of Financial Activity includes the end-of-year surplus brought forward from 2020/21 of \$961,190.

Taking into account the larger surplus brought forward, budget amendments adopted by the Council at previous meetings this financial year and officer review of current year-to date performance, the forecast surplus at the 30th of June 2022 is currently estimated at \$133,666.

Note 2 – Contains explanations for items with a material variance. Actual values for the year-to-date are compared to the year-to-date budget to present a percentage variance as well as the variance amount. The minimum level adopted by Council to be used in the Statement of Financial Activity in 2021/22 for reporting material variances is 5% or \$25,000, whichever is greater.

Most reported variances are due to timing differences between actual project and operating costs and the corresponding budget allocations. Generally, the budget is spread evenly over the year, however, revenue and expenses (especially asset acquisition and receipt of grants) are not occurring on the same regular pattern. Officers will continue to improve this seasonality aspect of presentation of the budget estimates for future reporting.

Note 6 – Statement of Investments reports the current Council cash investments and measures the portfolio against established credit risk limits based on reputable credit ratings agencies and incorporated in the Council's Investment Policy.

The total investment portfolio is currently \$18,114,530, and includes \$3,500,000 in Municipal Fund and \$14,614,530 in Reserve Account term deposit funds. 83% of the portfolio is invested with AA rated Australian banks, with the remaining 17% being lodged with BBB rated financial institutions.

Yield return on major bank term deposit investments remain relatively low, but appear to be in a rising trend. During the last quarter, term deposit interest rates have almost doubled, with some major banks now offering in excess of 1.5% p.a. for a 12 month term. This occurred in response to the announcement that Government and Reserve Bank stimulus are being paired back as well as upwards pressure on rates due in part to higher than expected level of inflation reported in the Consumer Price Index publication at 31st of December 2021 and continuing upwards pressure on prices for consumer goods and manufacturing materials.

Additional explanatory comments are included as part of each note within the monthly financial report to assist in understanding the reasons for any adverse trends and balances.

Council Role - Review.

Voting Requirements - Simple Majority.
