Strategy 1.1.2- Monitor and ensure compliance with the regulatory framework for local government governance and operations. (Service Priority: High)

Budget Implications -

The administration of committees and working groups requires significant resources to prepare Agenda's, Notes, Report and Minutes. In addition to the administration, staff time is also taken up with queries from committee members, attendance to meetings and workshops.

At some meetings up to five staff members may be in attendance. It is estimated that the administration of a single Committee could cost as much as \$16,000 per annum in staff productivity and time.

It is therefore important that Committees and Working Groups are run efficiently and effectively to assure maximum benefit is achieved. It should be noted however, that Committees and Working Groups play an important part in Community Engagement and allows great opportunities for community members to be actively involved in Local Government activities and initiatives.

Budget – Whole of Life Cost - None.
