It is therefore important that Committees are run efficiently and effectively to assure maximum benefit is achieved. Background

On the 1st of July 2011, DAPs came into operation in order to determine development applications that meet a certain threshold value. In the case of the Shire of Dardanup for development applications with an estimated cost of \$10 million or more, it is mandatory that they are determined by a DAP. For applications \$2 million or more and less than \$10 million, the applicant has the option of having the application determined by a DAP or the local government.

Each DAP comprises 5 members (3 specialist members, one of which is the presiding member, and 2 local government members). Appointments of all current local government DAP members expire on the 26th of January 2022.

The Director General of the Western Australia Planning Commission has written [Appendix SCM: 12.3 A] to all local governments on 28th of September 2023. The letter notes that changes to DAP membership may be required as a result of changes to Council following the 2023 local government elections.

The letter seeks DAP member nominations, noting the current terms of DAP members expires on 26th of January 2024. Accordingly, new membership is requested for a term ending 26th of January 2026. DAP replacement nominations are required to be forwarded to the DAP Secretariat by no later than 24th of November 2023.

Officers recommend Council nominate the necessary DAP members for Ministerial consideration to ensure the Shire has its full membership on the DAP. This being two local council members and two alternate local council members.

Legal Implications

Part 11A of the *Planning and Development Act (2005)* introduced Development Assessment Panels into the Act and this is supported by the *Planning and Development (Development Assessment Panels) Regulations 2011*.

Council Plan

8.1 - Support responsible planning and development.

Precedents -

Council have nominated representatives since the commencement of the DAPs. The existing representatives for the Shire are Cr. M T Bennett and Cr. P S Robinson (local members) with Cr. S L Gillespie and Cr. T G Gardiner (alternate local members).

TIER 2 – ‘Low’ or ‘Moderate’ Inherent Risk.

Inherent Risk Rating (prior to treatment or control)	Low (1 - 4)

Residual Risk Rating (after treatment or controls)	As the Inherent Risk Rating is below 12, this is not applicable.
Risk Category Assessed Against	Reputational By not nominating a representative to the DAP local interests would not be represented in future DAP determinations.

Officer Comment

Representation of local interests is a key aspect of the DAPs system. Council is requested to nominate 4 elected members (comprising 2 local members and 2 alternate local members) to sit on the DAP as required. Once nominations are received, the Minister will appoint local government members for the term ending on the 26th of January 2026.

As part of the current State Government’s commitment to OnBoardWA, which looks to increase the diversity of Government boards and committees along with the total number of women representatives, they encourage Council to consider the diversity of representation when putting forward local government nominations to the DAP.

All appointed local members will be placed on the local government member register and advised of DAP training dates and times. It is a mandatory requirement, pursuant to the DAP regulations, that all DAP members attend training before they can sit on a DAP and determine applications. Local government representatives who have previously been appointed to a DAP and have received training are not required to attend further training.

Local DAP members are entitled to be paid for their attendance at DAP training and DAP meetings unless they are Federal, State or local government employees, active or retired judicial officers and employees of public institutions. DAP members are entitled to a payment for successful completion of training and a sitting fee, in accordance with Premier’s Circular 2010/02.

All local governments have been requested to provide nominations by Friday 24th November 2023 and therefore deferring the matter is not recommended.
