Saturday the 5th of June
9am - 11am Little Street
(Carramar Park) Dardanup

QUESTIONS

Matt Meijer 04 9812 7941

FREE OF CHARGE

As our goal is that it should be free of charge and convenient to dispose this type of waste.

FUNDING

Privately funded at this stage, future funds will come from selling recyclables.

Donations are welcome to be used for improvements and expanding this initiative.

Possible future government grants

PARTNERS

Battery World
Bunbury Drive-in Chemist
Lions Club
Aussie bread tags for wheelchairs
Nescafe
Precious Plastic Margaret River

FUTURE VIEW

Widening the collection area, increasing the range of collected waste and improving the way of recycling, by processing the waste in the South West
