Part 2 Proposed Service

The Shire of Dardanup is seeking Expressions of Interest from rural residents who do not currently receive a kerbside General Waste and Recycling Bin Service. Completion of this form will enable Shire Staff to gauge demand for a proposed new service while investigating the feasibility and budget implications of any changes. Findings will then be presented to Council for consideration.

Please note: This form DOES NOT automatically confirm a bin collection service for your property. You will be contacted regarding the outcome.

Does your property have access for a rubbish truck to stop on the road verge to collect the bin?

Yes

No

Do you currently have bins at your property?

Yes

No

If yes how many and what size?

I am aware a new Waste and Recycling Kerbside Bin Service for my property will attract an annual Waste Services Fee. The 2023/24 Waste Services Fee is proposed to be \$261.00 (to be confirmed following June OCM)
