### Vote For Brian Johnstone

In 1989 my wife Carmel and I moved to Eaton from Newman to work and raise a family. We bought a home in what was then the back of Eaton, in Watson St, and we still live here.

Our children grew up here, attending local schools and shortly, so will their own children.

I am now retired, having recent public service background of 10 years as an Electrical Consultant with the Water Corporation here in the Southwest.

I am also a Veteran, having served 6 years in the RAAF in the 1980s.

From these disciplines, I have developed attributes of sound and logical decision making. I would like to use my life and career experiences to help shape the future of where we live.

I have seen this area grow over the last 36 yrs and its future growth will have challenges. I wish to play an active part in helping to plan our community's future.

Importantly, if elected I have the time to commit to such a responsibility.
