	Election type	Ordinary
	Enrolment status	KEEGAN, Ralph is eligible to stand for election as a resident of the Shire of Dardanup.

I have proudly lived in the Shire of Dardanup for many years and am committed to ensuring our community remains strong, fair and well-managed. I served over 20 years in the Regular Army, where I developed leadership, discipline and problem-solving skills. Following my service, I operated a safety consultancy and training company, working with businesses to improve workplace safety and compliance. Now retired, I have the time and energy to dedicate myself fully to the role of councillor.

I have been a vocal advocate regarding the growing Dardanup tip, pressing for responsible waste management, and I previously served as a member of the Leschenault Biosecurity Group, protecting local agriculture and the environment.

If elected, my key priorities will be:

Accountability – open, transparent decision-making.

Efficiency of Resources – wise use of ratepayer funds.

Australia Day for Everyone – inclusive celebrations for the whole community.
