As a sitting Councillor and having held the role of Shire President for the last two years, I seek your support to continue as your Councillor.

With my background living here all my life, working in agriculture and small business, I bring practical experience and local knowledge along with the required commitment to serve on Council. Involvement in sporting and community groups has also been part of who I am.

Our Shire is a great place to live with a bright future. Forecast growth for the region requires planning and strategy that needs to be smart, sustainable and appreciative of community sentiment. Wanju and Waterloo, and the increased population and jobs, they will deliver will lead to a strong local government with the resources to deliver the community infrastructure needed. The responsible development of tourism adds further to our livability.

I seek re-election to continue serving the people with honesty, integrity and a focus on the future while being mindful of our history.
