I believe in strong, connected communities where families and individuals thrive. My priorities are housing security, affordable living, access to healthcare, safe environments, and education for all.

**My decision-making will always prioritise community wellbeing, support, and fairness.**

For over 20 years I've contributed to my community through charities, junior sport and school P&Cs, and volunteer Boards. I currently serve on the Board of Harbour (South West Women's Refuge Inc), a vital local service provider.

With 30+ years in healthcare, including 23 as a Registered Nurse, and 25 in leadership roles, I now lead a local not-for-profit healthcare provider as CEO and hold a Master of Public Health.

A proud South West local, my husband and I built our Millbridge home in 2024. Together we've raised five children and now enjoy life as grandparents to five wonderful grandchildren.

**I am ready to serve our broader community with experience, heart, and commitment.**
