Candidate name	Annette Louise WEBSTER
District	Shire of Dardanup
Nominating for	Councillor for Shire of Dardanup
Election type	Ordinary
Enrolment status	WEBSTER, Annette is eligible to stand for election as a resident of the Shire of Dardanup.

I am a current counsellor, having served 2 years. My children are young adults & involved with me. They're encouraging their generation to take an interest in our local community as it's THEIR future we're planning.

I served on the Tourism Committee (1994) & Eaton Townscape committee. Then the shire prided itself on having the lowest rates of any shire.

I've lived in the shire for 52 years, starting work in 1979 at local store, Slaters. I also worked for 20 years on Collie River cruises, sharing our local history.

My priorities:

Supporting seniors as many services have been lost to the shire

Some Eaton roads need attention, eg Hale Street is unsafe

Spending money on our smaller towns

Dardanup water supply issues

Burekup sporting facilities & parks

Larger police presence in Eaton

Cameras on the street corners of our suburbs.

I have energy and enthusiasm for our shire. If re-elected, I will continue to do my best for our rate payers. I'm contactable anytime to listen to your concerns and issues.
