E-waste

Paint

Aerosol cans

FOGO FOR COMPOST COLLECTED WEEKLY IN 3 BIN SERVICE AREAS

FOGO

Food organics

- Vegetables and fruit scraps.
- Meat and dairy scraps.
- Tea leaves and coffee grounds.
- Bread.
- Seafood including shells.
- Food leftovers and scraps.
- Eggshells.
- Out-of-date food (unpackaged).

Garden organics

- Grass clippings, plant cuttings, leaves, flowers and weeds, small branches, twigs.

Caddy liners

- Certified Australian Standard compostable caddy liners (look for the seedling logo).

- ✗ **No** plastic bags, paper bags or boxes.
- ✗ **No** nappies or sanitary products

Food organics and garden organics make up about 50% of household waste. By putting organic waste in the FOGO bin it can all be turned into compost.

FOGO FOR COMPOST COLLECTED WEEKLY IN 3 BIN SERVICE AREAS

The Shire of Dardanup has provided a kitchen caddy to help separate your food scraps. If you move out, please leave the kitchen caddy behind.

**If you use a caddy liner, ensure it is certified compostable.
As they break down easily, it is recommended to change
caddy liners every 2 to 3 days.**

Remember: Never use biodegradable bags as these do not break down and will contaminate your FOGO material. Alternatively, place food scraps loose in the kitchen caddy.

Certified compostable liners

These are made from natural materials, break down easily and can be composted. Certified compostable bags always have the seedling logo.

Biodegradable or degradable bags

These break down into fragments of plastic and contaminate the compost.

Plastic bags, paper bags or boxes

These don't break down and contaminate the compost.

Check recycleright.wa.gov.au for more information

RECYCLING COLLECTED FORTNIGHTLY

Co-mingled recycling

Recycle these five

1. Paper

- Newspaper.
- Office paper (not shredded).
- Magazines.
- Envelopes.
- Paper bags.

2. Cardboard

- Packaging/cardboard boxes (clean and flattened).
- Milk and juice cartons (no long-life cartons - foil lined).

3. Cans

- Aluminium cans.
- Steel cans.
- Clean foil (scrunched in a ball at least 5cm diameter).

4. Glass

- Glass bottles and jars.
- Broken glass.

5. Plastic

- Plastic bottles and containers.
- Plastic punnets.

Items must be loose. Containers rinsed, lids off.

Recycling significantly reduces the amount of materials sent to landfill

RECYCLING COLLECTED FORTNIGHTLY

THREE EASY RECYCLING RULES

1

LIDS OFF

Small plastic lids contaminate recycling.

2

RINSE

Removes contamination.

3

KEEP IT LOOSE

Loose items get recycled, items in bags do not.

WHAT CAN GO IN YOUR RECYCLING BIN?

Glass bottles and jars
(lids removed)

Paper and cardboard
(flattened)

Cans

Plastic bottles and containers
(lids removed)

Items must be clean, empty and loose in the bin.

If you're unsure what should go in your yellow lid recycling bin,
find the answer online at recycleright.wa.gov.au

IMPORTANT INFORMATION

No food scraps

No batteries or
hazardous waste

No clothing

No nappies

To find your nearest battery recycling options visit:

<https://bcycle.com.au/>

GENERAL WASTE COLLECTED ON THE OPPOSITE WEEK TO YOUR RECYCLING BIN IN 3 BIN SERVICE AREAS

Use your general waste bin for items that cannot be composted or recycled. If you're sorting your waste correctly, this smaller bin should be big enough for most households.

Sanitary items

- Toothbrushes.
- Toothpaste tubes.
- Dental floss.
- Disposable razors.
- Face masks.
- Covid-19 tests (double bagged).

Textiles

- Old/damaged clothing and textiles.

Packaging

- Biodegradable and plant based compostable packaging, e.g. coffee cups.
- Long-life cartons (foil lined).
- Small plastic items, such as lids and bread tags.
- Ceramic and terracotta (including broken items).
- Food-soiled packaging.
- Meat trays.
- Polystyrene.
- Soft plastics.
- Kitty litter.

IMPORTANT INFORMATION

No e-waste

No light globes

No aerosols

No paint

Refer to the "HOUSEHOLD HAZARDOUS WASTE" and "WASTE TRANSFER STATION" pages in this guide for disposal options.

It is important not to compact your waste into your general waste bin as the collection truck may not be able to empty it otherwise.

Check recycleright.wa.gov.au for more information

BULK GREEN WASTE

(in the townsites of Eaton, Millbridge, Burekup and Dardanup):

Spring:

Monday, 19 October - Saturday, 24 October 2026.

Autumn 2027 TBA

We will collect:

- ✓ **Tree and shrub cuttings up to 2 cubic metres.**
- ✓ **Maximum length 1.5m.**
- ✓ **Maximum diameter 200mm.**

We cannot collect:

- ✗ **Lawn clippings or roll on turf.**
- ✗ **Green waste placed in bags or boxes.**
- ✗ **Hard waste including timber.**
- ✗ **Stumps.**
- ✗ **Excessively large piles of green waste (greater than 2 cubic meters).**

Important reminders:

- All green waste must be placed on the verge prior to 6.00am of the first collection day. Council is unable to provide exact collection days or times.
- 100% of green waste collected is recycled into wood chip and mulch – helping your garden and our environment.
- Please keep all waste clear of reticulation, water mains, electrical domes, footpaths, street signs and street corners.
- The property owner is responsible for maintaining the waste piles in a safe condition and in a manner that does not cause litter.
- Waste shall only be placed on the owners property. Uncollected material remains the responsibility of the property owner/occupier to remove.
- Streets will only be serviced once. Green waste placed out AFTER the collection date or not collected remains the responsibility of the owner to remove.

Note: The new green waste collection dates are finalised in late January each year.

BULK HARD WASTE

Eaton and Millbridge:

Monday, 3 August - Saturday, 15 August 2026.

Burekup and Dardanup:

Monday, 17 August - Saturday, 22 August 2026.

Please do not place your hard waste on the verge more than one week prior to collections commencing to avoid creation of litter issues. This can especially become a problem during the winter months as a result of storms and high winds.

We will collect:

- ✓ **Washing machines and dryers**
- ✓ **Mattresses**
- ✓ **Fridges, freezers and air-conditioners that have been de-gassed (fridge doors must be removed).** Please note that our contractor will de-gas however doors must be removed.
- ✓ **General junk, lounges, cupboards, furniture.**
- ✓ **Garden furniture and barbecues.**
- ✓ **Material less than 1.5 metres in length.**

We cannot collect:

- ✗ **Bricks and rubble.**
- ✗ **Household food waste.**
- ✗ **Flammable liquids, hazardous chemicals.**
- ✗ **Cars, car tyres or batteries.**
- ✗ **Asbestos products.**
- ✗ **Oils, paints, solvents or liquids.**

Important reminders:

Place your items on the verge no more than one week before collection to avoid litter issues, especially with winter storms.

All items must be out by 6.00am on the first collection day. Council is unable to provide exact collection days or times. Whilst E-Waste will be collected during the Hard Waste Collection, it will need to be taken to the Transfer Station to be recycled once the collection is complete as it can't be disposed of in normal bins.

Note: The new hard waste collection dates are finalised in late January each year.

HOUSEHOLD HAZARDOUS WASTE

The Shire of Dardanup wants to make it easier for you to recycle along with helping ensure household hazardous waste is disposed of correctly.

Household Hazardous Waste can be dropped off at Stanley Road Waste Management Facility.

For more information about Household Hazardous Waste go to: <https://www.wastenet.net.au/hhw>

Now you can drop off batteries and bulbs to one of 3 handy new Recycling Stations!

Find our new Recycling Stations at:

- **Eaton Admin and Library Centre.**
- **Dardanup Office.**
- **Waste Transfer Station.**

Batteries and bulbs fall into the category of Household Hazardous Waste and if not disposed of correctly, pose both a health and environment threat. They don't belong in your general waste bin.

Did you know that plastic bottle tops can be recycled but not by the processors who collect your kerbside yellow lidded recycling bin. They need to go to a different processor so drop them off at Containers for Change depots.

WASTE TRANSFER STATION

The Shire provides this service for general domestic waste and domestic green waste disposal.

- **General waste is sent off-site for disposal.**
- **Green waste is sent off-site for processing into mulch.**
- **Cardboard is sent off-site for recycling.**
- **Recycling is sent off site for processing or on-sold through the Tip Shop.**

Fees apply for waste disposal including specific fees for tyres, mattresses, fridges and special wastes. Please refer to the Shire Waste Transfer Station Flyer on the website for a list of fees and charges.

HOUSEHOLD HAZARDOUS WASTE

Guidelines for the disposal in our region of Household Hazardous Waste – which includes items like paint, pool chemicals and pesticides – are being tightened by regulators to ensure improved environmental outcomes.

As a result of these changes, our Transfer Station is no longer able to accept items categorised as Household Hazardous Waste. Please note that the Stanley Road Waste Management Facility is able to accept items categorised as Household Hazardous Waste.

DISPOSE FREE OF CHARGE

Free drop-off is available for the following items:

- ✓ **Car batteries.**
- ✓ **Used motor oil (up to 40L).**
- ✓ **Clean drumMUSTER containers.**
- ✓ **Scrap metal – steel, aluminium, copper, brass, stainless steel, mixed metals.**

Appliances containing refrigeration gasses will not be accepted in the scrap steel area. A \$21 fee applies for appliances that are NOT de-gassed

For more information check: www.wastenet.net.au/hhw
