2. PURPOSE OR OBJECTIVE

There may be a requirement within subdivisions in the Shire of Dardanup for the provision of uniform fencing which abuts public land and also street landscaping. If these areas are not satisfactorily maintained prior to Council assuming control, expensive remediation may need to be undertaken at Council’s expense.

The purpose of this policy is to ensure that when the Shire assumes the maintenance role for uniform fencing abutting public land, it is in a good clean order and that street landscaping is adequately established.

3. POLICY

- 3.1 Any future requirement for the provision of uniform fencing abutting public land and street landscaping within any subdivision in the Shire of Dardanup shall be subject to being constructed and maintained to the satisfaction of Council.
- 3.2 The developer is required to pay a maintenance bond of 2.5% of the cost of construction of the fence, as a condition of this policy.
- 3.3 It is the developer’s responsibility to ensure that for a 24 months after the date of completion of a fence abutting public land, the fence is maintained to its original condition and is free from graffiti and/or other unsightly stains or markings, at the expense of the developer.
- 3.4 It is the developer’s responsibility to ensure that for 24 months after the date of completion of street landscaping, the landscaping is maintained in a healthy condition, all weeds are removed, and any dead or diseased plants are replaced, all at the expense of the developer.
- 3.5 The Shire will not support a subdivision, or clear a condition of subdivision, unless the developer agrees to comply with the provisions of this policy and has paid the appropriate maintenance bond to the Shire.

4. APPLICATION

The requirements of this policy will be considered where a condition of subdivision requires the provision of uniform fencing abutting public land and/or street landscaping.
