Ballot Paper Name	BENNETT, Mick
Nominating for	Councillor
Election Type	Ordinary

BENNETT, Mick

I have lived in the District for 46 years in that time have worked with different community groups as a volunteer and committees. I have been fortunate enough to have served on council for 26 years 19 years as Shire President. Serving on council has been both a humbling experience and am truly grateful of the opportunity.

Having been involved in creative sessions where council has set many long term goals for our community and seen so many come to fruition leads me to ask that you vote for me to continue the excellent direction set by us all in the Dardanup 2050 Vision Document. I am excited about our future with Wanju City and Waterloo industrial Park being ready to be developed in 2022 along with plans to revamp Dardanup and Burekup at the same time.

I look forward to your support.
