DAVIES, Luke

Hi, my name is Luke Davies, I am a current sitting member on the Shire of Dardanup.

I bring a young clear mind and I am ready to see the Shire Of Dardanup grow and have the best facilities for everyone to enjoy as we strive to expand on the natural beauty and facilities on offer today.

In my time on council, I have seen the Eaton Fair expansion take shape, more footpaths and other improvement to Burekup.

The Caravan stopover is important, this is a vital part of tourism in our Shire and a vital part in the WA tourism ecosystem.

I am looking forward to seeing the new suburb of Wanju come into fruition and am excited about the growth it will bring.

I will always be a voice for the youth and elderly in our community, sporting clubs and the local communities.

Thanks for your time and support.
